D. Neal MacPherson

Crazy Happy Daniel Fusco, 2021-02-16 Is it crazy to want a happy life? The host of Jesus Is Real Radio and Hillsong Channel's Real with Daniel Fusco unlocks the happiness we long for in the most famous teachings of Jesus and the apostle Paul. "Don't just skim through this book quickly. Savor it and discuss it with a friend. Your personal happiness is at stake."—Rick Warren, author of *The Purpose Driven Life*, from the foreword *Dissatisfied with your life? Yeah, most of us have been there. There's no shame in wanting to be happy, but real satisfaction often eludes us. At best, what fleeting happiness we find tends to dribble away in never-ending debts, stressful deadlines, and mindless scrolling. At worst, it's chased away by anxiety, depression, or fallout from our selfishness. Here's the truth: whether we hunt for happiness in parties, bars, the workplace hustle, or even in church pews, we'll wind up shortchanged. Why? Because we don't see our lives as beautiful. But God wants something better for you—happiness so real this world might think it's too good to be true. In Crazy Happy, Daniel Fusco unpacks fresh connections in two of the Bible's most familiar passages—secrets of happiness that can really, truly, honest-to-goodness change things. If you stick around for the ride, you'll find the kind of God-given beauty that can change your life for good—even in our sometimes-crazy world.*

Living at the Crossroads Michael W. Goheen, Craig G. Bartholomew, 2008-11-01 How can Christians live faithfully at the crossroads of the story of Scripture and postmodern culture? In *Living at the Crossroads*, authors Michael Goheen and Craig Bartholomew explore this question as they provide a general introduction to Christian worldview. Ideal for both students and lay readers, *Living at the Crossroads* lays out a brief summary of the biblical story and the most fundamental beliefs of Scripture. The book tells the story of Western culture from the classical period to postmodernity. The authors then provide an analysis of

how Christians live in the tension that exists at the intersection of the biblical and cultural stories, exploring the important implications in key areas of life, such as education, scholarship, economics, politics, and church.

Church at a Crossroads D. Neal MacPherson, 2008-02-01

Facing the uncertainty of their present life and ministry, the American and Canadian churches of mainline Protestantism are, for the most part, responding in one of two ways. Some are simply choosing to ignore the process of their disestablishment. They continue to carry on with their church life as though nothing were happening, as though they were still occupying a place at the center of society. Others, knowing that they are being moved to the periphery of social and political life, are seeking to regain their past power and influence by adopting one or another program of church growth, many of which are being promoted by the newly emerging megachurches of the Christian right. Based upon the history and experience of a particular congregation, Church of the Crossroads in Honolulu, Hawaii, this book suggests a third option for the churches of mainline Protestantism: to embrace their ongoing disestablishment and to see it not as a burden or as something to be either ignored or reversed, but as an opportunity to envision a new way of being in the world.

Singles at the Crossroads Albert Y. Hsu, 1997-10-27 Albert Y. Hsu provides a balanced, biblical understanding of Christian singleness that debunks the myth of the gift of singleness and honors singleness as a status equal to marriage. Includes an interview with John Stott.

Theology at the Crossroads of University, Church and Society Lieven Boeve, 2016-08-25 Lieven Boeve examines the place of theology in the university, the church and society. He emphasizes that theology certainly belongs to all of these three domains as it belongs to the nature of theology to involve itself in all three

spheres, especially at the crossroads where they overlap. Boeve discusses the recent document *Theology Today* from the International Theological Commission which circumscribes theology's place and task in the Catholic Church. Boeve discusses how the difficult relation between theology and philosophy is typical for a Church which has difficulty with the dialogue in today's world; as well as examines the relation between theology and religious studies. Going further, Boeve offers a reflection on Catholic identity today, focusing more specifically on education. He presents four models for considering the identity of Catholic schools in the light of the changed society and argues that dialogue in a context of plurality and difference can lead to new, fruitful ways to shape even the Catholic identity. Boeve concludes his discussion with a short assessment of Pope Benedict's papacy and emphasizes the need for the Catholic Church to convert itself before it can call the world to do the same.

