

The Private Lives Of Pippa Lee

Rebecca Miller

The Private Lives of Pippa Lee Rebecca Miller,2008-08-05 Rebecca Miller's novel The Private Lives of Pippa Lee is the study of a brave, curious, multilayered woman--an acutely intelligent portrait of the many lives behind a single name. Now a major motion film. What part of our selves do we hide away in order to have a stable, prosperous life? Pippa Lee has just such a life in place at age fifty, when her older husband, a retired publisher, decides that they should move to a retirement community outside New York City. Pippa is suddenly deprived of the stimulation and distraction that had held everything in place. She begins losing track of her own mind; her foundations start to shudder, and gradually we learn the truth of the young life that led her finally to settle down in marriage--years of neglect and rebellion, wild transgressions and powerful defiance.

The Private Lives of Pippa Lee Rebecca Miller,2008 What part of our selves do we hide away in order to have a stable, prosperous life? Pippa Lee has just such a life in place at age fifty, when her older husband, a retired publisher, decides that they should move to a retirement community outside New York City. Pippa is suddenly deprived of the stimulation and distraction that had held everything in place. She begins losing track of her own mind; her foundations start to shudder, and gradually we learn the truth of the young life that led her finally to settle down in marriage--years of neglect and rebellion, wild transgressions and powerful defiance. The Private Lives of Pippa Lee is the study of a brave, curious, multilayered woman--an acutely intelligent portrait of the many lives behind a single name.

Jacob's Folly Rebecca Miller,2013-03-12 Jacob is a Jewish peddler living in eighteenth-century France; Leslie and Deirdre Senzatimore are a settled American couple; and Masha is an alluring, young, ultra-Orthodox Jew who is gravely ill. In Jacob's Folly, these four individuals will find their fates intertwined and the courses of their lives irrevocably altered when Jacob is reincarnated as a housefly in contemporary Long Island. Through the unique lens of Jacob's consciousness, Miller explores transformation in all its different guises--personal, spiritual and literal. As she considers the hold of the past on the present, the power of private hopes and dreams, and the collision of fate and free will, Miller's world--which is our own, transfigured by her startlingly clear gaze and by her sharp, surprising wit--comes to vibrant life. Leslie's desire to act as hero and rescuer; Jacob's disastrous marriage to the childlike Hodle, and his intense obsession with Masha--Miller sketches her characters' interior lives with compassion, subtlety and an exceptionally light touch. Jacob's Folly is wildly inventive, and ultimately moving; it will leave the reader, no less than its characters, transformed.

Personal Velocity Rebecca Miller,2001 This is a collection of stories that explore the multifaceted lives of modern women in seven arresting portraits.--Jacket.

Total Rebecca Miller,2022-07-12 Rebecca Miller returns to short fiction for the first time since her prodigious collection of stories, Personal Velocity, with the arresting, darkly prescient Total. From Dublin to Martha's Vineyard, from the anxious comforts of motherhood to a technologically infected near future that mirrors today with dark prescience, each of the seven stories in Total is a world of its own, painted with vivid strokes, whose people and questions stay with the reader long after the story has ended. Joad, one of the first characters we meet, finds onionskin pages crammed in a locked desk drawer while refurbishing a Hudson Valley farmhouse; the terrifying words on the fragile paper haunt Joad and her husband, the woman who wrote them looming over the couple like a malevolent spirit. Her words embody the power of the act of creation and the insidious, untamable force of language once it has left one's pen. The author of The Private Lives of Pippa Lee and Jacob's Folly, as well as an award-winning filmmaker, Miller has "the soaring eye of the epicist and the sly instinct of the satirist" (The New Yorker), and her talents are on full display in Total. Each voice and life captured in these haunting stories is unforgettable.

After the Blast Zoe Kazan,2019-11-05 Generations ago, humans retreated deep underground after an environmental disaster ruined the world above. Nature is now simulated through brain-implanted chips, and fertility is regulated to keep the surviving population in balance. Anna and Oliver want to have a baby, and their options are running out.

