Adele Reinhartz

Bible and Cinema: Fifty Key Films Adele Reinhartz,2013 Bible and Cinema: Fifty Key Films introduces a wide range of those movies - among the most important, critically-acclaimed and highest-grossing films of all time - which have drawn inspiration, either directly or indirectly, from the Bible.

Hollywood and the Bible Benjamin Sambul,2019-07-29 Hollywood has been putting out Bible movies since the Silent Era. This amazing new book, *Hollywood and the Bible*, is your guide for some of the most memorable Bible films from the past century. They're all in here, from the big-budget extravaganzas to the hopeful near-misses. Focusing on the Old Testament, but including a glossary of mostly all Biblical films ever made, this reference guide is a must-read for Bible movie aficionados. The main chapter, of course, is about DeMille's 1956 epic *The Ten Commandments*, the standard-bearer by which all other Bible movies are judged against. Many people only know of this Bible film, but it wasn't the first nor will it be the last. There are many other enjoyable Biblical movies, and this excellent book offers detailed analyses of the more important films of this genre. So relax and enjoy as you go back in time!

Bible and Cinema Adele Reinhartz,2022-03-30 Bible and Cinema: An Introduction is a comprehensive examination of how the Bible has been used and represented in mainstream cinema to develop its plots, characters, and themes. The book considers two general types of films: Bible movies that retell biblical stories, such as the Exodus and the life of Jesus, and Bible-related movies that make use of biblical books, stories, verses, and figures, and Bibles themselves to tell non-biblical, often fictional, narratives. Topics covered include: the contribution of Bible and Bible-related movies to the history of the Bible's reception; the ways in which filmmakers make use of scripture to address and reflect their own time and place; the Bible as a vehicle through which films can address social and political issues, reflect human experiences and emotions, explore existential issues such as evil and death, and express themes such as destruction and redemption; the role of the Bible as a source of ethics and morality, and how this role is both perpetuated and undermined in a range of contemporary Hollywood films; and film as a medium for experiences of transcendence, and the role of the Bible in creating such experiences. This thoroughly updated second edition includes insightful analysis of films such as *Noah*, *Gods and Men*, *Mary Magdalene*, and *The Shawshank Redemption*, paying attention to visual and aural elements as well as plot, character, and dialogue. The book also includes pedagogical resources including discussions of film theory, as well as key words and discussion questions. Teachers, students, and anyone interested in the intersection of Bible and cinema will find this an invaluable guide to a growing field.

The Bible on the Big Screen J. Stephen Lang,2007 The Bible on the Big Screen gives movie buffs a comprehensive, chronological list of all biblical movies ever made, including interesting trivia and answers to intriguing questions.

The First Book of Moses, Called Genesis ,1999 Hailed as the most radical repackaging of the Bible since Gutenberg, these Pocket Canons give an up-close look at each book of the Bible.

Holy Horror Steve A. Wiggins,2018-12-14 What, exactly, makes us afraid? Is it monsters, gore, the unknown? Perhaps it's a biblical sense of malice, lurking unnoticed in the corners of horror films. *Holy Writ* attempts to ward off aliens, ghosts, witches, psychopaths and demons, yet it often becomes a source of evil itself. Looking first at *Psycho* (1960) and continuing through 2017, this book analyzes the starring and supporting roles of the Good Book in horror films, monster movies and thrillers to discover why it incites such fear. In a culture with high biblical awareness and low biblical literacy, horrific portrayals can greatly influence an audience's canonical beliefs.

Watching Movies with Christian Eyes Susan Maluschka,2019-04-04 Many people don't like to watch movies or have time to do so. That's okay. This book is not about watching movies. It's about looking at how you live your life and what you want for your future. Movies are just stories about life so even if you don't watch them, you can still learn from them here. Some of life's most important lessons are learned through stories. What better way to hear these stories than on the big screen? Movies draw us in and touch our lives in ways we never imagined. The best part is that our supply is limitless. Here we have stories for all ages. As we watch the characters on the screen, we see ourselves; our need for love and understanding, hope for the future, or wish for revenge against someone who wronged us. We see how the characters on the screen deal with these emotions, but as Christians, how should we deal with ours? In this study, movies from different times and different genres offer us an opportunity to delve into the Bible and see the choices our heavenly Father wants us to make under similar circumstances. Each lesson will review one or more aspects of the movie and provide an opportunity for reflection or discussion. Bible passages are also referenced to enhance understanding. Now that we have this information, what do we do with it? Odds are that people around you every day are looking for this information as well. What a comfortable way to share your faith with your friends, co-workers, or neighbors while you discuss the latest flick. These Bible studies can be taught to a group of people or they can be done individually. Popcorn is optional.

