Sports Illustrated Tiger Woods Sports Illustrated,2021-07-15 A new, fully illustrated gift book commemorating the unparalleled rise, fall, and comeback of golf's greatest champion Tiger Woods turned pro at age 20 in 1996, rapidly ascending to become the No. 1 ranked player in the world at age 21 and the youngest player ever to achieve the career Grand Slam. Woods' second decade on the tour was one of reinvention, marked by injuries and personal struggles before a comeback that culminated in Woods' first major win in 11 years at the 2019 Masters. In celebration of Woods' first quarter century on the professional circuit, those moments and memories are collected in *Tiger Woods: Celebrating 25 Years on the PGA Tour*. Capturing the magic of Woods' career as only Sports Illustrated™ can, this new volume includes more than 100 full-color photographs, some of which have become nearly as iconic as the man himself—from Woods' earliest days on the golf course with his father to his play alongside his son, Charlie, in 2020. Raising the Bar Tim Rosaforte,2014-06-24 The Masters, the U.S. Open, the British Open, the PGA Championship. The Career Grand Slam. At age 24. He could very well be the greatest golfer to ever play the game. *Raising the Bar* is the story of how Tiger Woods changed his life, his game, and the way America views

golf. There have been many biographies written about Tiger's life and early days with the PGA, but each ends with his triumphant victory in the 1997 Masters Championship. In the last few years Tiger has endured a lifetime of experiences, including his growing pains, his perceived slump in 1998, his incredible winning streak from 1999-2000, culminating in his career grand slam. Critically acclaimed golf writer and commentator Tim Rosaforte has watched Tiger since he burst onto the golfing scene and been an up-close observer of the Tiger's life both on and off the course. Totally revised and updated, *Raising the Bar* includes Tiger's latest victories—including his historic 2001 Masters victory that completed the Tiger slam—and provides intense insight into his amazing career.

Tiger Woods: Golf Legend Doug Williams, 2019-08-01 Tiger Woods: Golf Legend tells the story of the most gifted golfer of his time, a trailblazer who became the youngest Masters champion, conquered the golf world, and fell from grace but never stopped fighting his way back to the top. Features include a timeline, a glossary, further readings, websites, source notes, and an index. Aligned to Common Core Standards and correlated to state standards. Essential Library is an imprint of Abdo Publishing, a division of ABDO.

Tiger John Strege, 2011-09-28 Record-breaking media sensation Tiger Woods has moved beyond the fairway to take the world by storm. After becoming the first golfer in history to win three straight U.S. Amateur titles, his win at the 1997 Masters Tournament gave him a permanent place in the record book: youngest player to win, lowest score ever, and first African-American player to win. In *Tiger*, John Strege, golf writer and longtime friend with unparalleled access to Woods and his family, takes us behind the scenes of this incredible life—from the time Tiger picked up a golf club at age nine months, to his first hole in one at age six, to his unprecedented domination of junior, amateur, and now high-stakes professional golf. Packed with

personal anecdotes from family, friends, teammates, and coaches, as well as what it's like to play on a course with Tiger from golf greats such as Jack Nicklaus and Arnold Palmer, Tiger provides a riveting shot-by-shot account of Woods's life up through the 1997 season. It details the unshakable relationship with his parents, the racial issues that have surrounded him, and the string of almost mythical successes that have carried him all the way to Niketown. A role model for young and old alike, Tiger Woods and his story will capture the minds and hearts of sports fans everywhere.
