Thomas and Friends: the Big Book of Engines Thomas and Friends, 2021-10-27 The Big Book of Engines is what every Thomas fan needs! Inside you'll find everything there is to know about Thomas and his engine friends on the Island of Sodor: fun facts, Thomas trivia and railway rivalry. With a page devoted to each character and including all the famous engines in the Steam Team, this book really is the ultimate guide to the world of Thomas and his friends.

The Big Book of Engines (Thomas & Friends) Random House, 2020-07-07 Meet all of the engines in this Thomas & Friends board book with a padded cover! Train-loving boys and girls ages 2 to 5 will love to discover fascinating facts about Thomas, Nia, Bertie, Harold, and all their favorite Thomas & Friends characters in this sturdy board book with padded cover. In the early 1940s, a loving father crafted a small blue wooden train engine for his son, Christopher. The stories that this father, the Reverend W Awdry, made up to accompany the wonderful toy were first published in 1945 and became the basis for the Railway Series, a collection of books about Thomas the Tank Engine and his friends--and the rest is history. Thomas & Friends(TM) are now a big extended family of engines and others on the Island of Sodor. They appear not only in books but also in television shows and movies, and as a wide variety of beautifully made toys. The adventures of Thomas and his friends, which are always, ultimately, about friendship, have

delighted generations of train-loving boys and girls for more than 70 years and will continue to do so for generations to come.

Thomas & Friends: Friends On The Move! Thomas & Friends, 2017-07-04 What a fun new way to explore all the surprising things on the island of Sodor—in this book with pull tabs featuring Thomas and all of his friends that, when pulled, reveal something exciting on the page! In each of three fast-paced adventures, Thomas and his friends save the day because they are looking out for one another. Pull the tab on each spread to reveal surprises and advance the action. Whether it's a problem with escaped sheep or needing help on the tracks, these Very Important Engines know that the most important thing of all is friendship.

Go, Train, Go! W. Awdry, 2022 Easy-to-read, lyrical text tells how cautious Thomas gives a ride to a judge who is in a big hurry to get to a train show.

Thomas and Friends REV. W. AWDRY, 2008-01-08 Collects four adventures of Thomas the tank engine and his friends, three of which rhyme. On board pages.

Track Stars Wilbert V. Awdry, 2009-04-09 Always wanting to go fast on the tracks, Thomas has to be careful of his speed when he is given a delivery of eggs in the morning while Percy runs away in fear of rumors about being sent to the scrap yard, in a colorful tale associated with Thomas' newest video. Original.

Trouble for Thomas and Other Stories ,1989 For use in schools and libraries only. Hop on board for an action-packed ride with Thomas and Friends as they create their own steam-powered train adventures!

A Crack in the Track (Thomas & Friends) Rev. W. Awdry, 2011-03-30 What does it take to bring the entire Island of Sodor Railway System to a halt? Just a crack in the track. Well, a crack in the track and some hail on rail . . . and a toad in the road, and a fuss on the bus. In fact, one thing leads to another until just about everything that can go wrong does go wrong. Luckily,

there's a breakdown train with a couple of cranes that can fix a big mess (and they don't mind the rain). From the Hardcover edition.
