**Read the Face** Eric Standop, Elisa Petrini, 2019-10-01  
Relearn the intuitive language of face reading From birth, face is our first language. We are born face readers—knowing to seek out human features and faces from the moment our eyes open. We all have the intuitive ability to read and interpret the feelings and expressions of those around us. In *Read the Face*, master face reader Eric Standop unlocks the power of this innate human ability, sharing his own journey to become a face reading master, along with stories that illustrate the power of this unique language. Using a combination of three different schools of face reading, along with a scientific accuracy to detect the most fleeting microexpressions, Standop is able to read personality, character, emotions, and even the state of a person's health—all from simply glancing at their face. The book is divided into sections focusing on specific ways that face reading can offer insight, such as Health, Love, Communication, Work and Success. The stories are accompanied by detailed black and white illustrations of faces, allowing readers to observe the same features that Standop interpreted. The final section of the book outlines the meanings of dozens of facial features and face shapes, so that readers can recognize their own innate intuitive powers and develop them. *Read the Face* is a guide to using the ancient art and science of face reading to go beyond the surface and create the boldest life possible.

**The Face Reader** Patrician McCarthy, 2008-03-25  
An introduction to the 2,500-year discipline of Mien Shiang, or Chinese face reading, draws on the author's ability to gauge a person's personality, potential, and inherent talents by analyzing his or her facial structure and features, covering such topics as how one's face reflects the past and how to understand facial influences in order to promote more

harmonious living. Reprint.

*The Face Reader* Patrician McCarthy, 2007-01-01 Mien Shiang is a 3000-year-old Taoist practice that means literally face (mien) reading (shiang). It was first used in China as a diagnostic tool for the practitioners of Traditional Chinese Medicine who could detect signs of existing ailments as well as predispositions to illness of mind, body and spirit, simply by studying one's face. Soon the Taoist monks developed the art of Mien Shiang to help them evaluate the personal integrity and honesty of those doing business with the courts and officials. Mien Shiang is not about reading facial expressions or telltale ticks or shifty eyes but rather face shapes, facial features, positions and sizes and shapes of each feature, lines, shadows, moles and other facial markings. They are foolproof signs, if you know how to read them, you know the art of Mien Shiang. And no one is inscrutable any more! Knowing Mien Shiang can help you to answer two perennial questions: Who Am I and Who Are You. 'Patrician McCarthy is the most dynamic, brilliant, innovative, and empathetic consultant my teams have worked with over the years.' - Ivy Ross, Executive Vice President of Design and Development, Old Navy/Gap Inc. 'I will do anything Patrician McCarthy tells me to do. She makes not just my work better, but my entire life.' - Michael Edelstein, Executive Producer, Desperate Housewives '[Patrician McCarthy] always has interesting insights on how to market to the different types of people who will be interested in our products. We can't wait for her to come back, again and again.' - David Kuehler, Vice President, Procter + Gamble

**Face Reading in Chinese Medicine - E-Book** Lillian Bridges, 2012-07-10 An exciting new, full-colour edition of *Face Reading in Chinese Medicine* featuring over 200 colour photographs and practical instructions on how to conduct a face reading! Face reading has been part of Traditional Chinese Medicine for many centuries, and Professor Lillian Bridges is a popular academic and international lecturer on the subject who gained her fascinating knowledge through her family line of Master Face Readers in China. Based on an understanding of the shapes, markings and features of a face, practitioners can learn about the health and life of a patient relating to the principles of Chinese medicine. In addition to understanding how the body's internal functions - physical, psychological and emotional - can be seen on a face, practitioners can also learn how to evaluate Shen to understand non-verbal expressions. Technical and detailed information is presented in an upbeat, insightful and highly

readable manner. This was the first book to focus on the deeper aspects of face reading and diagnosis, this edition includes ancient Taoist knowledge regarding the Original Face and Facial Jing and Qi markers which have previously only been taught through the oral tradition. Clear discussions demonstrate how this technique can be used as a supplement to other diagnostic tools in Traditional Chinese Medicine. Engaging, insightful, highly readable text is written by a well-known and experienced lecturer in the field. Extensive illustrations give you a clear understanding of theories and techniques. A focus on the deeper aspects of face reading and diagnosis helps readers become more conscious of their actions, reactions, and the health consequences of behavior.

Mysteries of Vedic Face Reading Hrishikesh Dubey, 2011-01-30 UNLOCK THE MYSTERIES BEHIND THE MOST COMPLEX HUMAN BEINGS Mysteries of Vedic Face Reading contains the most powerful knowledge of Vedic literature and is a stepping stone towards spiritual realization. It is a unique book which will enlighten readers to thoroughly assess the nature, character, personality, destiny, conscience and consciousness of a person. It will also help to establish corrective measures when dealing with people at different levels of consciousness. With profound explanations and illustrations this book will show you how to get the best out of life.

