**Ron McLarty**

Rose's Run ,2019 Rose Okanese, a single mother with two kids, has been pushed into a corner by Rez citizens to claim some self-respect, and decides that the fastest way to do that is to run the reserve's annual marathon. Though Rose hasn't run in twenty years, smokes, and initially has little motivation, she announces her intention to run the race. One quality Rose doesn't lack is spontaneity which sometimes clashes with her iron will and, though she has initial regrets about opening her mouth, her life begins to dictate that she must follow through. But as fate will have it, one rather huge unforeseen outcome of her decision is that she will have to do battle with an old inadvertently conjured demon that feeds off the strength of women and can have them do her bidding. In no time the Rez is in an uproar. Rose discovers, that the old demon has been unintentionally called forth by her teen daughter, Sarah, which complicates Rose's life just a little more. The spirit woman creates a reign of fear and havoc by appearing to people on the reserve and freaking them out, all of which leads to incidents of extreme humour and plot-twisting bemusement, liberally sprinkled with some jittery acts of valour. With a cast of unusual and unfamiliar characters, Dumont interweaves a tale of motherly love, friendship, lustful longing, wîhtikow lore, and Rez humour, and keeps the hoopla going until the race is done. Will Rose send the demon back to where it came from before the spirit claims her teen daughter? Will she get back together with her philandering, rock musician husband before her girls grow up? More importantly, will she get this all done before her big, face-saving race with Dahlia Ingram, a woman whom God has designed for one purpose: to run long distances at high speeds with effortless grace?

**In the Long Run** George Stratford,2006-07-24 Against the backdrop of one of the world's most demanding races, four men must fight their personal battles for survival. THE RACE: South Africa's awesome Comrades Marathon - fifty-five miles of physical torture run over a series of massive hills in stamina destroying heat and humidity. THE MEN: an idealistic British marathon runner duped into assisting with a murderous plan; a world famous American entertainer who unknowingly puts far more than just his career on the line; a Zulu youth with outstanding natural athletic ability but an unknown enemy; and the dissolute son of a wealthy Johannesburg stockbroker competing in a desperate attempt to preserve his inheritance. Some of these will learn harsh lessons. Some will pay a far heavier price. None will ever forget.

**Rose's Run** Dawn Dumont,2014 Rose Okanese, a single mother with two kids, has been pushed into a corner by Rez citizens to claim some self-respect, and decides that the fastest way to do that would be for her to run the reserve's annual marathon. Though Rose hasn't run in twenty years, smokes and initially has little motivation, she announces her intention to run the race. One quality Rose doesn't lack is spontaneity which sometimes clashes with her iron will and though she has initial regrets about opening her mouth, her life begins to dictate that she must follow through. But as fate will dictate, one rather huge unforeseen outcome of her decision is that she will have to do battle with an old inadvertently conjured demon that feeds off the strength of women. She is a truly mean old spirit who can invade other women and have them do her bidding and in no time has the Rez in an uproar. As Rose discovers, the old demon has been

unintentionally called forth by Rose's teen daughter, Sarah, which complicates Rose's life just a little more. The spirit woman creates a reign of fear and havoc by appearing to people on the reserve and freaking them out, all of which leads to incidents of extreme humour and plot-twisting bemusement, liberally sprinkled with some jittery acts of valour. With a cast of unusual and unfamiliar characters, Dumont interweaves a tale of motherly love, friendship, lustful longing, wîhtikow lore, and Rez humour and keeps the hoopla going until the race is done. At the story's vortex is Rose, a woman destined to face her fears and provide some rich laughter while doing so. Will she send the demon back to where it came from before the spirit claims her teen daughter? Will she get back together with her philandering, rock musician husband before her girls grow up? Will she sort out her best friend's winter pregnancy? But more importantly, will she get this all done before her big, face-saving race with Dahlia Ingram, a woman whom God has designed for one purpose: to run long distances at high speeds with effortless grace.

