*TGT* Randolph Christopher Longstreet, 2016-01-05 When Phillip Anderson walks in on his

eight-year-old son Brandon, who is mimicking ballet dancers on television, Phillip is shocked, and believes that his youngest son is showing gay tendencies. After all, Phillip is a six-foot eight-inch former college football player. Since Brandon also shows remarkable athletic ability, Phillip encourages his youngest son to become an athlete. He immerses Brandon in sports, which Phillip believes will direct his son properly into manhood and away from the path of being a “sissy boy.” Brandon develops into a celebrated high school quarterback, only to then face the realization in his teens that he is gay. TGT handles the subject sensitively and offers an insightful read for parents, young adults, and middle and high school students.
