**Just Roll with It** Veronica Agarwal, Lee Durfey-Lavoie,2021-12-14 Starting middle school is hard enough when you don't know anyone; it's even harder when you're shy. A contemporary middle-grade graphic novel for fans of Guts and Real Friends about how dealing with anxiety and OCD can affect everyday life. As long as Maggie rolls the right number, nothing can go wrong...right? Maggie just wants to get through her first year of middle school. But between finding the best after-school clubs, trying to make friends, and avoiding the rumored monster on school grounds, she's having a tough time...so she might need a little help from her twenty-sided dice. But what happens if Maggie rolls the wrong number? A touching middle-grade graphic novel that explores the complexity of anxiety, OCD, and learning to trust yourself and the world around you. "A charming, compassionate story that's sure to resonate with anyone who's ever stayed up worrying." —Gale Galligan, adaptor and illustrator of the Baby-Sitters Club graphic novel series

**The Design of Childhood** Alexandra Lange,2018-06-12 From building blocks to city blocks, an eye-opening exploration of how children's playthings and physical surroundings affect their development. Parents obsess over their children's playdates, kindergarten curriculum, and every bump and bruise, but the toys, classrooms, playgrounds, and neighborhoods little ones engage with are just as important. These objects and spaces encode decades, even centuries of changing ideas about what makes for good child-rearing--and what does not. Do you choose wooden toys, or plastic, or, increasingly, digital? What do youngsters lose when seesaws are deemed too dangerous and slides are designed primarily for safety? How can the built environment help children cultivate self-reliance? In these debates, parents, educators, and kids themselves are often caught in the middle. Now, prominent design critic Alexandra Lange reveals the surprising histories behind the human-made elements of our children's pint-size landscape. Her fascinating investigation shows how the seemingly innocuous universe of stuff affects kids' behavior, values, and health, often in subtle ways. And she reveals how years of decisions by toymakers, architects, and urban planners have helped--and hindered--American youngsters' journeys toward

independence. Seen through Lange's eyes, everything from the sandbox to the street becomes vibrant with buried meaning. The Design of Childhood will change the way you view your children's world--and your own.

**Parenting with Presence** Susan Stiffelman, MFT,2015-04-20 Our children can be our greatest teachers. Parenting expert Susan Stiffelman writes that the very behaviors that push our buttons — refusing to cooperate or ignoring our requests — can help us build awareness and shed old patterns, allowing us to raise our children with greater ease and enjoyment. Filled with practical advice, powerful exercises, and fascinating stories from her clinical work, Parenting with Presence teaches us how to become the parents we most want to be while raising confident, caring children. “Shows parents how they can transform parenting into a spiritual practice.” — Eckhart Tolle, author of The Power of Now “Clear, wise, soulful, and poetic.” — Alanis Morissette

knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Toca Boca For Kids books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Toca Boca For Kids books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Toca Boca For Kids books and manuals for download have transformed the way we access information.
