A Tale Dark & Grimm Adam Gidwitz,2010-10-28 In this mischievous and utterly original debut, Hansel and Gretel walk out of their own story and into eight other classic Grimm-inspired tales. As readers follow the siblings through a forest brimming with menacing foes, they learn the true story behind (and beyond) the bread crumbs, edible houses, and outwitted witches. Fairy tales have never been more irreverent or subversive as Hansel and Gretel learn to take charge of their destinies and become the clever architects of their own happily ever after.

Moxie Jennifer Mathieu,2017-09-19 Now a Netflix Original Film directed by Amy Poehler! Moxie is sweet, funny, and fierce. Read this and then join the fight.—Amy Poehler An unlikely teenager starts a feminist revolution at a small-town Texas high school in this novel from Jennifer Mathieu, author of The Truth About Alice. MOXIE GIRLS FIGHT BACK! Vivian Carter is fed up. Fed up with an administration at her high school that thinks the football team can do no wrong. Fed up with sexist dress codes, hallway harassment, and gross comments from guys during class. But most of all, Viv Carter is fed up with always following the rules. Viv's mom was a tough-as-nails, punk rock Riot Grrrl in the '90s, and now Viv takes a page from her mother's past and creates a feminist zine that she distributes anonymously to her classmates. She's just blowing off steam, but other girls respond. As Viv forges friendships with other young women across the divides of cliques and popularity rankings, she realizes that what she has started is nothing short of a girl revolution. Moxie is a book about high school life that will make you wanna riot! Also by Jennifer Mathieu: The Truth About Alice: A powerful look at slut-shaming, told through the perspectives of four small-town teens, about how everyone has a motive to bring—and keep—a teen girl down. Devoted: A girl with a controlling, conservative family realizes that her life is her own—if only she can find the courage to fight for it. Afterward: A tragic kidnapping leads to an unlikely friendship in this novel about finding light in the midst of darkness. Praise for Moxie: “With a story that’s equal parts heart and instruction manual, Mathieu has captured the movement of a generation—warts and all—and shone a light forward for the next one.” —E. K. Johnston, #1 New York TimesBestselling author of Exit Pursued By a Bear “Vivian Carter and Moxie are strong and smart and so, so inspiring. She is my new hero and this is my new favorite book. I’m proud to be a Moxie girl.” —Jennifer Niven, New York Times–bestselling author of All the Bright Places and Holding Up the Universe “From its soul-deep girl friendships to its swoony love story to its smart, gutsy heroine, Moxie is a ferocious joy. I could feel my heart—and my courage—getting bigger every time I turned the page. —Katie Cotugno, New York Times–bestselling author of 99 Days and How to Love Moxie is an anthem, a how-to guide, and that best friend who says, ‘You matter, too!’” —Sherri L. Smith, author of Pasadena and Flygirl “Like the addictive riff of a punk rock song, Moxie will pull you in, inspire you, and kick you back out into the world with a burning desire to change it. Read this. Now.” —Jenny Torres Sanchez, author of Because of the Sun An invaluable revelation. —Booklist, starred review This novel is full of wit, insight, and moxie. . . . Highly recommended for all teens, but especially those who would enjoy realistic coming-of-age fiction with female empowerment. —School Library Journal, starred review Satisfying and moving. —Publishers Weekly

World Intellectual Property Organization (WIPO) Christopher May,2006-11-06 Covering the World Intellectual Property Organization, this volume introduces a much ignored element of the contemporary structure of global governance to scholars of international political economy. Christopher May discusses: how the World Intellectual Property Organization works, its antecedents and history the debates about the role and justification of intellectual property the role of WIPO within contemporary global politics the key elements of its relations with the World Trade Organization the Agreement on Trade Related Aspects of Intellectual Property Rights. The analysis then examines the recent political economy of the organization and argues that far from being the neutral or technical agency that it often presents itself as, the WIPO is highly politicized and acts to socialize policy makers and civil servants into a specific view of intellectual property. However, the recent proposal to establish a Development Agenda at the WIPO is an important development, and the book concludes by examining the problems which have promoted this agenda, suggesting that these reforms of the WIPO should be welcomed. The World Intellectual Property Organization is a clear and accessible volume that will confirm the WIPO as one of the global institutions which any student of global governance must understand.

Flora & Ulysses Kate DiCamillo,2013-09-24 Winner of the 2014 Newbery Medal Holy unanticipated occurrences! A cynic meets an unlikely superhero in a genre-breaking new novel by master storyteller Kate DiCamillo. It begins, as the best superhero stories do, with a tragic accident that has unexpected consequences. The squirrel never saw the vacuum cleaner coming, but self-described cynic Flora Belle Buckman, who has read every issue of the comic book Terrible Things Can Happen to You!, is just the right person to step in and save him. What neither can predict is that Ulysses (the squirrel) has been born anew, with powers of strength, flight, and misspelled poetry — and that Flora will be changed too, as she discovers the possibility of hope and the promise of a capacious heart. From #1 New York Times best-selling author Kate DiCamillo comes a laugh-out-loud story filled with eccentric, endearing characters and featuring an exciting new format — a novel interspersed with comic-style graphic sequences and full-page illustrations, all rendered in black-and-white by up-and-coming artist K. G. Campbell.

Home Is Where My People Are Sophie Hudson,2015-01-16 All roads lead to home. It’s easy to go through life believing that we can satisfy our longing for home with a three-bedroom, two-bath slice of the American dream that we mortgage at 4 percent and pay for over the course of thirty years. But ultimately, in our deepest places, we’re really looking to belong and to be known. And what we sometimes miss in our search for the perfect spot to set up camp is that wherever we are on the long and winding road of life, God is at work in the journey, teaching us, shaping us, and refining us—sometimes through the most unlikely people and circumstances. In Home Is Where My

People Are, Sophie Hudson takes readers on a delightfully quirky journey through the South, introducing them to an unforgettable cast of characters, places, and experiences. Along the way, she reflects on how God has used each of the stops along the road to impart timeless spiritual wisdom and truth. Nobody embodies the South like Sophie Hudson, and this nostalgic celebration of home is sure to make even those north of the Mason-Dixon line long to settle in on the front porch with a glass of sweet tea and reflect on all of the people in our lives who—related or not—have come to represent home. Because at the end of the day, it’s not the address on the front door or even the name on the mailbox that says home, but the people who live and laugh and love there, wherever there might happen to be.