Families at the Crossroads Rodney Clapp, 1993-09-28

Returning afresh to the biblical story, Rodney Clapp articulates a challenge to both sides of the critical debate on the future of the family.

Preaching at the Crossroads David J. Lose, 2013-12-01 The world is changing, and preaching needs to do the same. With that change, the notion of truth need not be surrendered in a postmodern age, but it must be approached differently. David Lose argues that preaching is a confession made openly for the hearers to embrace and engage in the midst of the real lived world they experience.

Operating in the Courts of Heaven Robert

Henderson, 2016-02-23 Why do some people pray in agreement with God's will, heart and timing, yet the desired answers do not come? Why would God not respond when we pray from the earnestness of our hearts? What is the problem, or better yet, what is the solution? Robert Henderson believes the answer is found in where your prayer actually takes place. We must direct

our prayer towards the Courts of Heaven and not only the battlefield. Robert shows that it is in the courtrooms of Heaven where our breakthroughs can be found. When you learn to operate there you will see your answers unlocked and released. This book will teach you the legal processes of Heaven and how to operate in its courts. When you get off the battlefield and into the courtroom you can grant God the legal clearance to fulfill His passion and answer your prayers.

Standing at the Crossroads Pastor Cory P. Pariseau, Jim Mullett, 2012-04 Pastor Troy Ervin Great!!!! I like the story. Love how the chapter builds upon each other and reveal your journey. Pastor of Kingsway Fellowship Batavia, Ohio, Host of Life Change TV program Author of The Galilean Gene This is that! 3 Generations of Purpose www.kingswayfellowship.com Eliza Cooper I have read Pastor Cory and Pastor Jim's stories.... AWESOME!!!! I look forward to reading your coming soon books. Parent Advocate and author of Creating Intimate Moments www.facebook.com/CreatingIntimateMoments Stand at the crossroads and look; ask for the ancient paths, ask where the good way is, and walk in it, and you will find rest for your souls. - Jeremiah 6:16 In the hills of southeast Ohio, in the hollows of Jackson County, sits a picturesque church called Hillside Chapel Mennonite Church. Serving a loving and all-powerful God every Saturday evening, Pastor Jim Mullett would speak words of wisdom from his beautiful heart - the heart of a man who serves his congregation still, even during retirement. You see, pastoring is like the unwritten street gang law: 'Once you're in, you're in for life.' You can say you quit, but people will always be drawn to you for help. Something stays on you as a pastor.

Catholicism at the Crossroads Paul Lakeland, Try to define a layperson without using the word not: cannot preach or say mass, is not a priest, is not in a position of leadership in the church. This generally negative or passive understanding of the laity was epitomized in a statement of Pope Pius X: The one duty of the

multitude [i.e., the laity] is to allow themselves to be led and, like a docile flock, to follow the Pastors. The Second Vatican Council, with its emphasis on the priesthood of all believers rooted in baptism, changed all that. Yet, writes Paul Lakeland, many of our bishops and not a few of the lay members of the church are attracted to a dangerously incomplete vision of Catholicism. one that sidesteps the major themes and key insights of Vatican II. In *Catholicism at the Crossroads*, he teases out themes first developed in a much more formal way in his prize-winning *The Liberation of the Laity*. In his new book he is talking to ordinary Catholics in language that requires no special expertise in theology and does not necessitate constant reference to a dictionary.. Baptism, says Lakeland, not priestly ordination, is the basis for all mission and ministry, and the mission of those baptized into Christ is to be the sacrament of God's love in a world rife with violence and brutal inequity. The specific mission of the laity is to the world, whereas the mission of the clergy is to the household of the faith. Yet lay people can't leave church business exclusively to the clergy, and the clergy can't leave the church's worldly mission exclusively to the laity. The key to resolving these overlapping responsibilities is by becoming an adult church, an open church in an open society. In pursuing this goal, Lakeland develops ten steps toward a more adult church.

