Baby of the Family Tina McElroy Ansa,1991 Lena, once a charmed little girl with psychic powers, becomes more haunted as she grows older. She has her family's love, but knows she has to make her own uncertain way.

Ugly Ways Tina McElroy Ansa,1995-01-17 Three sisters return to their southern hometown after the death of their difficult, demanding mother, in a novel by the author of *Baby of the Family*. In life, Esther Lovejoy was an intolerable mother. She raised her daughters with an iron fist, browbeat her husband into submission, and insisted they call her Mudear (an abbreviation of Mother Dear). As adults with successful careers, Betty, Emily, and Annie Ruth have scattered across the country to avoid Mudear's influence. But now it's time to lay her to rest, and the Lovejoy sisters have returned to Mulberry, Georgia, to pay their last respects. What they discover is that while Mudear may be dead, she is far from gone. With a large dose of compassion and a generous splash of humor, Tina McElroy Ansa serves up a powerful tale of family secrets and the ways our scars make us stronger. "A voice that is fresh and strong and just quirky enough to stand out from the crowd." —The Boston Sunday Globe "An entertaining read . . . The author, like a good small-town gossip . . . paints a vivid picture of three bright, beautiful and emotionally scarred African-American sisters." —Los Angeles Times

**The Hand I Fan With** Tina McElroy Ansa,1997-12-29 Bestselling author Tina McElroy Ansa is back with another tale from Mulberry, Georgia, the richly drawn fictional town and home of the extraordinary Lena McPherson. Lena, now forty-five and tired of being the hand everyone fans with, has grown weary of shouldering the town's problems and wants to find a little love and companionship for herself. So she and a friend perform a supernatural ritual to conjure up a man for Lena. She gets one all right: a ghost named Herman who, though dead for one hundred years, is full of life and all man. His love changes Lena's life forever, satisfying as never before both her physical and spiritual needs. Filled with the same humor, grace, and great respect for power of the particular (The New York Times Book Review) as her previous critically acclaimed novels, *Baby of the Family* and *Ugly Ways*, *The Hand I Fan With* is yet another memorable and life-affirming tale from one of America's best-loved authors.

The Vanity Fair Diaries Tina Brown,2017-11-14 Named one of the best books of 2017 by Time, People, The Guardian, Paste Magazine, The Economist, Entertainment Weekly, & Vogue Tina Brown kept delicious daily diaries throughout her eight spectacular years as editor-in-chief of Vanity Fair. Today they provide an incendiary portrait of the flash and dash and power brokering of the Excessive Eighties in New York and Hollywood. The *Vanity Fair Diaries* is the story of an Englishwoman barely out of her twenties who arrives in New York City with a dream. Summoned from London in hopes that she can save Condé Nast's troubled new flagship Vanity Fair, Tina Brown is immediately plunged into the maelstrom of the competitive New York media world and the backstabbing rivalries at the court of the planet's slickest, most glamour-focused magazine company. She survives the politics, the intrigue, and the attempts to derail her by a simple stratagem: succeeding. In the face of rampant skepticism, she triumphantly reinvents a failing magazine. Here are the inside stories of Vanity Fair scoops and covers that sold millions—the Reagan kiss, the meltdown of Princess Diana's marriage to Prince Charles, the sensational Annie Leibovitz cover of a gloriously pregnant, naked Demi Moore. In the diary's cinematic pages, the drama, the comedy, and the struggle of running an it magazine come to life. Brown's *Vanity Fair Diaries* is also a woman's journey, of making a home in a new country and of the deep bonds with her husband, their prematurely born son, and their daughter. Astute, open-hearted, often riotously funny, Tina Brown's *The Vanity Fair Diaries* is a compulsively fascinating and intimate chronicle of a woman's life in a glittering era.

Eighteen-year-old LaShawndra, who wants nothing more out of life than to dance in a music video, has messed up again -- but this time she isn't sticking around to hear about it. Not that her mother seems to care: Sandra is too busy working on her career and romancing a local minister to notice. It's LaShawndra's grandmother Lily Paine Pines who is out scouring the streets at midnight looking for her granddaughter. But Lily discovers she is not alone. A ghost of a well-known Mulberry pioneer is coming out of the shadows. Over the course of one weekend, these three disparate women, guided by the wisdom of three unexpected spirits, will learn to face the pain of their lives and discover that with reconciliation comes the healing they all desperately seek. *You Know Better* brilliantly portrays the fissures in modern African American family life to reveal the indestructible soul that bonds us all.

