Indian Movie Entrepreneurship Rajeev Kamineni, Ruth Rentschler, 2020-05-13 One of the world's most prolific creative industries, the Indian movie industry has received scant attention for its spirit of enterprise. Indian Movie Entrepreneurship addresses this omission. For many readers, it might come as a surprise that the Indian movie industry is not just Bollywood and that it has several regional clusters, which are just as vibrant, with a significant output. The authors begin by outlining the contours of Indian cinema and the different regional language hubs that form part of the larger picture. The reader is then offered a glimpse into the actual process of making a film from day zero to release day. The key players in the Indian movie ecosystem are analysed, with the central role of the producer highlighted. Concluding with a look into the future of the entrepreneurial process in the Indian movie industry, the authors illuminate the shifting parameters of distribution and exhibition. Appealing to those interested in understanding the entrepreneurial journey of the Indian movie industry, the book provides a sneak peek into the business landscape of India more broadly.

Evolution of Telugu Films Desiraju Lakshmi Narasimha Rao, 2013

Global Indian Diasporas Gijsbert Oonk, 2007 Global Indian Diasporas discusses the relationship between South Asian emigrants and their homeland, the reproduction of Indian culture abroad, and the role of the Indian state in reconnecting emigrants to India. Focusing on the limits of the diaspora concept, rather than its possibilities, this volume presents new historical and anthropological research on South Asian emigrants worldwide. From a comparative perspective, examples of South Asian emigrants in Suriname, Mauritius, East Africa, Canada, and the United Kingdom are deployed in order to show that in each of these regions there are South Asian emigrants who do not fit into the Indian diaspora concept—raising questions about the effectiveness of the diaspora as an academic and sociological index, and presenting new and controversial insights in diaspora issues.

The Age Of Heroes Mukesh Manjunath, 2024-03-27 Villains are sent flying through the air to pulsating guitar riffs. Socio-economic problems are solved with sermonizing monologues. You can rest assured that good shall prevail—since the protagonist can change the world at will. We are in the presence of the Telugu hero: a character that spills over from myth onto the screen. The celluloid hero speaks like you and me and looks like us, but can perform superhuman feats. The Age of Heroes looks at the historical-cultural factors that have produced cult heroes like N.T. Rama Rao, Chiranjeevi and Pawan Kalyan—and Vijayashanti, who embodies the concept of the female hero. With the growing popularity of Telugu films across the world, especially blockbusters like Bahubali and RRR, Mukesh Manjunath's book—which won the inaugural HarperCollins-MAMI contest for writing on cinema—is a timely and fascinating study of Telugu cinema, which entertains an audience close to 10 crore globally.

Transnational Spaces of India and Australia Paul Sharrad, Deb Narayan Bandyopadhyay, 2022-02-02

Transnational movements are more intricate than diasporic conflicts of 'home and away'. They operate not only as international connections but also transect and disturb national formations. What are the spaces (both physical and temporal) in and around which transnational exchanges occur? Much discussion of the transnational focuses on international movements of law, politics and economics as they relate to Europe and the Americas. This book extends the focus to dynamics across the humanities and social sciences and concentrates on the historical and now growing interactions between India and Australia. Studies come from scholars in both countries, who combine academic depth for students and researchers and writing that is clear and engaging for the general reader.

Telugu Movie Directors' Directory Venkata Vutukuri, 2018-10-31 The Movie (Film) Director has a crucial role in the making of the film and drastically affects the outcome and success of it. Indeed in ancient Sanskrit drama (and in contemporary Indonesian films) he/she is justly called the Sootradhaara meaning one who holds the strings. Just like the puppeteer controls the entire show by manipulating the strings connected to the puppets, so does the director controls the entire film. The skill of the director ultimately decides the worthiness of a film. After watching a particularly good film, it is natural for the viewer ascertain who the director of that film was with a view to watch other films by the same director. Therefore it is very important and useful to have a reference work wherein one can find all of the directors and the films each of them has directed. So far, there is no comprehensive Directory (Filmography) for Telugu Directors and that has been the motivation for the author to undertake writing of this book. This book gives the Titles of Telugu Films produced under the stewardship of 1191 Directors.