Marriage at the Crossroads Aída Besançon

Spencer, William David Spencer, Steven Tracy, Celestia Tracy, 2010-02-04 Have you ever wondered how egalitarian and complementarian marriages play out differently on a day-to-day level? In this unique book Aída and William Spencer and Steve and Celestia Tracy, two couples from the differing perspectives of egalitarianism and soft complementarianism, share a constructive dialogue about marriage in practice. They cover a variety of topics like marriage discipleship, headship and submission, roles and decision-making, and intimacy in marriage. Also included are responses from three additional cultural frameworks: North

American Hispanic, Korean American and African American. Whether you're still working out your views on marriage or have found an approach you're comfortable with, this book will help you better understand the two perspectives on the ground level. While the theological starting points are different, you may be surprised to see the degree of convergence on practical issues as the dialogue unfolds.

Hinonville, a Community at the Crossroads Marianne H. Russo, Paul Anthony Russo, 2005 Seeking to reconstruct the early community of Hinonville from fragmentary archival materials and oral interviews, Paul Russo, together with his students at Lincoln University, gradually unearthed information on Hinonville's residents and their lives. Marianne Russo has taken her late husband's extensive research and placed it in the context of nineteenth-century African-American history.--Jacket.

And yet, there is a war against your destiny being fulfilled. Your archenemy, the devil, knows that as you occupy your...

The Best Kept Secret of Christian Mission John Dickson, 2010-06-08 This book comes out of years of reflection, failures, and some successes in the task of reaching out to others with the gospel. Many Christians think of the task of mission as an entirely verbal activity, when perhaps the best kept secret of New Testament teaching about mission is that it involves a whole range of activities that explicitly promote Christ to the world and draw others to him, and only a few of them involve speaking. Without diminishing or downplaying the importance of speaking the gospel, John Dickson shows that, on the other hand, downplaying the range of activities that promote Christ to the world has its own set of problems. It can make those who are not confident about speaking—of anything, let alone Jesus—feel inadequate and self-conscious in the task of reaching out to others. Equally, it can make those who do have a flair for speaking feel as though they are fulfilling Christ's mission just by talking. But the reality is that the Lord wants our whole life, not just our lips, in the task of bringing the gospel to the world. Every facet of our lives can be used by God to promote the news of his power and mercy. In this practical guide to the biblical art of sharing your faith, John Dickson offers refreshing insight into the ways that all Christians can and should be involved in spreading the good news of Jesus. While not all Christians are called and gifted to become evangelists, we are all called to promote the gospel through a wide range of activities—prayer, financial partnership, good deeds, godly lives, public worship, daily conversation, etc.—with and without our lips. As readers engage

with this book, grapple with its arguments and hear the stories of people coming to faith, they will be inspired to see the whole of life as significant for bringing the gospel to the world, and they will be liberated out of guilt and self-consciousness in evangelism into becoming perfectly natural promoters of Jesus Christ.

Honestly Daniel Fusco, 2016 Your life is messy, hard, and uncertain right now--and if it isn't, it has been or it will be. Messiness is the human condition. Part of the messiness is the unpredictability of life, not the unrelenting evil of life. And Jesus shows up inside all of that, because He experienced every aspect of what it's like to be human: joy, physical pain, family arguments, frustration, existential trauma, and more. If Jesus is a real person, we should expect to meet Him in all of life. And only through the Good News and love of Jesus can we learn how to thrive in the midst of our mess. Daniel Fusco, a pastor and jazz musician, riffs on the major themes of the book of Ephesians to help each of us find God in the midst of our mess.

Uncommon Church Alvin Sanders, 2020-10-13 How can the people of God develop churches in ways that help and don't hurt poor neighborhoods? In urban ministry, Christians too often treat the poor as goodwill projects instead of people. Because of this mindset, many remain unchurched. Healthy, local, urban churches are needed because they combine personal

empowerment and community transformation. Every poor neighborhood needs uncommon churches that will seek the common good of their communities. Alvin Sanders engages hard truths about these neighborhoods and provides a model for how to do ministry in difficult conditions. The local, urban church is the key to community transformation, as it plays three crucial roles of empowering, partnering, and reaching. Pastors and church planters interested in Christian community development will find here practical insights into the power of the local church, which is often underrated. Churches can serve their communities and improve the quality of life of every facet of the neighborhood.
