How to Take Off Your Clothes Hadassah Grace,2019-04-04

Hadassah's book deals with themes of love, sex and depression and she describes it as: Politically it's about leaning in to the negative stereotypes projected onto women, and exploring what it means to embrace and humanize them. Personally it's about me working through the loss of the life I thought I would have. Overall it's about how no matter what happens women always have shared experiences of moving through the world.

Stylelikeu Elisa Goodkind, Lily Mandelbaum, 2011-03-29

Stylelikeu, created by mother-daughter team Elisa Goodkind and Lily Mandelbaum, goes way beyond the now ubiquitous and static poses of street-fashion bloggers The Sartorialist, Face Hunter, and all the rest, and instead, brings us into the homes and more importantly the closets of the most stylish people on the streets of New York, Los Angeles, London, and more. Not interested in celebrities and the stylists who dress them, Elisa and Lily have an uncanny knack for finding and gaining the trust of people who march to the beat of their own, very chic, drummer. Often spending up to three hours with the most daring and original dressers they can find, *Stylelikeu* photographs each fashionable person in several different looks of the subject's choosing. To probe deeper into each subject's personal style, they conduct intimate interviews on their ambitions, influences, and dreams, making each portrait so much more than yet another street photograph. From the most personal pieces in their subjects' wardrobes, to the favorite books on their shelves, to the most precious objects in their houses, *Stylelikeu* goes far beyond mere appearances to showcase how creativity is fostered and manifested by living in the most stylish way of all: true to oneself. Trumpeted in the press for Elisa and Lily's departure from the top-down nature of mass-market fashion, where the editors of popular fashion magazines tell consumers what is stylish, *Stylelikeu* represents the vanguard of a new, DIY, fashion-media paradigm. It is a bold and inspirational experiment, documenting fashion at its source—the individual. A few of the 1000+ comments left by fans of the *Stylelikeu* website: Was just talking about how he NEEDED to be on this site. So amazing. I find her absolutely mesmerizing. She is so full of life and charm. She has a wonderfully contagious spirit. She is such an inspiration and I would love to be like her someday. I love that you guys feature such a diverse group of people—all ages, races, sizes, budgets. It shows how everyone can have style. I don't have any

words to describe how amazing those two girls are! They are the true inspiration for all the girls in this entire universe!

Brescia, 2014-08-19 Open the door to harmonious, powerful, and positive dressing with a guide that's like *The Secret*—for your wardrobe. In this groundbreaking how-to book, style expert George Brescia shows you how to transform yourself from the inside out. More than a style guide, this revolutionary book by a seasoned stylist teaches a method of conscious dressing that begins with a powerful internal change. Instead of just grabbing for whatever's on hand, you'll learn to set your goals for the day, determining how you want to be perceived, and then dress in a way that helps manifest those intentions. *Change Your Clothes, Change Your Life* reveals the true power your clothing has to affect your life, showing how this second skin impacts your job prospects, your romantic life, your income, and even your deepest sense of self. Translating his styling methods into a philosophy anyone can apply on her own, Brescia also delivers tips and tricks of the trade to help convert even the most hapless dresser into a happy and educated shopper. Because the goal is to have you not only looking great, but feeling more confident, too. From major closet overhauls to a whole new philosophy on color, this is a comprehensive manual for anyone who's ever looked at her closet in despair. Accessible, direct, honest, and thought-provoking, *Change Your Clothes, Change Your Life* takes an eye-opening look at the intersection between our clothing and our emotions, hopes, and dreams, showing us how improving our external appearance can have life-changing effects on how we're perceived by others—and more importantly, on how we perceive ourselves.

Mid-Life Ex-Wife Stella Grey,2017-05-02 "The literary equivalent of the When Harry Met Sally line, 'tell me I'll never be out there again'." —JoJo Moyes, #1 New York Times bestselling author of Me Before You Nora Ephron meets Bridget Jones's Diary in Guardian columnist Stella Grey's heartrendingly honest, witty memoir about her online odyssey to find real love in a virtual

world. Singers may croon about love being lovelier the second time around, but it can also be far more complicated. When Stella Grey's husband leaves her for another woman, she fears she'll be unhappy and alone for the rest of her life. But daytime vodka-drinking and ice-cream are only short-term consolations. Realizing that she needs to take her future into her own hands, Stella dives into the world of online dating. What follow are 693 days of hilarious, depressing, and baffling encounters that unfold both in person and online. Stella quickly discovers that the more perfect a man appears on her screen, the warier she should be. It's a game of chance, with some players perfectly willing to lie to get what they want, whether that's a lifetime of love or a very brief encounter. Amid flirty emails, Skype chats, and awkward small talk over glasses of bad wine (which may or may not lead to awkward sex), Stella struggles to remain optimistic. To succeed, does she have to redefine the kind of man she's looking for—or change the kind of woman she is? Funny, raw, and heartwarming, this book is a brutally honest account of the world of online dating—a world which so many of us are a part of, no matter our age—drawn from Stella's hugely popular Guardian column, "Mid-life Ex-Wife" (and expanded with new material) about her search for a second chance at love.

Superstar's Secret Lover Lin Ke, 2020-08-11 She hailed a ride, but she didn't expect that she would be forcefully kissed by a stranger in the car! When she asked for his help, he said lightly, You need to make me happy. She did her best, and he said, I'm not satisfied with your poor way of pleasing a man. If you want my help, you have to accompany me for another three months! It had not even been three months since the agreement had been made, and he had said that she had broken the contract and that he wanted her to be his lover for three years! He said: I can make you red to purple in a short period of time, or I can make you disgraced overnight! Her secret had finally been revealed, and she had finally escaped from him. When they met again, what sort of

situation would she face?

Environmental Theater Richard Schechner,1994 There is an actual, living relationship between the spaces of the body and the spaces the body moves through; human living tissue does not abruptly stop at the skin, exercises with space are built on the assumption that human beings and space are both alive. Here are the exercises which began as radical departures from standard actor training etiquette and which stand now as classic means through which the performer discovers his or her true power of transformation. Available for the first time in fifteen years, the new expanded edition of Environmental Theater offers a new generation of theater artists the gospel according to Richard Schechner, the guru whose principles and influence have survived a quarter-century of reaction and debate.

His Majesty, Don't Offend Me Si Shuifeiyan,2020-01-13 In order to protect the nine clans, her father had rebelled. In order to protect the world, she was willing to kill her father and kill her brothers! He applauded, For love? You acted so well! He fed her poison, he imprisoned her, he humiliated her, he held back his tears, she laughed! Now You Can Take Off Your Clothes Jon Ceander Mitchell,2020-04 Now You Can Take Off Your Clothes: Vignettes of an American Conductor Lost in Translation chronicles the often hilarious exploits, both on and off the podium, of a conductor and college professor while practicing his craft abroad. Some thirty-nine vignettes - many of them humorous, some more serious - are recounted within a fifteen-chapter framework. Written for the general reader as well as musicians, the book covers a thirty-five-year period and is arranged more-or-less chronologically. Here are many vicissitudes of life, from being awakened by a real gunshot in the next room to being shot at by a chamber maid pretending to kill Al Capone with her imaginary automatic weapon, from being the recipient of lavish praise to being dripped upon while sitting in a Russian Aeroflot plane, from being entertained in a ship's nightclub by a Bulgarian keyboard player who doubled as a tap dancer to cringing while a skirted cymbal player crashed his

instruments between his legs. It's all there, and much more - and all of it is true.