Jesus of Nazareth Beginning before the Nativity, and extending through the Crucifixion and Resurrection, Jesus of Nazareth brings to life all the majesty and sweeping drama of the life of Jesus as told in the Gospels. The film provides the setting and background for the birth, childhood, baptism, teaching, and many miracles of the Messiah, culminating in the Resurrection.

Jesus at the Movies W. Barnes Tatum,2004 An exhaustively-researched viewers guide to movies about Jesus. Barnes Tatum guides the reader film-by-film from Sidney Olcott's silent classic *From the Manager to the Cross* through Mel Gibson's *The Passion of the Christ*. The Bible in Motion Rhonda Burnette-Bletsch,2016-09-12 This two-part volume contains a comprehensive collection of original studies by well-known scholars focusing on the Bible's wide-ranging reception in world cinema. It is organized into sections examining the rich cinematic afterlives of selected characters from the Hebrew Bible and New Testament; considering issues of biblical reception across a wide array of film genres, ranging from noir to anime; featuring directors, from Lee Chang-dong to the Coen brothers, whose body of work reveals an enduring fascination with biblical texts and motifs; and offering topical essays on cinema's treatment of selected biblical themes (e.g., lament, apocalyptic), particular interpretive lenses (e.g., feminist interpretation, queer theory), and windows into biblical reception in a variety of world cinemas (e.g., Indian, Israeli, and Third Cinema). This handbook is intended for scholars of the Bible, religion, and film as well as for a wider general audience.

Cinéma Divinité Eric S. Christianson,Peter Francis,William Telford,2005 This is a source book for all areas of study from undergraduate to postgraduate. General theory and critiques are discussed, with additional information set out for readers who require it; and specifics of films set out in user-friendly case studies. Each new discussion has an introduction to the subject from the author.

Truth in Translation Jason BeDuhn,2003 *Truth in Translation* is a critical study of Biblical translation, assessing the accuracy of nine English versions of the New Testament in wide use today. By looking at passages where theological investment is at a premium, the author demonstrates that many versions deviate from accurate translation under the pressure of theological bias.

Reversed Thunder Eugene H. Peterson,2011-10-25 Peterson's eloquent meditation on the Revelation of St. John engages the imagination and awakens the intellect to the vitality and relevance of the last words on scripture, Christ, church, worship, evil, prayer, witness, politics, judgment, salvation, and heaven.

100 Bible Films Matthew Page,2022-05-19 From *The Passion of the Christ* to *Life of Brian*, and from *The Ten Commandments* to *Last Temptation of Christ*, filmmakers have been adapting the stories of the Bible for over 120 years, from the first time the Höritz Passion Play was filmed in the Czech Republic back in 1897. Ever since, these stories have inspired musicals, comedies, sci-fi, surrealist visions and the avant-garde not to mention spawning their own genre, the biblical epic. Filmmakers across six continents and from all kinds of religious perspectives (or none at all), have adapted the greatest stories ever told, delighting some and infuriating others. *100 Bible Films* is the indispensable guide to this wide and varied output, providing an authoritative but accessible history of biblical adaptations through one hundred of the most interesting and significant biblical films. Richly illustrated with film stills, this book depicts how such films have undertaken a complex negotiation between art, commerce, entertainment and religion. Matthew Page traces the screen history of the biblical stories from the very earliest silent passion plays, via the golden ages of the biblical epic, through to more innovative and controversial later films as well as covering significant TV adaptations. He discusses films made not only by some of our greatest filmmakers, artists such as Martin Scorsese, Jean Luc Godard, Alice Guy, Roberto Rossellini, Pier Paolo Pasolini, Lotte Reiniger, Carl Dreyer and Luis Buñuel, but also those looking to explore their faith or share it with lovers of cinema the world over.

