The Billion Dollar Spy David E. Hoffman,2016-05-10 NATIONAL BESTSELLER • A Washington Post Notable Book of the Year • Drawing on previously classified CIA documents and on interviews with firsthand participants, *The Billion Dollar Spy* is a brilliant feat of reporting and a riveting true story of intrigue in the final years of the Cold War. It was the height of the Cold War, and a dangerous time to be stationed in the Soviet Union. One evening, while the chief of the CIA's Moscow station was filling his gas tank, a stranger approached and dropped a note into the car. The chief, suspicious of a KGB trap, ignored the overture. But the man had made up his mind. His attempts to establish contact with the CIA would be rebuffed four times before he thrust upon them an envelope whose contents would stun U.S. intelligence. In the years that followed, that man, Adolf Tolkachev, became one of the most valuable spies ever for the U.S. But these activities posed an enormous personal threat to Tolkachev and his American handlers. They had clandestine meetings in parks and on street corners, and used spy cameras, props, and private codes, eluding the ever-present KGB in its own backyard—until a shocking betrayal put them all at risk.

How to Text a Girl Bruce Glover,2019-12-08 You're So Close From A Date With Her... ★★ Do you know that text a girl could be SIMPLE? Would you like to learn it? If so then keep reading. ★★ This easy-to-use, step-by-step guide shows you how to text a girl, what to text, and when to text it to her. You might be messing up with your chances to get a lovely lady to date, when you make calls that you do not know where to go next after the initial greeting and how are you doing part of the call. You should not burry yourself in bad experiences that you have gone through so far, because here is an eBook that will give you a different direction of introducing yourself to lovely women and striking a conversation that will lead to a productive date. The solution that this book provides is in the techniques of texting, because you do not have to reach to a lady through a call only. Texting can do wonders when done in the right way, and that is what we are going to show you in this book. We know facing a lady for the first time is always very nervous and this is where many men fail, when they walk away feeling like losers and the ladies are left wondering what a coward you are. The information in this book has been narrowed down to using texting as a tool to lure a lady and make her want to be with you and stick with you as your woman. When used properly, texting will reveal the kind of person you are and the lady will be able to know the kind of a man she is giving her time to. Eventually she will make her mind whether to agree to your request or simply throw your pleas to the usual dustbin of losers. The battle starts when you plan to engage a certain lady in a conversation, because the process of asking her for the number is an action that gives many men Goosebumps. Not to worry, we will show you how to take that first step and get the vital number that will link you to that lovely lady who is giving you sleepless nights when you think of how lovely she is, and how much you want to spend time with her. We however need to get some facts right before we get too much into the power of texting when you want a woman. Your

failure to get the lady you want may be due to poor interaction or communication techniques, and the fact that you can type some lovely words on your Smartphone instead of voicing them does not guarantee that the lady will accept your requests. You need to do it right to get her attracted to you. The rejection you may have been facing could be as a result of your approach, and that is what you need to change when it comes to texting. The texting style should create enough rapport and attraction for the lady you want to spend your precious time with, and the effort should not go down the drain because the connection of the hard work should be solid. Have a look at how you are supposed to initiate a conversation that will lead to great friendship. This book gives a comprehensive guide on the following: * The approach * Getting her phone number the right way * The perfect first text * Structure of an effective text messaging plan * Bad text messaging behaviors * Turn her on through texts * Sexualizing text messages * Avoid getting rejected by text message * Playing the game with roles * Do's and don'ts: how to be a gentleman * Turning a text into a date * Starting a long-term relationship... Busting the Barricades Laura Ingraham, 2017-10-10 Previously published as *Billionaire at the Barricades*. Americans didn't just go to the polls in 2016. They joined a movement that swept the unlikeliest of candidates, Donald Trump, into the Oval Office. Can he complete his agenda? Or will his opponents in the media, protestor class, and political establishment block his efforts and choke off the movement he represents? In *Busting the Barricades*, Laura Ingraham gives readers a front row seat to the populist revolution as she witnessed it. She reveals the origins of this movement and its connection to the Trump presidency. She unmasks the opposition, forecasts the future of the Make America Great Again agenda and offers her own prescriptions for bringing real change to the swamp of Washington. Unlike most of her media colleagues, Ingraham understood Trump's appeal and defied those who wrote his political obituary. Now she confronts the president's critics and responds to those who deny the importance of his America First agenda. With sharp humor and insight she traces the DNA of the populist movement: from Goldwater's 1964 campaign, to Nixon's Silent Majority, to Reagan's smashing electoral victories. Populism fueled the insurgency campaigns of Buchanan and Perot, the election of George W. Bush, and the Tea Party rallies of the Obama presidency. But a political novice—a Manhattan billionaire—proved to be the movement's most vocal champion. This is the inside story of his victory and the fitful struggle to enact his agenda.

