[Whiskey Tango Foxtrot] Cat Connor,2023-06-30 Hold onto your seats for the ultimate high-stakes mission! In *[Whiskey Tango Foxtrot]*, two spies and a private eye - otherwise known as Ronnie, Ben, and Crockett - are on a mission to protect a social media influencer with her own agenda. As they race against the clock to keep her safe until her crucial court testimony, tensions run high when Ronnies cousin Donald insists that their neighbours are in grave danger. Crockett, Ben, and Ronnie reluctantly accept an off-book mission from the Australians. They're tasked with protecting a young social media influencer with an exceptional memory and to escort her safely to court to testify. Crockett has an extra job on his list; he's supposed to recruit the woman for his intelligence agency but he's not sure that is wise, or that the woman will be able to transition from 'social media influencer' to a career within the intelligence community. The more time they spend with 'Alex the influencer' the less she seems suited to anything except taking selfies and tantrums. The more time they spend with 'Alex the influencer' the more they suspect something is off about Alex. If that isn't enough, Ronnie's cousin Donald suspects something dreadful has happened to their neighbours and manages to drag Nana and the Cronies of Doom into his conspiracy theory, despite Ronnie's many misgivings. Meanwhile, the team navigates through dangerous situations arising from an unknown number of assailants, raising the stakes with each passing moment. Will they be able to protect Alex and uncover the truth before it's too late?

Two to Tango Kathleen Fuller,2023-07-11 When career-driven Olivia Farnsworth and Kingston Bedford refuse to act on their obvious chemistry, the town of Maple Falls schemes to pair the two up—and dance their way to another happy ending. Olivia Farnsworth always has a plan and knows just what she likes. She likes her job as head librarian. She likes spending time with her aunt Bea and with her close-knit group of friends. She likes attending the cinema's monthly Vintage Movie Night. What she does not like is stepping outside her comfort zone. But when Kingston Bedford, her best friend's older brother, runs into her at the movies, that's exactly what she does. She takes a chance on the gorgeous pediatrician she's known her whole life—only to crash land her way into heartache. Twice. One year later, she's determined to avoid him forever. Aunt Bea and her Bosom Buddies, however, have other ideas. Plans that begin with ballroom dancing lessons . . . and end with one of the Bosom Buddies getting a taste of her own matchmaking medicine. Kingston never thought he'd be utterly alone—as his mother puts it—in his thirties. But somehow, he's let his life spiral out of control. His career has taken over, leaving no time for romance. That is, until his clinic forces him to take a two-month sabbatical. But is it too late to start over with the girl he can't get off his mind? Luckily, the scheming town of Maple Falls is once again ready to help make sparks fly. Delightful small-

Mediatized Transient Migrants Claire Shinhea Lee,2019-11-26 Mediatized Transient Migrants: Korean Visa-Status Migrants' Transnational Everyday Lives and Media Use examines the role of digital media in Korean visa-status migrants' everyday lives in terms of their senses of home, belonging, and identity. Based on personal interviews with 40 migrants (temporary workers, academic students, and their dependents) living in Austin, Texas, Claire Shinhea Lee argues that the mundane use of homeland media brought by new media technology allows these migrants to make, connect to, and complicate home in their transnational space. Through the theoretical framework of mediatization and transnationalism, Lee links a transnational polymedia environment and emerging digital culture (cord-cutting and algorithmic culture) to interrogate mobility and migration in the globalization era. The book reveals not only the multi-positionality within the transient migration but also the gendered structure of the visa system.