Or breast and bottle? Will that cause nipple confusion? • What’s the latest recommendation for introducing solids in light of potential allergies? • Should I sign us up for music and early-language classes? • What’s the evidence for and against circumcision? • When is the right time to wean my baby off her pacifier? • How do I get this child to sleep through the night?! Dr. Bryson boils things down with authority, demystifying the issues in three distinct sections: an objective summary of the schools of thought on the topic, including commonly held pros and cons; a clear and concise primer on “What the Science Says”; and a Bottom Line conclusion. When the science doesn’t point clearly in one direction, she guides you to assess and apply the information in a way that’s consistent with your family’s principles and meets your child’s unique needs. Echo Hudson is all grown up in this sequel and now becomes the new Head Witch. But before that fabulous event can take place, people die, others get wed, glorious spells get conjured up, and powerful ingredients for potions get mixed together and are then put into action. Yes, we are talking about witches, warlocks and angry sorcerers. Some of the same characters from the first installment are brought back in this story, and we are lucky enough to be introduced to new ones. At times, the storyline to A Bewitching Sequel is intriguing, spellbinding, and makes you feel like you are hanging on the edge of a cliff. It is also amusing, comical, and wonderfully entertaining. Its a page-turner that has you craving to find out how its all going to end. With the final words on the last page, you will then want to know what happens next. Tina is an award-winning author who began writing romance novels in 2005. She touches your heart and connects you with her characters from the first page. She brings you into the storyline and makes you feel like you are part of the plot.

The second book in the [Zee Files] series continues to follow Mackenzie (Zee) Blue Carmichael through her life in her new school, the Hollows. [Zee] has a few successes toward the end. . . Scattered illustrations throughout the book are well designed and carried out, I especially enjoy how emotive they are. —Youth Services Book Review In this second installment of the Zee Files, a spinoff of the Mackenzie Blue series, Zee is preparing a song for her school’s art festival. Year nine has proven to be difficult as she adjusts to her new life in the U.K. and being the new student at a posh British boarding school. **Tina Nordstrom's Weekend Cooking** Tina Nordström,2016-10-18 At the end of a long work week, we’d love to simply leave the grocery bags on the counter to unpack themselves, get comfortable, and call for takeout on Friday night, and maybe Saturday, and definitely Sunday. However, pints of fried rice and slices of pizza can add up; in no time at all, your pants will be tighter and your wallet will be lighter. Swedish top chef Tina Nordström knows the last thing you want to do on the weekends is more work. But what if that work were rewarding? And delicious? And exactly what you need to forget that another Monday is just around the corner? Sitting down to dishes like baked potatoes with roast beef and bell peppers, deep-fried avocado with lemon dip and peanuts, crispy roast pork with red cabbage and spicy mustard, vanilla ice cream with caramel sauce and crumbles, and chocolate cake will indeed whisk you away from the weekday craziness and will help you relax and enjoy your weekend. This book provides three sections of recipes: Friday’s recipes are fast and simple, so you can finally get off your feet and cuddle in front of the couch. Saturday’s are more challenging and plentiful, great for dinner for two (or ten, if you wish to entertain) with suggested appetizers, wine pairings, and decadent desserts. And finally, on Sunday, sleep in and prepare yourself for everyone’s favorite meal—brunch! Skyhorse Publishing, along with our Good Books and Arcade imprints, is proud to publish a broad range of cookbooks, including books on juicing, grilling, baking, frying, home brewing and winemaking, slow cookers, and cast iron cooking. We’ve been successful with books on gluten-free cooking, vegetarian and vegan cooking, paleo, raw foods, and more. Our

list includes French cooking, Swedish cooking, Austrian and German cooking, Cajun cooking, as well as books on jerky, canning and preserving, peanut butter, meatballs, oil and vinegar, bone broth, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