B-24 Bridge Busters Colin Pateman, 2017-01-20 *B-24 Bridge Busters: RAF Liberators over Burma and Thailand* provides a gripping and detailed account of RAF Liberator missions against the Japanese in Asia. British and Commonwealth aircrews displayed great gallantry in many instances on low-level precise bombing sorties destroying specific targets, including a great number of bridges constructed by the Japanese in their conquest to reach India. A number of detailed accounts are based upon personal flying logbooks and other unique material originating from the pilots and aircrews. 159 Squadron was the first four engined heavy bomber squadron which flew from India and operated over Burma. They instigated greater accuracy in destroying a multitude of vital targets. The legendary film *The Bridge over the River Kwai* (1957) evokes images that are historically set in celluloid; however, that blockbusting film had separated fact from fiction and this book examines the true events that took place through Bridge Busting, including techniques developed and deployed by the RAF against the Japanese.

Swamp Kings Jason Ryan, 2024-04-02 The stranger-than-fiction story of the now-notorious Lowcountry clan, in all its Southern Gothic intensity—by an author with unparalleled access to and knowledge of the players, the history, and the place. The most

famous man in South Carolina lives in prison. He stands convicted of a staggering amount of wrongdoing—more than 100 crimes and counting. Once a high-flying, smooth-talking, pedigreed Southern lawyer, Alex Murdaugh is now disbarred and disgraced. For more than a decade, prosecutors asserted that Alex was secretly a fraud, a thief, a drug trafficker, and an all-around phony. On the night of June 7, 2021, they claimed, he also became a killer, shooting dead his wife and son in a desperate bid to escape accountability. The many crimes of Alex Murdaugh, exposed piecemeal over the last two years, have appalled the general public. Yet his implosion—the spectacular manner in which he has turned his vaunted family name to mud—has also proved mesmerizing. With every revelation, Alex Murdaugh has been shown to be a man without bottom, though he insists he never harmed his family. Remarkably, all of his misdeeds have precedent. In *Swamp Kings*, Jason Ryan reveals Alex's evil actions are only the tip of the iceberg. When it comes to the Murdaugh family of Hampton County, history has a way of repeating itself. For every alleged, headline-grabbing crime associated with Alex Murdaugh, mirror-image incidents have played out within his family's past, including parallel instances of fraud, theft, illicit trafficking of babies and booze, calamitous boat crashes, and even alleged murder. There were some crimes committed by Alex's kin that even he would not dare mimic. Covering a century of depravity in an impoverished and isolated stretch of the Deep South, *Swamp Kings* weaves together the jaw-dropping narratives of generations of Murdaughs before culminating in the telling of a murder trial for the ages. Page after page the family's legacy is laid bare as a spotlight is finally trained on the Murdaugh men who have long lorded over the South Carolina Lowcountry.

Deadline John Sandford, 2014-10-09 From the Pulitzer Prize-winning author comes a brand new Virgil Flowers thriller that will keep you gripped until the very last page. Barns, the chairman, looked around the room and said, 'Okay. We can do this. Let's see a show of hands. It's unanimous, or it's prison. Do we kill Clancy Conley?' They all looked around at each other, each of them reluctant to go first. Then the fat man raised his hand, and then Kerns, and then the rest of them. 'It's unanimous,' Barns said. In southeast Minnesota, down on the Mississippi, a school board meeting is coming to an end. The board chairman announces that the rest of the meeting will be closed, due to personnel issues. Issues is correct. The proposal up for a vote before them is whether to authorize the killing of a local reporter. There are no votes against. Meanwhile, not far away, Virgil Flowers is helping out a friend by looking into a dognapping, which seems to be turning into something much bigger and uglier -- a team of dognappers supplying medical labs -- when he gets a call from Lucas Davenport. A murdered body has been found -- and the victim is a local reporter...
