Recovering Our Sanity Michael Horton,2022-02-15 How cultivating a healthy fear of God liberates us from our fear of others, our fear of the future, and even our fear of death itself. At times the world feels like it's losing its mind. From politics to the pandemic, we live with an ever-increasing uncertainty, and many of us have grown to fear the rapid disintegration of our society and our own lives. Recovering Our Sanity is not another self-help book about how to beat your daily fears for a better life. It's a book that will show you the gravity and glory of a God who's worthy of our

fear. It's a book that will reveal how these two biblical phrases—Fear God and Do Not Be Afraid—are not contradictory but actually one coherent message. Michael Horton—Professor of Theology and Apologetics at Westminster Seminary—shows us that we cannot fight our fears by seeking the absence of fear altogether, but by living with a fear of God that drives out the fear of everything else. Horton will walk you through the case for the fear of God by: Developing what it means to fear God, biblically and theologically, and what this kind of fear looks like in practice. Categorizing different types of fears—from cultural anxiety to pain and hardship—and what they stem from. Focusing on how to confront our earthly fears with our hope in Christ, rooted in the gospel. Reminding us that God does not exist for us; we exist for God. Humbling, thought-provoking, and hope-igniting, *Recovering Our Sanity* delivers a timely message that will help you shift your focus from a human-centered obsession with self-preservation to a fixation on Christ and his salvation. Rather than clinging to false securities and promises of immediate gratification, you can gain the lasting joy of knowing the One who has given himself to save us and who says to us, Do not be afraid.

Disney's The Lion King Jon Z. Haber, Atelier Philippe Harchy, 1995 Simba the lion cub is looking for a playmate.

The Lion King Julie Taymor, 2017-11-07 The *Lion King* debuted on July 8, 1997 at the Orpheum Theatre in Minneapolis and was an instant success before premiering at the New Amsterdam Theatre on November 13, 1997. It is Broadway's highest grossing production of all time, having grossed more than \$1 billion. The show won six 1998 Tony Awards, including Best Musical and Best Direction of a Musical, making Julie Taymor the first woman in theatrical history bestowed with the honor. In this updated redesigned edition of her book originally published in 1998. Taymor has a chance to reflect on her 20-year journey with this beloved show. Featuring all of the original behind-the-scenes text and imagery photographed during the building of sets and

rehearsals and costume creation, *Pride Rock on Broadway* is an important volume for theater fans, Disney fans, and Taymor fans alike.
