Beauvoir in Time Meryl Altman, 2020-11-23 Beauvoir in Time situates Simone de Beauvoir's *The Second Sex* in the historical context of its writing and in later contexts of its international reception, from then till now. The book takes up three aspects of Beauvoir's work more recent feminists find embarrassing: bad sex, dated views about lesbians, and intersections with race and class. Through close reading of Beauvoir's writing in many genres, alongside contemporaneous discourses (good and bad novels in French and English, outmoded psychoanalytic and sexological authorities, ethnographic surrealism, the writing of Richard Wright and Franz Fanon), and in light of her travels to the U.S. and China,

the author uncovers insights more recent feminist methodologies obscure, showing that Beauvoir is still good to think with today.

Twelve Years a Slave Solomon Northup, 2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Northup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was

a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

Promise at Dawn Romain Gary, 2017-10-31 A classic of modern French literature, the thrilling real-life story of the military hero, ambassador, ladies man, writer, and loving son I grew up longing for the day when I could tear down the veil of darkness and absurdity concealing the true face of the universe and discover at last a smile of kindness and wisdom; I grew up in the certitude that one day I should help my fellow men to wrest the world from our enemies and give back the earth to those who ennoble it with their courage and warm it with their love. *Promise at Dawn* begins as the story of a mother's sacrifice: alone and poor, she fights fiercely to give her son the very best. Romain Gary chronicles his childhood in Russia, Poland, and on the French Riviera; he recounts his adventurous life as a young man fighting for France in World War II. But above all he tells the story of the love for his mother that was his very life—their secret and private planet, their wonderland “born out of a mother's murmur into a child's ear, a promise whispered at dawn of future triumphs and

greatness, of justice and love.”

The Berber Identity Movement and the Challenge to North African States Bruce Maddy-Weitzman, 2011-05-01 Like many indigenous groups that have endured centuries of subordination, the Berber/Amazigh peoples of North Africa are demanding linguistic and cultural recognition and the redressing of injustices. Indeed, the movement seeks nothing less than a refashioning of the identity of North African states, a rewriting of their history, and a fundamental change in the basis of collective life. In so doing, it poses a challenge to the existing political and sociocultural orders in Morocco and Algeria, while serving as an important counterpoint to the oppositionist Islamist current. This is the first book-length study to analyze the rise of the modern ethnocultural Berber/Amazigh movement in North Africa and the Berber diaspora. Bruce Maddy-Weitzman begins by tracing North African history from the perspective of its indigenous Berber inhabitants and their interactions with more powerful societies, from Hellenic and Roman times, through a millennium of Islam, to the era of Western colonialism. He then concentrates on the marginalization and eventual reemergence of the Berber question in independent Algeria and Morocco, against a background of the growing crisis of regime legitimacy in each country. His investigation illuminates many issues, including the fashioning of official national narratives and policies aimed at subordinating Berbers in an Arab nationalist and Islamic-centered universe; the emergence of a counter-movement promoting an expansive Berber imagining that emphasizes the rights of minority groups and indigenous peoples; and the international aspects of modern Berberism.

Simulacra and Simulation Jean Baudrillard, 1994 Develops a theory of contemporary culture that relies on displacing economic notions of cultural production with notions of cultural expenditure. This book represents an effort to rethink cultural theory from the perspective of a concept of cultural materialism, one that radically redefines postmodern formulations of the body.

La scène au Canada ,1969

The Lightkeepers Abby Geni, 2016-01-01 Winner of the 2016 B&N Discover Great New Writers Award for Fiction In *The Lightkeepers*, we follow Miranda, a nature photographer who travels to the Farallon Islands, an exotic and dangerous archipelago off the coast of California, for a one-year residency capturing the landscape. Her only companions are the scientists studying there, odd and quirky refugees from the mainland living in rustic conditions; they document the fish populations around the island, the bold trio of sharks called the Sisters that hunt the surrounding waters, and the overwhelming bird population who, at times, create the need to wear hard hats as protection from their attacks. Shortly after her arrival, Miranda is assaulted by one of the inhabitants of the islands. A few days later, her assailant is found dead, perhaps the result of an accident. As the novel unfolds, Miranda gives witness to the natural wonders of this special place as she grapples with what has happened to her and deepens her connection (and her suspicions) to her companions, while falling under the thrall of the legends of the place nicknamed the Islands of the Dead. And when more violence occurs, each member of this strange community falls under suspicion.

Rencontres Philippe Aurèle Leroux, 2023-04-20 Autour de Philippe Aurèle Leroux s'est constitué un groupe d'amis rencontrés au hasard de salons littéraires, de groupes de discussion ou de son atelier d'écriture La Plume en Frêne. Partageant toutes et tous la passion de l'écriture, il leur a proposé de créer des textes courts sur le thème des rencontres. Des rencontres, il s'en produit tous les jours, bonnes ou mauvaises, fugaces ou éternelles. Elles nous bouleversent, nous transforment, nous interrogent sur nous-mêmes, ne nous laissent jamais indifférents. Chacun dans son univers - classique, mystique, fantastique ou futuristique - chacun des douze participants a produit sa vision de rencontres marquantes. Les textes de Fabienne Boerlen, Karis Demos, Julie Fleury, Jeanne François, Eddy Garrigo, Elle Guyon, Philippe Aurèle

Leroux, Sébastien Louis, Jean-Pierre Magain, Brice Milan, Sienna Pratt et Krista Wild vous emmèneront sur des chemins de traverses, des raccourcis que nul avant eux n'avait trouvés, des voies étranges ou radieuses, mais toujours porteuses d'émotion. À votre tour de venir à leur rencontre.

Beside the Syrian Sea James Wolff, 2018-03-10 Jonas works for the UK secret service as an intelligence analyst. When his father is kidnapped and held for ransom by ISIS gunmen in Syria, he takes matters into his own hands and begins to steal the only currency he has access to: secret government intelligence. He heads to Beirut with a haul of the most sensitive documents imaginable and recruits an unlikely ally – an alcoholic Swiss priest named Father Tobias. Despite barely surviving his previous contact with ISIS, Tobias agrees to travel into the heart of the Islamic State and inform the kidnappers that Jonas is willing to negotiate for his father's life. When the British and American governments realise they may be dealing with betrayal on a scale far greater than that of Edward Snowden, they try everything in their power to stop Jonas, and he finds himself tested to the limit as he fights to keep the negotiations alive and play his enemies off against each other. As the book races towards a thrilling confrontation in the Syrian desert, Jonas will have to decide how far he is willing to go to see his father again.
