

Tiger Wood Golf

Lucia Raatma

Tiger John Strege, 2011-09-28 Record-breaking media sensation Tiger Woods has moved beyond the fairway to take the world by storm. After becoming the first golfer in history to win three straight U.S. Amateur titles, his win at the 1997 Masters Tournament gave him a permanent place in the record book: youngest player to win, lowest score ever, and first African-American player to win. In *Tiger*, John Strege, golf writer and longtime friend with unparalleled access to Woods and his family, takes us behind the scenes of this incredible life--from the time Tiger picked up a golf club at age nine months, to his first hole in one at age six, to his unprecedented domination of junior, amateur, and now high-stakes professional golf. Packed with personal anecdotes from family, friends, teammates, and coaches, as well as what it's like to play on a course with Tiger from golf greats such as Jack Nicklaus and Arnold Palmer, *Tiger* provides a riveting shot-by-shot account of Woods's life up through the 1997 season. It details the unshakable relationship with his parents, the racial issues that have surrounded him, and the string of almost mythical successes that have carried him all the way to Niketown. A role model for young and old alike, Tiger Woods and his story will capture the minds and hearts of sports fans everywhere.

Tiger Woods Collins, David R., *Tiger Woods* has taken the golf world by storm. In this appealing biography of determination and success, the young Tiger displays his boyish charm and amazing ability.

Tiger Woods William Durbin, 1998 A biography of the youngest player to win the Masters Tournament, from his childhood in California to his development as one of the best known personalities in professional golf.

Tiger's New Swing John Andrisani, 2010-04-01 The first book on Tiger's revamped swing--and an essential tool to help golfers of all levels increase their driving distances and improve their game *Tiger Woods*, the world's greatest golfer, switched teachers and everybody is talking about his new swing. There have been numerous changes to his technique since renowned author and golf instructor John Andrisani's bestselling *The Tiger Woods Way* hit the shelves in 1997. And the overall improvement in Woods' game has everyone asking the same question: what is he doing differently since switching to teaching guru Hank Haney and how can I use these lessons to improve my own game? Drawing from interviews with golf instructors familiar with Tiger's swing, professional golfers who have played with Tiger, television golf analysts, and his own independent study and analysis of Tiger's game, Andrisani offers detailed, easy-to-follow instructions on Woods' new swing in short, simple chapters for the first time anywhere. With numerous photos--clearly showing the difference between Tiger's new and old swing--this book is a must-have for Tiger fans and golfers everywhere.

Tiger Woods Made Me Look Like a Genius Don Crosby, Jim Dale, 2000 An easygoing, storytelling style makes this offering from Tiger Woods's high school coach a delight. *Tiger Woods Made Me Look Like a Genius* weaves Don Crosby's golfing techniques into the story of coaching the champion and how Woods's own methods meshed with and enhanced Crosby's approach. Coach Don Crosby has only a 12-week season to turn ragtag teenage duffers into championship contenders. With no time to waste, he focuses on five basics that can take ten strokes off anyone's score: The Practice Range--good for two shots off your game The Short Game--the surest way to lower your score is to chip away at it Putting--imagine no three-putt greens Course Management--a

course you know is two shots easier than one you don't Stats-you can't get better unless you know how you're doing Tiger Woods Made Me Look Like a Genius is a handbook of Crosby's golfing techniques and strategies, sprinkled liberally with his personal recollections and anecdotes of the good old days when he coached the young Tiger. The stories, Crosby's True Tales, bring the mechanics of golf to life, illustrating how these five techniques work and what to expect from them, while offering an intimate look at the evolution of champion Tiger Woods. The book also features an insert with photographs and memorabilia from these special days of coaching.

Tiger Woods Lucia Raatma,2007-08-01 Tiger Woods persistence, winning attitude, and passion for golf have helped make him one of the top golfers of all time. Readers will learn how Tiger uses his fame and fortune to help young people reach their full potential.

