Made From Scratch Kent Taylor,2021-08-24 * An Instant Wall Street Journal Bestseller * From founder Kent Taylor, the incredible made-from-scratch success story of Texas Roadhouse. In *Made From Scratch*, the late business maverick Kent Taylor tells the legendary story of Texas Roadhouse and in the process reveals its recipe for success: embracing unorthodox business practices. Because isn't it a little unusual for a company to do almost no advertising? Is it wild to give away free peanuts and rolls and keep prices low, even as costs rise, or to keep the menu basically the same since it opened? Does it fly in the face of reason to prohibit coats and ties at headquarters and to have a CEO who dressed like he was part of the landscaping crew? These business practices might be unconventional, but for Kent and Texas Roadhouse, they worked. What Kent and his Roadies cooked up is an island of misfits who are cool with being different. They love to have fun, but are serious about following meticulous recipes to serve up hand-cut steaks, fall-off-the-bone ribs, made-from-scratch sides, ice-cold beer, and irresistible fresh-baked bread. It's Legendary Food, Legendary Service, the Texas Roadhouse way. To show how this company became a staple of American dining and survived a once-in-a-lifetime pandemic, Kent took a trip back in time to offer the lessons learned from his pathbreaking life, revealing how a distracted kid from Louisville, Kentucky, created anything worthwhile at all.

From Scratch Tembi Locke, 2020-02-04 Now a limited Netflix series starring Zoe Saldana! This Reese Witherspoon Book Club Pick and New York Times bestseller is "a captivating story of love lost and found" (Kirkus Reviews) set in the lush Sicilian countryside, where one woman discovers the healing powers of food, family, and unexpected grace in her darkest hours. It was love at first sight when actress Tembi met professional chef, Saro, on a street in Florence. There was just one problem: Saro's traditional Sicilian family did not approve of his marrying a black American woman. However, the couple, heartbroken but undeterred, forged on. They built a happy life in Los Angeles, with fulfilling careers, deep friendships, and the love of their lives: a baby girl they adopted at birth. Eventually, they reconciled with Saro's family just as he faced a formidable cancer that would consume all their dreams. *From Scratch* chronicles three summers Tembi spends in Sicily with her daughter, Zoela, as she begins to piece together a life without her husband in his tiny hometown hamlet of farmers. Where once Tembi was estranged from Saro's family, now she finds solace and nourishment—literally and spiritually—at her mother-in-law's table. In the Sicilian countryside, she discovers the healing gifts of simple fresh food, the embrace of a close knit community, and timeless traditions and wisdom that light a path forward. All along the way she reflects on her and Saro's romance—an incredible love story that leaps off the pages. In Sicily, it is said that every story begins with a marriage or a death—in Tembi Locke's case, it is both. "Locke's raw and heartfelt memoir will uplift readers suffering from the loss of their own loved ones" (Publishers Weekly), but her story is also about love, finding a home, and chasing flavor as an act of remembrance. *From Scratch* is for anyone who has dared to reach for big love, fought for what mattered most, and those who needed a powerful reminder that life is...delicious.

The Bravest Hunter Michael Newell,2020-05-13 This book explains how Native American Casinos became the largest group of casinos in America as a result of the efforts of Congress, the National Indian Gaming Commission, and the creative management companies and game suppliers that served the tribes. This book is the biography of Gordon Graves, whom many consider being the Father of Indian Gaming. It tracks his early career in military electronics as the field matured from using large analog machines to inventing and utilizing digital computers. Graves then transformed his career as an accomplished engineer involved with military systems to become an entrepreneur in numerous fields, concluding in Indian gaming while building a business (Multimedia Games) worth over a billion dollars. Graves saw the future for Indian gaming and fought alongside the Indians through the courts to develop the industry into what it is today, a forty billion-dollar business. It was a wild ride!

Texas Is the Reason: The Mavericks of Lone Star Punk ,2020-02-14 Arriving in 1978, hitched to the back of the Sex Pistols tour bus, punk soon became as mythic in Texas as the state's devotion to football, cattle, and prayer. Confrontational renegades like the Huns, the Big Boys, and the Dicks led a defiant new era of blood, sweat, and cross-dressing cowboys. Austin son Pat Blashill grabbed a camera and began shooting local punk bands, uncovering a story of desperation and creative deliverance, set in trailer parks, low-rent shared housing, and wild, Texas bucket-of-beer bars. Along the trail Blashill befriended and photographed the Big Boys, the Dicks, Butthole Surfers. Poison 13, the Hickoids, the Offenders, Scratch Acid, Daniel Johnston, Doctors' Mob, Glass Eye, and others. As Austin became a mecca for live music, he captured equally iconic images of touring bands including Sonic Youth, Devo, Samhain, Soul Asylum, the Replacements, and the Dead Kennedys. More than two hundred of Blashill's deep black and white photos are joined here by essays from director Richard Linklater (Slacker/School of Rock); singer David Yow (Scratch Acid/Jesus Lizard); drummer Teresa Taylor (Butthole Surfers); and local luminaries Adriane Ash Shown and Donna Rich. True mavericks banded together to make a stand, and?Texas Is the Reason.

Life in The Sisters, Texas has not changed much since sheıs been gone, but at least her best friend Genesis is there to soften the transition back into small-town life. To make ends

Her first real client is Ronny Gleason, but when she shows up for the first day of work at the Gleason Poultry Farm, Madison makes a gruesome discovery. The dead body she finds belongs to Mr. Gleason. When a local man is arrested for murder, his mother tries to hire Madison to exonerate him. Even though she explains she is no private investigator, Madison takes the job anyway. Both mothers are desperate, after all: Lucy Ngyen to clear her son's name, and Madison to pay her bills. But as she begins asking questions around town, someone makes it clear they want her to stop. With a daughter determined to go back to Dallas, a son settling into small town life, a feisty grandmother who knows all the town gossip, bill collectors calling, and now someone trying to keep her silent, Madison has no time for re-kindling her high school crush with police Chief Brash deCordova. She has her hands full just trying to stay alive. If she survives her amateur investigation, Maddy has a decision to make. Will she go back to her life in Dallas, or will she build a new life here in The Sisters?