Megastar S. V. Inside-Out Smanu, 2014-08-21 This book is a speck of fire from mans inherent quest to be at a perfect self-contented oneness with nature. Todays rat race towards technological development might have thrust man to lack awareness of that quest. Infact, the human journey and conditioning itself has an inherent character of making him lack awareness of his pristine aspects. This book is a humble effort in reminding man of his own quest, in facilitating him to get in touch with the truth long-suppressed and forgotten. The growing imbalance in the society is finding its expression not merely as the materialistic gap between haves and have-nots, but also in the form of Kundalini/Consciousness Awakening in more and more people. The spiritual deficit of the human collective is manifesting as spiritual burden on some. We know the many scientific laws of conservation, dont we? Among other things, the book propounds a possibility that our incapacity to comprehend God might be the limitation of human evolution, as of now! As much as the book talks about God, Spirituality and Mysticism, the book is more an effort in questioning the sufficiency of science for current needs of human evolution. Time has come for man to expand his horizons not through Technology but by regaining his roots of spiritual strength and in the process expand

the horizons of science. No development can be linear and no one instrument can prove self-sufficient for human evolution. In that sense, Science has reached its threshold. Yet, Science with Heart is waiting to be discovered and explored through the reinstatement of Trinity and Balance in the world. This book might not contain any new spiritual talk or wisdom for the spiritually inclined. But it might make a very interesting read for those who are not spiritually inclined yet. And when we realize that the term spiritually inclined is a misnomer, for we are the spirit, the purpose behind this book would have been fulfilled.

Encyclopedia of Bollywood–Film Actresses Renu Saran, 2014-02-25 There was a time when children used to go to their grandpa and grandma often. In a playful way, they would learn and absorb the beautiful values of life. But today, when everyone is becoming busier, at such a time, it is only the stories which can bring us closer to the future generation. Those moments at night before sleeping, when we and our little ones enjoy the stories together, are invaluable. In these moments, unknowingly, the love between us becomes stronger, and the children learn the first lesson of their lives—the value of beautiful relationships. The attempt has been to see each story through the eyes of a child, and to listen to each story with the ears of a child, and understand it with a child's heart. The effort has been that if there is any word which pricks their innocent minds, then that should not reach them through the medium of these stories. The effort here has been that each story has a positive end, from which the dreams of the children get a positive beginning.

Dalit Text Judith Misrahi-Barak, K. Satyanarayana, Nicole Thiara, 2019-06-18 This book, companion to the

much-acclaimed Dalit Literatures in India, examines questions of aesthetics and literary representation in a wide range of Dalit literary texts. It looks at how Dalit literature, born from the struggle against social and political injustice, invokes the rich and complex legacy of oral, folk and performative traditions of marginalised voices. The essays and interviews systematically explore a range of literary forms, from autobiographies, memoirs and other testimonial narratives, to poems, novels or short stories, foregrounding the diversity of Dalit creation. Showcasing the interplay between the aesthetic and political for a genre of writing that has 'change' as its goal, the volume aims to make Dalit writing more accessible to a wider public, for the Dalit voices to be heard and understood. The volume also shows how the genre has revolutionised the concept of what literature is supposed to mean and define. Effervescent first-person accounts, socially militant activism and sharp critiques of a little-explored literary terrain make this essential reading for scholars and researchers of social exclusion and discrimination studies, literature (especially comparative literature), translation studies, politics, human rights and culture studies.

Set in a small town in Andhra Pradesh, Ranga Half-Pants is a breathtaking, coming-of-age tale of courage, love, and friendship. Ranganathan aka Ranga, 14, goes to school after Dasara holidays to discover that he is the only boy in his class still wearing half-pants. All the other boys have moved on to full trousers making Ranga the butt of cruel jokes and bullying. Things reach a real low when his arch-nemesis, Joel, becomes friends with Ranga's best friend, Kaivalya. Prasad, 24, is a man forced to live by the sword. Now he wants to give it all up for the love of his life, Tabassum. His rivals, however, have other plans for him. The worlds of Ranga and Prasad clash on a fateful, violent night. Will Ranga get his full pants? Will Prasad outwit his foes? Suman Kumar – a former IT employee – is a stay-at-home dad, movie writer and a stand-up comic. He lives in Bangalore with his gorgeous wife and beautiful six-year-old daughter (who threatened to throw him out of the house if he didn't include them in his bio). His other interests include bird-watching (feathered ones), movies and books.

Indian Cinema: A Very Short Introduction Ashish Rajadhyaksha, 2016-07-20 One film out of every five made anywhere on earth comes from India. From its beginnings under colonial rule through to the heights of Bollywood, Indian Cinema has challenged social injustices such as caste, the oppression of Indian women, religious intolerance, rural poverty, and the pressures of life in the burgeoning cities. And yet, the Indian movie industry makes only about five percent of Hollywood's annual revenue. In this Very Short Introduction Ashish Rajadhyaksha delves into the political, social, and economic factors which, over time, have shaped Indian Cinema into a fascinating counterculture. Covering everything from silent cinema through to the digital era, Rajadhyaksha examines how the industry reflects the complexity and variety of Indian society through the dramatic changes of the 20th century, and into the beginnings of the 21st.
