*Ecce homo ! Or, A critical enquiry into the history of Jesus Christ; being a rational analysis of the Gospels* Paul Heinrich D. freiherr von Holbach,1813  
*The Correspondent* ,1827

**The Power of Compassion** Pamela Bloom,2010-05-01 This book of real-life stories is a palliative for the pain of everyday life. The basic premise is that intentional acts of kindness can have unintended and far reaching consequences that can affect individuals in extraordinary ways. Here are over forty first-person stories (contributors range from Surya Dass to Thich Nat Hanh to John F. Kennedy, Jr) that concretely demonstrate the dynamic power of compassion. We hear the story of a monk who welcomed a dying, underprivileged child into his home, giving the boy nine months of peace and attention before his death. A civil right protestor tells how she learned compassion and love for the "opposition" from a cellmate. Engaging and inspiring, this is a book that will motivate readers to change their lives and the world through intentional acts of compassion. This is a re-package with a new introduction of a book that was originally published by Conari Press in 2000.

*Darkness Visible* Ross Heaven,Simon Buxton,2005-11-16 Spiritual seekers from many traditions have used darkness as a method for exploring hidden aspects of unconscious and super-conscious states, and for embracing the deeper recesses of the self. Heaven and Buxton show how experiencing complete darkness, even for only a period of hours, brings about a remarkable clarity and mental stillness, and thus provides a springboard for creativity, intuition, and spiritual development.

**Let's Talk Jewish** Joseph Rubinstein,Auriel Ibn Michell,2001 Let's Talk Jewish is nothing more than an attempt to present ideas and teachings that are dear to all Jews and Christians. This book is meant to be used, marked up, studied, not admired.

This book collects dozens of profound and moving stories of true compassion. Included are tales of the crazy wisdom kindness practiced by many masters in the Tibetan and Zen traditions, as well as selections from the best-loved Buddhist figures of today, including Sogyal Rinpoche, Sharon Salzberg, Thich Nhat Hanh, and the Dalai Lama.