Talley's Folly Lanford Wilson,1979 THE STORY: The scene is the ornate, deserted Victorian boathouse on the Talley place in Lebanon, Missouri; the time 1944. Matt Friedman, an accountant from St. Louis, has arrived to plead his love to Sally Talley, the susceptible, but uncertain dau

The Ballad of Jack and Rose Rebecca Miller,2005-06-01 From the award-winning writer-director of Personal Velocity comes a startling drama about the nature of family and the meaning of ideals In his first role since Gangs of New York, Daniel Day-Lewis plays Jack Slavin, an engineer who over thirty years ago walked away from the mainstream to live out a more deliberate life. But the island commune he began in hopes of a better future has long since imploded and he is now its final resident. Jack's only other companion is his 16-year-old daughter Rose (Camilla Belle), whom he has deliberately sheltered from the outside world. Now, beset by terminal illness, encroaching developers, and Rose's emerging womanhood, Jack faces troubling questions about the days ahead. In an attempt to provide his daughter with the kind of family she's never known, Jack invites Kathleen (Catherine Keener), the woman he's been secretly seeing on the mainland, and her sons to live with them. But rather than comforted, Rose feels betrayed and lashes out with a willful and deliberate retribution that places her innocence on the battlefield and Kathleen's safety in danger. His carefully constructed world flung out of control, Jack finds himself trapped between two headstrong women and forced to take action. With The Ballad of Jack and Rose, award-winning filmmaker Rebecca Miller has created a powerful and poetic third feature about a man who has cut himself off from a society that refuses to live up to his standards, and a young girl's sudden coming-of-age.

One Good Earl Deserves a Lover Sarah MacLean,2013-01-29 Lady Philippa Marbury is . . . odd The brilliant, bespectacled daughter of a double marquess cares more for books than balls, for science than the season, and for laboratories than love. She's looking forward to marrying her simple fiancé and living out her days quietly with her dogs and her scientific experiments. But before that, Pippa has two weeks to experience all the rest--fourteen days to research the exciting parts of life. It's not much time, and to do it right she needs a guide familiar with London's darker corners. She needs . . . a Scoundrel She needs Cross, the clever, controlled partner in London's most exclusive gaming hell, with a carefully crafted reputation for wickedness. But reputations often hide the darkest secrets, and when the unconventional Pippa boldly propositions him, seeking science without emotion, she threatens all he works to protect. He is tempted to give Pippa precisely what she wants . . . but the scoundrel is more than he seems, and it will take every ounce of his willpower to resist giving the lady more than she ever imagined.

Jetpack Dreams Mac Montandon,2008-10-28 A hilarious pop-socio-cultural history of the greatest invention that never was, the jetpack, and a participatory journey through the bizarre subculture of jetpack enthusiasts in search of a working model

So, Anyway... John Cleese,2014-11-04 NEW YORK TIMES BESTSELLER • "John Cleese's memoir is just about everything one would expect of its author--smart, thoughtful, provocative and above all funny. . . . A picture, if you will, of the artist as a young man."--The Washington Post The legendary writer and performer of Monty Python and Fawlty Towers fame takes readers on a grand tour of his ascent in the entertainment world John Cleese's huge comedic influence has stretched across generations;

his sharp irreverent eye and the unique brand of physical comedy he perfected now seem written into comedy's DNA. In this rollicking memoir, Cleese recalls his humble beginnings in a sleepy English town, his early comedic days at Cambridge University (with future Python partner Graham Chapman), and the founding of the landmark comedy troupe that would propel him to worldwide renown. Cleese was just days away from graduating Cambridge and setting off on a law career when he was visited by two BBC executives, who offered him a job writing comedy for radio. That fateful moment—and a near-simultaneous offer to take his university humor revue to London's famed West End—propelled him down a different path, cutting his teeth writing for stars like David Frost and Peter Sellers, and eventually joining the five other Pythons to pioneer a new kind of comedy that prized invention, silliness, and absurdity. Along the way, he found his first true love with the actress Connie Booth and transformed himself from a reluctant performer to a world class actor and back again. Twisting and turning through surprising stories and hilarious digressions—with some brief pauses along the way that comprise a fascinating primer on what's funny and why—this story of a young man's journey to the pinnacle of comedy is a masterly performance by a master performer.

Dial Emmy For Murder Eileen Davidson, 2009-06-02 Alexis Peterson's days are filled with scheming, backstabbing, adultery, and murder. She is a soap opera star, after all. But a new role has her feeling like she's in the horror business. Tabloids and fans are stunned when daytime soap opera star, Alexis Peterson, leaves her popular daytime show for another soap. She's too busy preparing to be a presenter at the Daytime Emmy Awards to even notice. But when her co-presenter loses his life before presenting a winner, Alex realizes she has another murder mystery on her hands. Working behind the scenes to find out how her co-star could have met such an end, she invites the handsome Detective Frank Jakes back in her life—a man she can't stop imagining having a real love scene with. But first Alex must focus on finding the killer—before she sees another one of Hollywood's brightest stars burn out. Praise for Death in Daytime: "Sheer fun."—Carolyn Hart "Had me laughing out loud... keeps you guessing to the very end."—Ronn Moss (Ridge Forrester on The Bold and the Beautiful)

