**Original Syn** Beth Kander, 2018-09-25 Fifty years after the Singularity, the world is divided into two populations locked in a cold war: Synthetic Citizens, or Syns, human-computer hybrids with extraordinary enhancements and potentially infinite lifespans; and Originals, the individuals who did not merge their bodies with the machines. But the decades-long battle between Original and Syn is almost at an end, because the Originals are on the verge of extinction. One of the only young Originals left in the world, Ere, knows he might someday be the very last of his kind. But when he meets a beautiful, powerful Syn girl called Ever, he questions everything he's ever been told about his lifelong enemies. Original Syn is a rich, dangerous world of family secrets, free will, forbidden love, and all of the unexpected peril that arises when aggressive technology meets stubborn humanity.

*Doctor Syn* Russell Thorndike, 2022-04-09T16:23:39Z Doctor Syn is a quiet, unassuming vicar in the small fishing village of Dymchurch-under-the-wall. He, his sexton Mipps, and the friendly villagers lead a simple life—until a frigate sent by the King lands at their docks, and an officious captain steps down into the village in search of smugglers. As the captain and his crew investigate the tiny town of Dymchurch, the village is struck by a string of mysterious murders, and the king's men soon find themselves embroiled in a dark conspiracy. The town and its quirky inhabitants may not be all that they seem. Russell Thorndike turned to fiction writing after serving in World War I. Doctor Syn is the first in his series of thirteen novels featuring the titular character, though chronologically, the events in this novel are the epilogue to the series. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

Syn Raymond F. Jones,2012-11-30 One was discovered quite by accident. A man in a mental hospital said he wasn't real. He wasn't. There were more. Scientists feared that half the population of Earth might be Syns. Methodically, the Syns were being rooted out and destroyed. In turn, they were carrying on their own fearful destruction of human life and works. Everyone's humanity had been challenged. Every man was aligned against each other...because no one knew what a Syn was.

Syn's primary goal in his life has been to be a great cop. There has been no time for relationships, romance, or especially love.Syn was dedicated to his new force, focused and ready to back up God and Day as their third in command, but what he wasn't ready for was the feelings he got from seeing the love they had for each other.Syn's all prepared to accept his lonely fate until he walks into a small pub and meets long-haired,tattooed, bartender, Furious Barkley. Before he can even understand why, Syn's feeling things he barely recognizes: passion, yearning, cravings; and if the dark, lustful gazes are anything to go by, Furious might be feeling the same things for him.Just one thing needs to happen before Furi and Syn can give each other what's been missing from their lives for so long...Syn needs to allow happiness into his world and Furi needs to learn to open his heart and trust again.God, Day, Ronowski, and Johnson are still as entertaining as ever...You'll swoon over God's massive take-charge attitude...You'll laugh hysterically at Day's never-ending wit...You'll fall in love with Furious' mysterious, sexy demeanor...and...You'll embrace Syn...Disclaimer: This book DOES NOT contain polygamous sexual pairings.

**Doctor Syn** Russell Thorndike, 2017-09-17 Excerpt from Doctor Syn: A Smuggler Tale of the Romney Marsh The little church was old and homely, within easy cry of the sea; and it was pleasant on Sunday evenings, during the Doctor's long extempore prayers, to hear the swish and the lapping and continual grinding of the waves upon the sand. But church would come to an end at last, as most good things will, although there was a large proportion of the congregation - especially among the younger members - who considered that they could have even too much of a good thing. **Voices of Syn** Charles Bender, 2019-02-05 Its been written in The Database that The Fathers of Sin saved us all from this chaos. They rebuilt the cities that had been decimated. Laws were written for all to follow. Peace returned to The World and overtime they abolished the sins that too plagued us all. At the end of the day our World was perfect it had no flaws to be seen by anyone's eyes. The populace was happy and safe... or so it was thought. All of this, all that we knew was coming to an end. A truth that no one would be ready for, but the truth always has a way of coming into the light. This is that story of those involved.
