This book provides tips for easy messaging and contains a compilation of acronyms which are used instead of whole phrases, using just the first letter of each word. The book is an interesting guide to those who would like to convey jokes, one-liners, riddles, through text messaging.

The Billion Dollar Spy David E.

Hoffman, 2016-05-10 NATIONAL BESTSELLER • A

Washington Post Notable Book of the Year • Drawing on previously classified CIA documents and on interviews with firsthand participants, *The Billion Dollar Spy* is a brilliant feat of reporting and a riveting true story of intrigue in the final years of the Cold War. It was the height of the Cold War, and a dangerous time to be stationed in the Soviet Union. One evening, while the chief of the CIA's Moscow station was filling his gas tank, a stranger approached and dropped a note into the car. The chief, suspicious of a KGB trap, ignored the overture. But the man had made up his mind. His attempts to establish contact with the CIA would be rebuffed four times before

he thrust upon them an envelope whose contents would stun U.S. intelligence. In the years that followed, that man, Adolf Tolkachev, became one of the most valuable spies ever for the U.S. But these activities posed an enormous personal threat to Tolkachev and his American handlers. They had clandestine meetings in parks and on street corners, and used spy cameras, props, and private codes, eluding the ever-present KGB in its own backyard—until a shocking betrayal put them all at risk.

Description

Busting the Barricades Laura Ingraham,2017-10-10
Previously published as Billionaire at the Barricades. Americans didn’t just go to the polls in 2016. They joined a movement that swept the unlikeliest of candidates, Donald Trump, into the Oval Office. Can he complete his agenda? Or will his opponents in the media, protestor class, and political establishment block his efforts and choke off the movement he represents? In Busting the Barricades, Laura Ingraham gives readers a front row seat to the populist revolution as she witnessed it. She reveals the origins of this movement and its connection to the Trump

presidency. She unmask the opposition, forecasts the future of the Make America Great Again agenda and offers her own prescriptions for bringing real change to the swamp of Washington. Unlike most of her media colleagues, Ingraham understood Trump's appeal and defied those who wrote his political obituary. Now she confronts the president's critics and responds to those who deny the importance of his America First agenda. With sharp humor and insight she traces the DNA of the populist movement: from Goldwater's 1964 campaign, to Nixon's Silent Majority, to Reagan's smashing electoral victories. Populism fueled the insurgency campaigns of Buchanan and Perot, the election of George W. Bush, and the Tea Party rallies of the Obama presidency. But a political novice—a Manhattan billionaire—proved to be the movement's most vocal champion. This is the inside story of his victory and the fitful struggle to enact his agenda.

B-24 Bridge Busters Colin Pateman, 2017-01-20
B-24 Bridge Busters: RAF Liberators over Burma and Thailand provides a gripping and detailed account of RAF Liberator missions against the Japanese in Asia. British and Commonwealth aircrews displayed great gallantry in many instances on low-level precise bombing sorties destroying specific targets, including a great number of bridges constructed by the Japanese in their conquest to reach India. A number of detailed accounts are based upon personal flying logbooks and other unique material originating from the pilots and aircrews. 159 Squadron was the first four engined heavy bomber squadron which flew from India and

operated over Burma. They instigated greater accuracy in destroying a multitude of vital targets. The legendary film *The Bridge over the River Kwai* (1957) evokes images that are historically set in celluloid; however, that blockbusting film had separated fact from fiction and this book examines the true events that took place through *Bridge Busting*, including techniques developed and deployed by the RAF against the Japanese.

The Village Vet Cathy Woodman, 2012-04-26 The fifth book in Cathy Woodman's hugely popular Talyton St George series Each book in the Talyton St George series can be read as a standalone novel, but when Cathy first had the idea of writing about a vet practice, she intended it to be a trilogy about two vets - Maz and Alex. Their names are in brackets to show which books feature their story. All the other books have new characters, although Maz and Alex always crop up now and again. Talyton St George, the story so far: *Trust Me, I'm a Vet* (Maz and Alex) *Must Be Love* (Maz and Alex) *The Sweetest Thing It's a Vet's Life* (Maz and Alex) *The Village Vet* Vets in Love Country Loving The Three of Us (Digital short story, companion to *Follow Me Home*) *Follow Me Home* 'Woodman's warmth and wit are set to make her the next big thing in rural romance' - Daily Record 'An utterly compelling read with moments that brought tears to my eyes. I would definitely recommend it' - Candis 'Woodman weaves a beguiling tale grounded in her own experience' - Choice 'Great fun' - Sun