The Wisdom of Your Face Jean Haner, 2010-06-21 What if you could tell, just by looking at others, how they tend to think, feel, and behave? What if your partner's face revealed the best way to resolve any conflicts between you? And what if you could discover in your own face the wisdom that you need in order to be your true self? Based on the same ancient foundation as acupuncture and Chinese medicine, face reading has been in the "research

and development" phase for over 3,000 years. When translated to make it meaningful for our Western lives, it's a powerful source of wisdom that we can all access. Chinese face reading shows you how to live your life in alignment with your own natural flow, find the life path that gives you joy, attract relationships that nurture you, and most of all, enable you to feel compassion for yourself and others. This book will forever change how you see yourself . . . and all the people in your life!

**The Power of Face Reading** Mac Fulfer, JD, 2019-06-15 Make stronger connections with anyone in the world by learning how to read faces The Power of Face Reading is the most comprehensive, easy-to-use book on face reading available today. Author Mac Fulfer makes face reading fun and easy for you to understand more about the people you encounter-no matter who you meet or where you are in the world. Face reading is our foundational international language, and none of our seeming differences matter-whether nationality, gender, race, or culture-because every person's face can be read in the exact same way. For instance, the lines on our faces don't reflect aging. They're actually a roadmap showing where we have been and what we've done. So this book is not about interpreting facial expressions-it's about learning to read the stories that a person's face can tell. Using a unique approach that combines both genetics (the face you are born with) and epigenetics (the way life events alter facial features over time), this book helps you understand others better. Discover how learning to interpret simple and easily recognized features, such as ear size and eyebrow shape, can allow you to make a better connection with anyone, anywhere. Superbly illustrated and organized like an encyclopedia, The Power of Face Reading guides you through all you need to know about reading faces, from top-

to-bottom, detail-to-gestalt, gesture-to-metaphoric meaning. The approach shared in this book is so easy to learn that you can put this how-to guide to use and begin reading faces within minutes of opening it up. Everyday applications for face reading include: *¿ Improving both work and personal relationships¿ Interviewing and hiring the right people¿ Team-building¿ Negotiating better ¿ Coaching, counseling¿ Finding the right job¿ Increasing sales by identifying buy signals¿ Identifying better business partners ¿ Reading your audience when presenting The Power of Face Reading includes:¿ 275 illustrations ¿ Clear explanations of what each facial feature means¿ Personality profiles to provide insight into every person you meet ¿ Sample readings to learn Mac's step-by-step face-reading approach¿ A useful checklist to help you read faces immediately¿ A fun face reading quiz to test yourself*

**Face Reading for Love** Debra Jeane Houle,2013-11  
With roots in ancient Chinese medicine, face reading is beneficial today. The face gives clues to why people think, hear, speak, and act the way they do. Every aspect of a face and facial feature has meaning and reveals gifts. Read your face to understand yourself! Discover strengths and talents; a feature you may not have liked before you may find you love. Face Reading for Love, with its focus on relationships, can also help a person better understand his or her partner, date, or lover. Knowing how features relate to personality can lead to understanding another's mindset or help focus a search for someone to share your life. Did you know intellectual individuals tend to have a large forehead; a nose bump shows a spirited person, and thick eyebrows reveal passion? This fascinating book contains a wealth of information and an interesting interpretation of the subject. Author Debra Jeane Houle, a licensed

acupuncturist and professional face reader, received her Master's degree in Acupuncture and Traditional Chinese Medicine (M.A.T.C.M.) from Yo San University in Los Angeles. Prior, Debra spent 17 years in the business world, leaving a career at a major Hollywood studio to enter the healing arts field. Debra, who lives in Santa Monica, Calif., is available for consultations and face readings via [facefortunes.com](http://facefortunes.com). She created the illustrations for Face Reading for Love, which is her first book.

**Asian Face Reading** Boye Lafayette De

Mente, 2011-12-20 Imagine how much you could learn if you knew how to evaluate a person's character, health, fortune, social status, sexual charisma, and life expectancy from a careful reading of his or her face. Face reading, a practice as old as man, is a universal art that we all use every day—with varying degrees of skill. We all know and respond to facial expressions that indicate fear, anger, merriment, and other moods, and we know from experience that facial characteristics, such as unusually large eyes or big noses, have an important influence on our lives. In China and Japan, face reading is a respectable analytical tool used to make business decisions, arrange marriages, and evaluate partnerships and friendships. Asian Face Reading offers a quick, practical, easy-to-understand and easy-to-apply introduction to the basic principles of face reading. The book is fully illustrated with dozens of examples readers can use to learn this increasingly popular practice—and to analyze their friends, colleagues, and loved ones.