God's Not Dead Rice Brooks,2013-03-11 The evidence behind the hit movie! *God's NotDead* is apologetics for the twenty-first century, presented in clear and easy-to-follow terms. Learn to defend your faith in a world that's determined to tear it down. The goal of *God's Not Dead* is straightforward: to help readers develop a faith that is real and credible—and strong enough to help others find faith in God. Author Rice Brooks outlines a roadmap that guides seekers to acknowledge the most basic truths of Christianity: There is overwhelming and exciting evidence for God's existence The God who exists is indeed the God of the Bible God has revealed his nature through his Son, Jesus Christ As shown during the movie, this is the original book on which the main character bases much of his debate points with his atheistic professor. It contains persuasive arguments crafted with tools borrowed from logic, science, philosophy, and scripture that will solidify your faith and provide starting points for discussions with skeptics. With clear, easy-to-follow explanations of key concepts and controversies, *God's NotDead* is modern apologetics presented in layman's terms. You will be empowered not only to talk about your own faith with confidence, but to lead others to a relationship with Jesus.

Movies Are Prayers Josh Larsen,2017-06-13 Movies are our way of telling God what we think about this world and our place in it. . . . Movies can be many things: escapist experiences, historical artifacts, business ventures, and artistic expressions, to name a few. I'd like to suggest that they can also be prayers. Movies do more than tell a good story. They are expressions of raw emotion, naked vulnerability, and unbridled rage. They often function in the same way as prayers, communicating our deepest longings and joys to a God who hears each and every one. In this captivating book, *Filmspotting* co-host Josh Larsen brings a critic's unique perspective to how movies function as expressions to God of lament, praise, joy, confession, and more. His clear expertise and passion for the art of film, along with his thoughtful reflections on the nature of prayer, will bring you a better understanding of both. God's omnipresence means that you can find him whether you're sitting on your sofa at home or in the seats at the theater. You can talk to him wherever movies are shown. And when words fail, the perfect film might be just what you need to jump-start your conversations with the Almighty.

Lyrical Riffs Dave Hopwood,2015-07-21 A collection of readings, based on Bible verses and useful in church services, meetings, or for personal reflection. Each piece is driven by a repeated line which moves the piece forward and affects its meaning.

The Bad Movie Bible Rob Hill,2017-04 Whether you realise it or not, you probably enjoy bad movies. If you've

ever been amused by cheesy '80s action, or laughed at a shoddy horror movie monster then you've paddled in the so-bad-it's-good shallows. The deep waters beyond can be intimidating, teeming as they are with dreck. But among the unmentionables are some of the most ridiculous and enjoyable movies ever made, you just need to know where to look. Exposing good-bad action movies, science fiction and fantasy, horror - and the rest - The Bad Movie Bible includes films such as Batman & Robin, The Room, Troll 2, Miami Connection, Nick Fury: Agent of Shield, Black Devil Doll From Hell, and Hell Comes to Frogtown The Bad Movie Bible is the first in the series of light-hearted movie bibles, analysing and eulogising cinematic subcultures. AUTHORS: Author Rob Hill has worked in the visual effects and post production industry for 15 years and has written widely on cinema and genre films. He co-wrote the multimillion selling 50I Movies and his most recent work is Top 10 Lists: Movies (both for Octopus Publishing Group). Editor Emma Hill has spent the past 14 years in illustrated non-fiction, working across a variety of genres including popular culture, craft, cookery, art and travel for the UK and co-edition markets. SELLING POINTS: * Most movies aren't very good. That shouldn't be a surprise to anyone. But nor should it be a surprise that some are so bad they possess a unique appeal arising specifically from their inadequacies. This book is a celebration of, and guide to, those movies * Analysis and reviews of 101 of the best good-bad movies of the last fifty years * Exclusive interviews with heroes and villains as diverse as Dame Joan Collins and Tommy Wiseau * First-hand accounts from genre legends who explain what went wrong, and why it isn't their fault * Unique behind-the-scenes images * Future classics are exposed, old mysteries solved 240 colour photographs