Swamp Kings Jason Ryan, 2024-04-02 The stranger-

than-fiction story of the now-notorious Lowcountry clan, in all its Southern Gothic intensity—by an author with unparalleled access to and knowledge of the players, the history, and the place. The most famous man in South Carolina lives in prison. He stands convicted of a staggering amount of wrongdoing—more than 100 crimes and counting. Once a high-flying, smooth-talking, pedigreed Southern lawyer, Alex Murdaugh is now disbarred and disgraced. For more than a decade, prosecutors asserted that Alex was secretly a fraud, a thief, a drug trafficker, and an all-around phony. On the night of June 7, 2021, they claimed, he also became a killer, shooting dead his wife and son in a desperate bid to escape accountability. The many crimes of Alex Murdaugh, exposed piecemeal over the last two years, have appalled the general public. Yet his implosion—the spectacular manner in which he has turned his vaunted family name to mud—has also proved mesmerizing. With every revelation, Alex Murdaugh has been shown to be a man without bottom, though he insists he never harmed his family. Remarkably, all of his misdeeds have precedent. In *Swamp Kings*, Jason Ryan reveals Alex's evil actions are only the tip of the iceberg. When it comes to the Murdaugh family of Hampton County, history has a way of repeating itself. For every alleged, headline-grabbing crime associated with Alex Murdaugh, mirror-image incidents have played out within his family's past, including parallel instances of fraud, theft, illicit trafficking of babies and booze, calamitous boat crashes, and even alleged murder. There were some crimes committed by Alex's kin

that even he would not dare mimic. Covering a century of depravity in an impoverished and isolated stretch of the Deep South, Swamp Kings weaves together the jaw-dropping narratives of generations of Murdaughs before culminating in the telling of a murder trial for the ages. Page after page the family's legacy is laid bare as a spotlight is finally trained on the Murdaugh men who have long lorded over the South Carolina Lowcountry.

Deadline John Sandford, 2014-10-09 From the Pulitzer Prize-winning author comes a brand new Virgil Flowers thriller that will keep you gripped until the very last page. Barns, the chairman, looked around the room and said, 'Okay. We can do this. Let's see a show of hands. It's unanimous, or it's prison. Do we kill Clancy Conley?' They all looked around at each other, each of them reluctant to go first. Then the fat man raised his hand, and then Kerns, and then the rest of them. 'It's unanimous,' Barns said. In southeast Minnesota, down on the Mississippi, a school board meeting is coming to an end. The board chairman announces that the rest of the meeting will be closed, due to personnel issues. Issues is correct. The proposal up for a vote before them is whether to authorize the killing of a local reporter. There are no votes against. Meanwhile, not far away, Virgil Flowers is helping out a friend by looking into a dognapping, which seems to be turning into something much bigger and uglier -- a team of dognappers supplying medical labs -- when he gets a call from Lucas Davenport. A murdered body has been found -- and the victim

is a local reporter...

Book #1 in a trilogy from fantasy author Wayne Thomas Batson explores the concept of dreams and their effects on us. People are fascinated by dreams, and the Bible has a great deal to say about them. From Jacob's dream of the heavenly stairway in Genesis 28 to angels visiting Joseph during dreams in Matthew 1 to the Apostle John's "waking dream" from which he obtained the book of Revelation—dreams have been powerful ingredients of God's plan as revealed through Scripture. Fourteen-year-old Archer Keaton discovers he has the ability to enter and explore his dreams. He is a dreamtreader, one of three selected from each generation. Their mission: to protect the waking world from the Nightmare Lord, who wreaks chaos in the Dream World. But as Archer's dreams become more dangerous and threatening, so too does his

waking life. Rigby Thames, the new kid from England, builds a suspicious rock star-like following at Dresden High School a little too quickly. Even Archer's best friend and confidant, Kara Windchil, seems taken in by the cool guy with the wild blond hair, which definitely rubs Archer the wrong way. Archer must face two foes in two worlds, but he cannot succeed alone. Archer sets off to find other dreamtreaders in a desperate attempt to defeat the enemy terrorizing his friends and family.
