Bawdy Songbooks of the Romantic Period Derek B Scott, 2022-07-30 The songbooks of the 1830-40s were printed in tiny numbers, and small format so they could be hidden in a pocket, passed round or thrown away. Collectors have sought 'these priceless chapbooks', but only recently a collection of 49 songbooks has come to light. This collection represents almost all of the known songbooks from the period.

The Dessert Book A Boston Lady, 2013-10-15 With almost encyclopedic detail, *The Dessert Book* supplies precise, easy-to-follow recipes for desserts of all kinds, including puddings, pies, cakes, soufflés, "jumbles," wafers, biscuits, meringues, nougats, bouchées, glaces, ice creams, fruit ices, coffees, teas, chocolate drinks, liqueurs, creams and wines, jellies and marmalades, brandied fruits, compotes, and much more—over 400 recipes that describe many favorite sweets of the day. Although economy was a factor in her recipe selection, the unknown author had high standards of presentation for desserts, asserting in her Introduction, "In arranging the table, the greater number of handsome dishes and high stands that can be available the better, as glaces, fruits, compotes, and confectionery look much handsomer when so displayed." Clearly, she set an elegant dessert table in her own home. This edition of *The Dessert Book* was reproduced by permission from the volume in the collection of the American Antiquarian Society, Worcester, Massachusetts. Founded in 1812 by Isaiah Thomas, a Revolutionary War patriot and successful printer and publisher, the society is a research library documenting the lives of Americans from the colonial era through 1876. The society collects, preserves, and makes available as complete a record as possible of the printed materials from the early American experience. The

cookbook collection comprises approximately 1,100 volumes.

Madison Ron Grimes, Jane Ammeson, 2006 Madison, tucked among the rolling southeastern hills that meander toward the Ohio River, was settled when Indiana was still a territory and became a city in 1809. A major river port, Madison thrived during the steamboat era as well as when railroads came to dominate the landscape. The city's glorious past is still on display. Many magnificent edifices dating back to eras from the beginning of the 1800s to the early 20th century provide wonderful examples of Federal, Greek Revival, and Italianate architecture. The National Register of Historic Places lists over 133 Madison blocks, making it Indiana's largest historic district. To stroll along the main streets of Madison, to follow the river as it meanders past the town, or to visit the restored railroad station, now home to the Jefferson County Historical Society, is to follow the paths of history. The Complete Confectioner, Pastry-Cook, and Baker Eleanor Parkinson, 2013-10-15 Published in 1846 in Philadelphia, this volume in the American Antiquarian Cookbook Collection contains over 500 recipes for making confections, pastries, and other baked goods by one of the foremost confectioners of the day, whose family is widely credited with establishing ice cream as a national dish. Eleanor and George Parkinson opened a confectionery shop in Philadelphia in 1818 that became a renowned business with an outstanding reputation. Along with their son James, they were among America's most prominent confectioners. Their ice creams were particularly famous, and few nineteenth century American cookbooks failed to include several recipes for "Philadelphia Ice Cream." In writing her cookbook, Eleanor clearly states that, after studying both French and English works, she chose Read's Confectioner, a

London publication, as the basis for her cookbook. However, she made many alterations based on her own experience with the “oldest, most extensive and successful confectionery establishment in the country,” and she added recipes that utilized American ingredients. The book contains “directions for making all sorts of preserves, sugar-boiling, comfits, lozenges, ornamental cakes, ices, liqueurs, waters, gum-paste ornaments, syrups, jellies, marmalades, compotes, bread-baking, artificial yeasts, fancy biscuits, cakes, rolls, muffins, tarts, pies, &c. &c. Plus over fifty different recipes for ice cream. This edition of *The Complete Confectioner* was reproduced by permission from the volume in the collection of the American Antiquarian Society, Worcester, Massachusetts. Founded in 1812 by Isaiah Thomas, a Revolutionary War patriot and successful printer and publisher, the society is a research library documenting the lives of Americans from the colonial era through 1876.
