Justin Bieber: Just Getting Started Justin Bieber,2012-09-13 My story is something I like to share with others, to show people that with enough belief in yourself and what you can accomplish, anything is possible.—Justin Bieber From Tel Aviv to Tokyo, over the past few years I've traveled around the world and back again. It's been amazing, but it's also hard to believe that not so long ago I was singing on the streets of Stratford, Ontario. I can honestly say that anything is possible, anyone can live the dream, and every day is a blessing. Now everywhere I go, I'm met with so much love. It's all about you, my fans, and that's why I'm dedicating my book to everyone who's come to sing along. I want to share the stories of my life on the road with you. From the crazy highs of performing on stage to spending those precious quiet moments with my friends and family, I want to give you a personal backstage pass to my world. It's been exhausting but always eye-opening and amazing. It's astonishing to think that so much has happened, and yet this is just the beginning. I'm just getting started.

Justin Bieber: First Step 2 Forever Justin Bieber,2010-10-12 It's a big, big world It's easy to get lost in it... —Justin Bieber, Up I love those lines in the lyrics. Sometimes I feel like that's what everyone's expecting. My world got very big, very fast, and a lot of people expect me to get lost in it. I grew up in a small town in Canada. I taught myself to sing in front of my bedroom mirror and to play guitar on a hand-me-down. My mom posted my first videos on YouTube. Never in my wildest dreams did I think that I'd sell millions of records, sing for the president of the United States and sell out a massive arena tour. So no, I'm not lost. Not at all. If anything, onstage in front of my fans, I'm home. I'm found. And that's what this book is about: my journey, from singing and busking on the sidewalk in Stratford, Ontario, to performing and showing my appreciation to millions of fans all over the world for making this dream a reality. My music and lyrics give a glimpse of what's in my heart, but I think this book is a window into my world. In here are hundreds of pictures of me that no one's ever seen before, and I'll tell you about who I was before I joined forces with Scooter Braun and Usher and got a record deal, and who I've become since I've been blessed with the opportunity to share my music with the world. This is my gift to you, the fans who've supported and been with me on this amazing journey every step of the way.