**Runner in Red** Tom Murphy, 2018-04-01 A reporter and an ex-baseball-player-turned-cameraman search for a mysterious runner in this cozy mystery inspired by a real-life Boston Marathon legend. There has been a long-standing belief that a woman slipped into the 1951 Boston Marathon undetected and ran the race. If that could be proven it would make her the first woman to have run a marathon on American soil. She wore "red," as claimed by a group of Canadian runners who say they tried to bring the matter to the attention of race Director Jock Semple and other race officials. But to no avail, their story was never corroborated, and so today the "Runner in Red" remains a mystery and an urban legend. A period piece set against the backdrop of the 2000 Boston Marathon, the Millennial marathon, this fictional mystery novel is also a love story, family drama, and uplifting tale of the human spirit that explores the history of women's running in page-turning fashion. "A great story of three amazing women."—Bill

Rodgers, four-time winner of the Boston Marathon “Moves faster than a speeding bullet through the streets of Boston.”—Katherine Switzer, first registered woman runner of the Boston Marathon (1967) “An entertaining, fast-paced mystery thriller.”—Jack Fultz, winner of the 1976 Boston Marathon “A magical story!”—Uta Pippig, three-time Boston Marathon women’s champion (1993-1995)

*Implementing OpenStack SwiftHLM with IBM Spectrum Archive EE or IBM Spectrum Protect for Space Management* Khanh Ngo, Harald Seipp, Slavisa Sarafijanovic, Dominic Miller-Wicke, Simon Lorenz, Takeshi Ishimoto, Larry Coyne, IBM Redbooks, 2017-06-27

The Swift High Latency Media project seeks to create a high-latency storage back end that makes it easier for users to perform bulk operations of data tiering within a Swift data ring. In today's world, data is produced at significantly higher rates than a decade ago. The storage and data management solutions of the past can no longer keep up with the data demands of today. The policies and structures that decide and execute how that data is used, discarded, or retained determines how efficiently the data is used. The need for intelligent data management and storage is more critical now than ever before. Traditional management approaches hide cost-effective, high-latency media (HLM) storage, such as tape or optical disk archive back ends, underneath a traditional file system. The lack of HLM-aware file system interfaces and software makes it difficult for users to understand and control data access on HLM storage. Coupled with data-access latency, this lack of understanding results in slow responses and potential time-outs that affect the user experience. The Swift HLM project addresses this challenge. Running OpenStack Swift on top of HLM storage allows you to cheaply store and efficiently access large amounts of infrequently used object data. Data that is stored on tape storage can be easily adopted to an Object Storage data interface. This IBM® Redpaper™ publication describes the Swift High Latency Media project and provides guidance for installation and

configuration.

With her rep, she could take on high paying jobs and farm them out to other capable teams, minus a small cut as a finder's fee. Everyone wins, and no one's the wiser...unless someone makes the wrong call.And when a run goes south, Keandra and her team must scramble to salvage more than just their reputations. *The Running Moon* Brett Hayes, 2014-07-15 The problems of the black community have for too long been the topic of forums, books, sermons, and political agendas that concluded with perpetual plans of future forums, books, sermons, and political agendas with no concrete plans of actions to halt the profuse bleeding that ensures the demise of the poor. In *Martin Luther King Bullseye: Imploding Communities*, author Etta B. Harbin provides practical solutions to the myriad of problems that plague boulevard residents. According to the author, the billion-dollar efforts of outside entities to infuse equitability have failed to demolish the barriers that preclude income equality, closure of academic gaps, and judicial fairness because the root cause of the problem is embedded within the community. It is Etta's position that external entities can assist, but never solve problems that are of internal origin. With occasional poetic rhythm, rhyme, history, and always a gist of humor, she provides ten practical solutions that guarantee the uplifting of the community as she moves from a problem-centered approach to a people-centered solution.

Run at Destruction Lynda Drews, 2009 Deeply immersed in the close-knit culture of long-distance running, Pam and Bob Bulik were avid competitors. To all appearances, they were also a happily married couple, devoted to each other and their two young children. Then Bob made a fateful decision. He began an extramarital affair that led to his wife's tragic death and to one of the most sensationalized and heavily attended trials in Green Bay's history. --Cover.