**Poker Face Reader** Sherry Lane, Richard a Lacey Ed

D, 2019-02-04 What to expect and not to Expect From Poker Face Reader (TM) This groundbreaking program focuses on one topic, how to read a poker face, This unique system teaches readers to detect, interpret and exploit Poker Face

Tells(TM). Players who master this new skill gain a winning advantage in poker. The system introduces players to ways of reading emotions in the face. These emotions appear as micro-expressions. Micro-expressions consist of brief facial movements that appear and vanish in a fraction of a second. Authors Lacey and Lane call the emotions that leak through masks Poker Face Tells. Readers train their eyes to spot these fleeting expressions. In a poker game no one can conceal his feelings behind a poker face. That's why the authors say, You can run, but you can't hide from a poker face reader! By learning how to read a poker face, readers penetrate an opponent's false mask. They can even spot bluffs. Readers become expert at interpreting fleeting emotions within a tiny fraction of a second. Your opponents cannot hide expressions such as fear or disgust. Telltale emotional expressions are uncontrollable and unconscious. They are also invisible to most other players. Poker Face Reader focuses readers' attention on seven major emotions. They are Happiness, Sadness, Fear, Anger, Disgust, Surprise, and Contempt. The examples in the book exaggerate each emotion to help readers recognize them in any poker situation. They reveal the strength or weakness of poker hands. An effective way for readers to become expert is a four-step process. The first step is to study the text and the pictures of each emotion. The second step is to practice observing many faces. Readers learn to practice skills in private meetings as well as with strangers in public settings. The third step is to practice spotting emotions while observing live poker games. The fourth step is to apply knowledge of poker face tells in live poker games. Readers will develop enough expertise to become skilled poker face readers. They can win in most small stakes games. The authors avoid distracting readers with discussions of such topics as bankroll management and

poker math. When readers learn to read poker faces, they can make optimal use of other poker skills.. Respectfully,  
Richard A. Lacey, Ed.D. and Sherry Lane

*The Face Reader* Lavanya Nair,2016-09-16 What if you crossed paths with someone you felt you had known before? Would you fall in love with someone you hated? Is it possible to love someone who has caused you pain? When such a connection is made, you have no idea whether it is good or bad and you are drawn to them like a magnet. Relationships like these offer opportunities to learn and grow, most importantly they put an end to any unfinished business from the past. This is not the easiest of tasks. As a matter of fact, it becomes a reason to learn some outstanding lessons from the pain the other soul inflicts upon you, the very same soul that demands your attention, respect and love.

The Art and Science of Face Reading Jennifer Lamonica,2019-08-13 A complete, illustrated guide to the ancient tradition of reading the face to gain insight into health, personality, relationships, and career • Details how to read the profile, front face, features, and musculature of the face to reveal temperament, personality traits, health predispositions, and mental state • Explores the history and development of face morphology from its origins in Israel and Egypt more than 4,500 years ago to its modern use in French medical schools • Examines the Foursquare diagram, developed by French occultist Papus, for highly accurate and detailed facial readings The face is a unique reflection of our genetic, inherited inclinations as well as the effects that life, nature, and relationships have had upon us. By looking at a person's face, you can gain valuable insight into their personality, health, and how they navigate in the world. In this illustrated guide, Jennifer Lamonica reveals the sacred tradition of face morphology, an esoteric system

that has been passed quietly from rabbi to student as an unbroken oral tradition for more than 4,500 years. She explores the history and development of this ancient art from its origins in Israel and Egypt to its use as the major diagnostic system in Europe until the Enlightenment and its current applications in French medical schools. Sharing the techniques of master face readers, the author details how to read the angles of the profile, as well as palm color and nose shape, to determine a person's temperament, providing health and career insight into each of the four temperaments, including nutritional needs, digestive issues, sleep patterns, health predispositions, and ideal occupational paths. Exploring the Foursquare diagram, developed by French occultist Papus, for highly accurate and detailed facial readings, she explains how to read the front face in combination with planetary shapes, which reveal a person's character; the major facial features, such as eyebrows, which reveal personal inclinations; and the musculature of the face, including expressions, which reveals a person's current mental state. Providing case studies, she examines how to apply face morphology in relationships and in parenting. Exploring the meaning of each facial variation, while also honoring the intuitive impression received at first glance, Lamonica reveals how the ancient science of face reading allows you to compassionately help your loved ones, students, or clients, as well as overcome personal obstacles and better know yourself.