In Search of Tiger Tom Callahan,2007-12-18 Tom Callahan has written the seminal book on golfing great Tiger Woods. Woods, who has gone out of his way to protect his privacy, has never allowed himself to get close enough to a writer to be properly examined on the page. And, as a consequence, his fans know relatively little about him except what's divulged in quick tournament interviews or the scarce information parsed out on occasion by one of his handlers. Which is to say, we know next to nothing about one of the most famous people in the world. Callahan, commonly regarded as one of the best all-round sports writers in the country, has followed Tiger around the world of golf for more than seven years, enjoying a certain access to the man and his family. He even went so far as to travel to Vietnam to learn the fate of the South Vietnamese soldier who was Earl Wood's best friend during the war—and his son's namesake. Tiger is twenty years old when the book opens and twenty-seven when it closes. During those years, Callahan covered Woods at all the Majors, including the Masters, the U.S. Open, and the British Open, culminating in Tiger's heart-stopping race to make history by clinching the string of Majors affectionately nicknamed the Tiger Slam. As the pulse of golf was measured by the curve of his swing, Tiger made everyone's heart skip a beat as he attempted to win the Grand Slam a year later. Along the way, Tom Callahan hears from everyone who is anyone in the world of Tiger Woods, including Phil Mickelson, Jack Nicklaus, David Duval, Butch Harmon, Ernie Els, and, of course, Tiger's rather ubiquitous mother and father. As much as we learn about Tiger—how he sees himself in relation to the courses he plays on and the players he has learned from and competed with—we also enjoy a bird's-eye view of golf as it is now with Tiger on the scene, and as it was for centuries before. In Search of Tiger catalogs and dissects moments and influences in Tiger's guarded life and unprecedented career—moments that unveil him, his awesome drive, and his enormous talent. Tom Callahan has written a classic of its kind, a book to rank with the best in its genre. He has done what few have even attempted—he has found the real Tiger Woods.

Tiger Woods Jeff Savage,1997 A biography of the talented young golfer who won his first U.S. Amateur Championship in 1994 at age 19 and was named Sports Illustrated Sportsman of the Year in 1996.

Tiger Woods Judy L. Hasday,2009 Examines the life and career of golfer Tiger Woods.

Sports Illustrated Tiger Woods Sports Illustrated,2021-07-15 A new, fully illustrated gift book commemorating the unparalleled rise, fall, and comeback of golf's greatest champion Tiger Woods turned pro at age 20 in 1996, rapidly

ascending to become the No. 1 ranked player in the world at age 21 and the youngest player ever to achieve the career Grand Slam. Woods' second decade on the tour was one of reinvention, marked by injuries and personal struggles before a comeback that culminated in Woods' first major win in 11 years at the 2019 Masters. In celebration of Woods' first quarter century on the professional circuit, those moments and memories are collected in *Tiger Woods: Celebrating 25 Years on the PGA Tour*. Capturing the magic of Woods' career as only Sports Illustrated™ can, this new volume includes more than 100 full-color photographs, some of which have become nearly as iconic as the man himself—from Woods' earliest days on the golf course with his father to his play alongside his son, Charlie, in 2020. This commemorative book also features some of the best written coverage of Woods's career from the pages of Sports Illustrated™, including pieces by Frank Deford, Rick Reilly, Gary Smith, Alan Shipnuck, and more.

Tiger Woods Sydelle A. Kramer, 1998 A biography of the youngest player, and the first person of color, ever to win the Masters Golf Tournament.

Tiger Woods, Golfing Champion Collins, David R., Tiger's life demonstrates that some things are more important than winning.

How I Play Golf Tiger Woods, 2011-04-08 For the first time, champion Tiger Woods reveals the five secrets to his amazing success - a combination of physical, metaphysical and psychological practices he uses daily to keep his game in top shape.

Tiger Woods: Golf Legend Doug Williams, 2019-08-01 Tiger Woods: Golf Legend tells the story of the most gifted golfer of his time, a trailblazer who became the youngest Masters champion, conquered the golf world, and fell from grace but never stopped fighting his way back to the top. Features include a timeline, a glossary, further readings, websites, source notes, and an index. Aligned to Common Core Standards and correlated to state standards. Essential Library is an imprint of Abdo Publishing, a division of ABDOL.

