Donna McDonald

T. E. X. T. M. E. 2 Bianca Jade Caldwell, 2014-01-16 This is the story of how a simple email, turned text message, turned into a love affair of the mind, body, soul and heart. When it actually started and if it ever ends is something no one can predict yet. The man and the woman have names however you will rarely see them used which makes this even more curious because this could be anyone's story, from any walk of life and therefore it is up to the reader to decide whether this story is fact or fiction. A man, a woman, years of silent admiration and curiosity explode into an uncontrollable frenzy of emotions trying to be squelched and even ignored and a physical passion to rival any past, present or future loves they've encountered. She had no other choice but to submit, and with that thought, she broke out into giggles. He held her at arm's length and looked her in the eye, "what's so funny?" "Us!" "Here I am trying to run away from you and I run into you, I can't even escape you on the dance floor. You're finally getting your wish for me to submit", Gabriella said. He had to admit, it was humorous more than she even knew, but he was happy to hear she was willing to submit, finally! "Come back to my condo" he whispered in her ear. "No, no I can't. It's not that I don't want to, it would be nice, but..." She said. "You could come home with me, if you wanted to, do you?" "What do you think?" he said.

Text Me when You Get Home Kayleen Schaefer, 2018 'Text me when you get home.' After joyful nights out together, female friends say this to one another as a way of cementing their love. It's about safety but, more than that, it's about solidarity. A validation of female friendship unlike any that's ever existed before, *Text Me When You Get Home* is a mix of historical research, the author's own personal experience, and conversations about friendships with women across the country. Everything Schaefer uncovers reveals that these ties are making us, both as individuals and as society as a whole, stronger than ever before.

Text Me Jeffrey Schein, 2019-10-24 Common sense tells us that technology can either be a blessing or curse in our lives. The assertion flows easily but deceptively from us. Beneath the flowing assertion, lay many cross currents and much complexity. These complexities are named and laid out for individual and group exploration throughout the book. They provide mirrors for the reader and groups of readers to discover their own affirmations and arguments with their own digital profiles based on Jewish/humanistic religious values. The iterative analysis points back to the double-entendre in the book's title, text me can be a command to engage in the famously quick communication as in receiving a text on our smart phones and text me can also serve as an imperative to explore the wisdom contained in Jewish texts. The synergies, gaps, creative tensions, and paradoxes living within this double use of "text me" permeate the volume. Though rooted in Jewish sources the tools of analysis can be used by Christians, Muslims, and people who describe themselves as "spiritual but not religious." Indeed, the book is an invitation to all who live in the digital age which is to say all of us. Commentaries provided by scholars of all three of the western, monotheistic faiths highlight this universal dimension.

I'm done with that. Honestly. I'm just looking for some casual sex. All I'm interested in is a one-night stand, or several—not all of them with you. Meet Will: I'm reeling from a recent divorce and incapable of having a meaningful relationship, possibly even a meaningful conversation. The only upside to my situation is that after fifteen years of monogamy I get to chase all the strange I want. He's freshly divorced and in denial. She's twice-burnt and prickly. They're a terrible idea. They know this. But every time their eyes meet, their clothes come off. Still—they're not going to fall in love. They are not. Not even if this one night stand has 365 days.

So when she starts texting Noel about how much she hates him, he decides to have a little fun with her. The last thing he expects is for her to turn his world upside-down. But that's exactly what happens as the pair start sharing their deepest secrets and their greatest fears, and Noel discovers he can share so much more via text than he can in person. Delayed Valentine M. Jane Colette,2018-02-05 Meet Will and Florence. He's freshly divorced and in denial. She's twice-burnt and prickly. They're a terrible idea. They know this. But every time their eyes meet, their clothes come off. Experience their unique, hilarious, and heart-wrenching love story in the four episodes of *Text Me, Cupid*: a (slightly dirty) love story for 21st century adults. In Episode 2: *Delayed Valentine*, Will gets his hard-won Valentine's Date with Florence. And she's almost excited about it. She even buys him flowers. Really. And then... "Florence." She loved the way he said her name. "I can't believe you followed me into the washroom." "Shh. I figured out what was wrong," he said. His face was still hidden in her hair. She couldn't see him. He couldn't

see her. She closed her eyes and felt the tears come. He kissed her neck. "We didn't," he said, and lifted her hair up a little, kissed her neck lower, "really say," he yanked at her dress's neckline and kissed her shoulder, then her back, "say hello properly." She swivelled around to face him, to find his lips, then remembered her tears and tried to turn back around. He swivelled her back. Kissed a cheek, then the other, then her nose. "I wish you hadn't put on make-up," he said. "I want to devour your eyes." "I can wash my face," she said. "Do it," he said. And bent her over the sink.
