Thank You, Mr. Falker Patricia Polacco,2012-04-12 The real-life, classic story of a dyslexic girl and the teacher who would not let her fail. A perfect gift for teachers and for reading students of any age. Patricia Polacco is now one of America's most loved children's book creators, but once upon a time, she was a little girl named Trisha starting school. Trisha could paint and draw beautifully, but when she looked at words on a page, all she could see was jumble. It took a very special teacher to recognize little Trisha's dyslexia: Mr. Falker, who encouraged her to overcome her reading disability. Patricia Polacco will never forget him, and neither will we. This inspiring story is available in a deluxe slipcased edition, complete with a personal letter to readers from Patricia Polacco herself. Thank You, Mr. Falker will make a beautiful gift for the special child who needs encouragement&150or any special teacher who has made a difference in the child's life.

No More Mr Nice Guy Dr Robert A Glover,2022-11-02 Originally published as an e-book that became a controversial media phenomenon, No More Mr. Nice Guy! landed its author, a certified marriage and family therapist, on The O'Reilly Factor and the Rush Limbaugh radio show. Dr. Robert Glover has dubbed the Nice Guy Syndrome trying too hard to please others while neglecting one's own needs, thus causing unhappiness and resentment. It's no wonder that unfulfilled Nice Guys lash out in frustration at their loved ones, claims Dr. Glover. He explains how they can stop seeking approval and start getting what they want in life, by presenting the information and tools to help them ensure their needs are met, to express their emotions, to have a satisfying sex life, to embrace their masculinity and form meaningful relationships with other men, and to live up to their creative potential.