Follow the Roar Bob Smiley, 2009-10-06 With his career at a standstill and his golf game a shadow of its former mediocrity, TV writer and ESPN.com contributor Bob Smiley decided the time had come to turn to the one person who might be able to help: Tiger Woods. So, in January of 2008, Smiley set out to follow the game's greatest player from the gallery for every hole of an entire season and to absorb all that he could. Smiley traveled from the seaside cliffs of San Diego to the deserts of Dubai, through the hallowed gates of Augusta National, and on to arguably the greatest U.S. Open of all time back at Torrey Pines, where, in a legendary duel with charismatic journeyman Rocco Mediate, Woods won his fourteenth major—on one leg. Smiley chronicles every dramatic and often hysterical moment of his journey with Tiger, including his off-course run-ins with Arabian sandstorms, ex-con ticket scalpers, and the motley assortment of strangers who became friends along the way. Told from the perspective of a true golf fan, *Follow the Roar* is a once-in-a-lifetime adventure through the most spectacular and inspiring season in Tiger Woods's celebrated career. In addition to the thrill of witnessing all 604 holes Woods played in '08, Smiley found in Tiger both inspiration and the gutsy embodiment of what it really means to be an athlete—and a man.

Tiger Woods Jeremy Roberts, 2008-09-01 Explores the life and golf career of Tiger Woods.

Tiger Woods Jeff Benedict, Armen Keteyian, 2019-04-02 The inspiration for the

HBO documentary from Academy Award-winning producer Alex Gibney. The #1 New York Times bestseller based on years of reporting and interviews with more than 250 people from every corner of Tiger Woods's life—this “comprehensive, propulsive...and unsparing” (The New Yorker) biography is “an ambitious 360-degree portrait of golf's most scrutinized figure...brimming with revealing details” (Golf Digest). In 2009, Tiger Woods was the most famous athlete on the planet, a transcendent star of almost unfathomable fame and fortune living what appeared to be the perfect life. But it turned out he had been living a double life for years—one that exploded in the aftermath of a Thanksgiving night crash that exposed his serial infidelity and sent his personal and professional lives over a cliff. In this “searing biography of golf's most blazing talent” (GOLF magazine), Jeff Benedict and Armen Keteyian dig deep behind the headlines to produce a richly reported answer to the question that has mystified millions of sports fans for nearly a decade: who is Tiger Woods, really? Drawing on more than four hundred interviews with people from every corner of Woods's life—many of whom have never spoken about him on the record before—Benedict and Keteyian construct a captivating psychological profile of a mixed race child programmed by an attention-grabbing father and the original Tiger Mom to be the “chosen one,” to change not just the game of golf, but the world as well. But at what cost? Benedict and Keteyian provide the startling answers in this definitive biography that is destined to linger in the minds of readers for years to come. “Irresistible...Immensely readable...Benedict and Keteyian bring us along for the ride in a whirlwind of a biography that reads honest and true” (The Wall Street Journal). Ultimately, Tiger Woods is “a big American story...exhilarating, depressing, tawdry, and moving in almost equal measure” (The New York Times).

Chasing Tiger Glenn Stout, 2002-04-04 From his appearance on the Mike Douglas Show at age three (he putted for Bob Hope and Jimmy Stewart) to his winning the U.S. Junior Amateur title at fifteen (he was the youngest champion ever) to his recent victories in four Grand Slam events in a row (though not in the same year), Tiger Woods has pursued with single-minded determination his dream of becoming the greatest golfer in history. But who is the real Tiger Woods? From his Nike commercials to his conflicting statements on race, Tiger has stirred up plenty of controversy off the golf course. And now in *Chasing Tiger*—an up-to-date collection of profiles, commentary, and reporting on Tiger's career by both U.S. and British writers from the late 1980s to now—we chart the trajectory of the chosen one from young prodigy to the most popular athlete in the world. With stellar profiles by esteemed sports writers such as Gary Smith and Charles Pierce, reportage by Pulitzer Prize-winning sportswriters Tom Boswell and the late Jim Murray, and pithy commentary by Ellen Goodman, Maureen Dowd, and Frank Deford, *Chasing Tiger* is a multi-dimensional portrait of the making of a legend.
