*Ephemeral Media* Paul Grainge,2017-10-20 Ephemeral Media explores the practices, strategies and textual forms helping producers negotiate a fast-paced mediascape. Examining dynamics of brevity and evanescence in the television and new media environment, this book provides a new perspective on the transitory, and transitional, nature of screen culture in the early twenty-first century.

**Wilderness Axe Skills and Campcraft** Paul Kirtley,2021-03-28 An understandable guide to key skills for bushcrafters, campers, outdoors lovers, and anyone interested in surviving on the land. No other woodcraft teacher instills outdoor knowledge the way Kirtley does, which has earned him a stellar global reputation. This is the chance to learn from him even if you can't attend his sold-out courses. Everything needed for those seeking eventual serious bushcraft mastery, and also helpful for those who admire bushcraft but simply want to add ease and enjoyment to occasional camping. This is his first book and teaches the core skills from start to finish: selecting the correct tools for the task, caring for the tools, everyday axe techniques, felling, limbing, sectioning, and carving techniques and projects. Next, master efficient and sometimes lifesaving campcraft needs, including pot hangers, tripods, cranes, camp grills, broilers, lanterns, stools, tent needs, essential knots, lashings, ladders, and rope throwing and hoisting. Also features a detailed look at more than a dozen types of wood and their properties, for best choices in all bushcraft needs.

The Art of Voice Acting James R. Alburger,2011 Wow! I am reading your book The Art of Voice Acting, and I want you to know it was worth way more than the cover price! The insights into the business, the A-B-Cs... it's all incredibly helpful. I was told by a producer in Vancouver, B.C., to get your book, he called it The Voiceover Bible. He was so right! Gord Brooks Voice Services (Canada) Thank you for such a wonderful book! Your sense of humor is delightful, the content is superbly detailed and your encouragement throughout is greatly appreciated. I wanted to let you know just how first-rate I think The Art of Voice Acting is. I have taken two (2) Master classes in the past year-and-a-half but I got more practical information in just the first few chapters of your book than from the seminars. Thank you again for sharing your expertise. Daria M. Dutzmann, voice actor Just a note of thanks for your excellent book The Art of Voice Acting. I had the opportunity to do some radio spots today---and for the first time, started to touch on voice acting instead of voice over. This really made a difference in my read---and the director was delighted! Eric Funk, President, Entertainment on Hold, Inc. I have been a successful voice over for about 10 years and recently bought and read The Art of Voice Acting. I must have been guided to do it! It was like receiving a (gentle) kick in my behind, spurring me to get reorganized, regvanized, newly inspired because---to say the truth---I was sitting on my laurels doing very little to perfect my skills or bring new life to my career. Now I feel full of new energy. This is what I call an inspired purchase! Anna Rigano, professional voice actor (UK)

*The Art of Fire* Daniel Hume, 2017-11-02 Fire can fascinate, inspire, capture the imagination and bring families and communities together. It has the ability to amaze, energise and touch something deep inside all of us. For thousands of years, at every corner of the globe, humans have been huddling around fires: from the basic and primitive essentials of light, heat, energy and cooking, through to modern living, fire plays a central role in all of our lives. The ability to accurately and quickly light a fire is one of the most important skills anyone setting off on a wilderness adventure could possess, yet very little has been written about it. Through his narrative Hume also meditates on the wider topics surrounding fire and how it shapes the world around us.