Last Watch of the Night Paul Monette, 2014-03-25 Tender and passionate autobiographical essays by the National Book Award-winning author of *Becoming a Man*. "Does it go too fast?" Monette asks about life at the beginning of one piece. The answer is a resounding "yes" for the individuals who populate this stunning work of nonfiction. These ten autobiographical essays memorialize those whose lives have been claimed by AIDS. Following *Becoming a Man* and *Borrowed Time*, *Last Watch of the Night* is Monette's third and final self-portrait. In this collection, he confronts death—those of lovers and friends, and even his own eventual demise—with both bravery and compassion. This ebook features an illustrated biography of Paul Monette including rare images and never-before-seen documents from the Paul Monette papers of the UCLA Library Special Collections.

A Woman Who Rebecca Miller, 2008-12-22 A Woman Who is a delightful collection of clever, almost surreal drawings revealing women feeling all the strange and specific things they feel - as conjured up by artist/writer/filmmaker Rebecca Miller, who draws each image with her eyes closed. Bored, sexy, angry, amused, ambivalent, overwhelmed, curious, so serene they can barely speak - these women come straight from the unconscious, and you'll recognize them at once. A woman who has so many things to do that she can't bring herself to do any of them. A woman who is flying for the first time. A woman who was okay a second ago. A woman who would like some attention but isn't sure how to get it in a subtle way. A woman who is worried she's so happy she'll never have another idea. They're all here- in the perfect gift book for all the women in your life.

The Summer Before the Dark Doris Lessing, 2010-11-17 As the summer begins, Kate Brown -- attractive, intelligent, forty five, happily enough married, with a house in the London suburbs and three grown children -- has no reason to expect anything will change. But when the summer ends, the woman she was -- living behind a protective camouflage of feminine charm and caring -- no longer exists. This novel. Doris Lessing's brilliant excursion into the terrifying stretch of time between youth and old age, is her journey: from London to Turkey to Spain, from husband to lover to madness: on the road to a frightening new independence and a confrontation with self that lets her, finally, come truly of age.

The Downstairs Girl Stacey Lee, 2019-08-13 A Reese's Book Club YA Pick and New York Times Bestseller From the critically acclaimed author of *Luck of the Titanic*, *Under a Painted Sky*, and *Outrun the Moon* comes a powerful novel about identity, betrayal, and the meaning of family. By day, seventeen-year-old Jo Kuan works as a lady's maid for the cruel daughter of one of the wealthiest men in Atlanta. But by night, Jo moonlights as the pseudonymous author of a newspaper advice column for the genteel Southern lady, *Dear Miss Sweetie*. When her column becomes wildly popular, she uses the power of the pen to address some of society's ills, but she's not prepared for the backlash that follows when her column challenges fixed ideas about race and gender. While her opponents clamor to uncover the secret identity of Miss Sweetie, a mysterious letter sets Jo off on a search for her own past and the parents who abandoned her as a baby. But when her efforts put her in the crosshairs of Atlanta's most notorious criminal, Jo must decide whether she, a girl used to living in the shadows, is ready to step into the light. With prose that is witty, insightful, and at times heartbreaking, Stacey Lee masterfully crafts an extraordinary social drama set in the New South. This vividly rendered historic novel will keep readers riveted as witty, observant Jo deals with the dangers of questioning power. --The Washington Post Holds a mirror to our present issues while giving us a detailed and vibrant picture of life in the past. --The New York Times A joyful read . . . The Downstairs Girl, for all its serious and timely content, is a jolly good time. --NPR

The Primal Wound Nancy Newton Verrier, 2009 Originally published in 1993, this classic piece of literature on adoption has revolutionised the way people think about adopted children. Nancy Verrier examines the life-long consequences of the 'primal wound' - the wound that is caused when a child is separated from its mother - for adopted people. Her argument is supported by thorough research in pre- and perinatal psychology, attachment, bonding and the effects of loss.

The Movie Quiz Book Little White Lies, 2019-09-03 Imagine the best movie-themed pub quiz you've ever been to, but without the suffering the hangover the next morning! From heroic heroines, famous final lines, and award-winning directors, to Hollywood's golden age, memorable movie flops, and the film world's biggest franchises, the book's over 1,600 questions cover every aspect of the movies. Thrown in among the brain-testing questions are a series of visual quizzes and challenges—including an It's a Wonderful Life spot-the-difference and the world premiere of a Jean-Claude van Damme-themed wordsearch!
