Piney, the Talking Christmas Tree Mary Eustace,Manolo Corvera,1974 Piney writes a song as a present to Santa Claus, but Red Tail Fox almost steals it.

97Th Street Dale Headley,2006-12-28 The decade of the 1040s, especially in South Central Los Angeles, was a challenging time and place. It endured rationing; suffered endemic racial tensions; spawned incipient gangs; and stubbornly clung to the ravages of the depression. This was the milieu Arnie Crockett and his family migrated into when he was eight and he encountered

such wonders as concrete buildings, electric appliances, indoor plumbing, streetcars, stoplights, dial telephones, smog, and special movies. L.A. was an urban sprawl unique among U.S. cities. It was crisscrossed by alleys and dotted with vacant lots a serendipity of which Arnie took full advantage, turning 97th Street and environs into his exclusive fiefdom of fun. Arnie loved to play. He suffered severe asthma, a contentious relationship with his father, felonious cousins, an essential inferiority complex, and an early awareness of his mortality; but the exhilaration he felt when he played with his brother, Lenny, and his friends, Richard and Jimmy overcame all. A panoply of unique and fascinating characters inhabited 97th street: the crazy girl; the jungle lady; the fugitive kidnappers; the ghost of a suicide; the sweet old arsonists; and the evil custodian of the 97th Street School. In Arnies back yard resided the worlds mangiest dog; the worlds largest chicken; a wiener-eating snake; and the worlds smelliest duck, the demise of which turned out to be one of the most profound events in Arnies life. Elwood Crockett, Arnies father, was a complex man of varied skills and prejudices. But Elwood could not or would not show the love he truly felt for his wife and children other than by his stoic sense of responsibility. It was not until the day before Elwoods sudden, unexpected death that Arnie and his father finally came to demonstrate unequivocally their mutual love and respect.

I Kill Monsters 1 Tony Monchinski,2014-10-03 The novel is set in the summer of 1998 in New York City. Beneath the surface of the city, gangs of vampires have been living, preying on the dregs of society--the homeless, destitute, prostitutes--no one cares about. A crew of thieves robs vampire families robs vampire gangs of their money and blood, playing the vampires off against one another. A job goes wrong and they mess with a vampire they never should have, the Albanian Kreshnik, who serves the dark Lord Rainford. Rainford's minions seek out and destroy Frank's crew one by one. Boone is the youngest and brashest of the humans. He's a racist, a drug addict, given to violence and can't shoot to save his life. Boone evidences supernatural attributes, such as the ability to heal rapidly from seemingly devastating injuries. He's also occasionally shadowed by a specter he refers to as Stan that only he can see. Boone feels an attraction to Emanuela, a witch-like character who hunts vampires and other creatures like them with the Sisterhood. The novel culminates in Boone's confrontation against Rainford's army in an decrepit warehouse.

The Burglar Who Traded Ted Williams Lawrence Block,2009-10-13 Bernie Rhodenbarr is actually trying to earn an honest living. It's been an entire year since he's entered anyone's abode illegally to help himself to their valuables. But now an unscrupulous landlord's threat to increase Bernie's rent by 1,000% is driving the bookseller and reformed burglar back to a life of crime -- though, in all fairness, it's a very short trip. And when the cops wrongly accuse him of stealing a priceless collection of baseball cards, Bernie's stuck with a worthless alibi since he was busy burgling a different apartment at the time . . . one that happened to contain a dead body locked inside a bathroom. So Bernie has a dilemma. He can trade a burglary charge for a murder rap. Or he can shuffle all the cards himself and try to find the joker in the deck -- someone, perhaps, who believes that homicide is the real Great American Pastime.

Christmas on Lindbergh Mountain Patricia C Gallagher,2016-11-25 Christmas is coming! It is the season to be jolly! Yes, Yes, Yes! Ho, Ho, Ho! What will Christmas be like if Santa Claus can't make it to Lindbergh Mountain? Kristen is worried that Santa will not be able to find her family's old run-down cabin on Lindbergh Mountain. Her father told her that he read in the newspaper - The Lindbergh Mountain Gazette - that due to dangerous weather conditions, Santa would not be able to make it to Lindbergh Mountain. It would be absolutely impossible for Santa to come this year. But, just the day before, Kristen overheard Santa Claus talking to Mrs. Claus. Kristen had gone to see Santa at Feeney's Department Store. She had to go back there because she had changed her mind about everything on her original Christmas list. On this Christmas Eve last-minute visit, she told Santa that she only wanted coal, even though she was a perfectly behaved little girl. She did not want any toys at all! On her earlier visit, she had a long list of toys that she wanted for Christmas. Santa wondered why she just wanted lumps of coal. Santa was puzzled and curious about this unusual request. And as Kristen got up from his lap, she heard him talking to Mrs. Claus. She distinctly heard Santa say something about giving her The Secret of the Reindeer. When she awoke on Christmas morning, Kristen noticed a pile of fluffy reindeer fur, lying on the floor which was next to a note from Santa. And the fur seemed to have magical powers. She couldn't wait another minute to wake her mom and dad and her brother, Ryan. Kristen tapped the fluffy reindeer fur. The living room was aglow with the magic of Santa and his elves in his workshop. Elves ran to and fro, sleigh bells rang, and bags of shiny coins, toys, food and coal for the old stove appeared. Santa even left her a new pet - a baby reindeer! Christmas on Lindbergh Mountain was definitely the best ever! Visit website for Free Downloads for Family Fun Activities. WHAT OTHERS ARE SAYING: Christmas on Lindbergh Mountain is a gift for any age. A charming tale with a heartwarming message. I wish that I had a lapful of grandchildren to read this enchanting tale during the holiday season. The message of the story really touched my heart. Finally, the untold story of Santa's Magic has been told! Patricia Gallagher and daughter Katelyn weave a wonderful tale that fulfills on its promise to bring fantasy, warmth and magic of Christmas to all who hear these words. The true gift of Christmas shines through the loving actions of the main character, Kristen. And, of course, Kristen's unselfish actions do not go unnoticed by Santa. The story is brought to life by the beautiful narration of actress Lauren Pierson-Swanson, delightful sound effects and music. I purchased this MP3 this past Christmas and intend to make it part of my Christmas tradition from now on. This delightful story is sure to become a holiday classic. A great read-aloud story to be enjoyed by all generations and diverse cultures. I sat for a half-hour just listening and imagining that it was all true! This is a great Christmas story that you will want to listen to with your family, year after year. You feel a sense of magic when you imagine all of the things that happened to the family, on Christmas Eve not too many years ago. I have never heard of Santa's special gift called The Secret of the Reindeer. This story will be treasured by children everywhere. It makes me want to visit Santa and ask for this special treasure, for my family, too. This story draws children and adults together - an audio book and traditional print storybook for all generations to enjoy. Sweet little Kristen, the main character in the story exemplifies the virtues that we as parents want to impart to our children.
