A Frozen Woman Annie Ernaux, 2020-05-19 WINNER OF THE 2022 NOBEL PRIZE IN LITERATURE A Frozen Woman charts Ernaux's teenage awakening, and then the parallel progression of her desire to be desirable and her ambition to fulfill herself in her chosen profession - with the inevitable conflict between the two. And then she is 30 years old, a teacher married to an executive, mother of two infant sons. She looks after their nice apartment, raises her children. And yet, like millions of other women, she has felt her enthusiasm and curiosity, her strength and her happiness, slowly ebb under the weight of her daily routine. The very condition that everyone around her seems to consider normal and admirable for a woman is killing her. While each of Ernaux's books contain an autobiographical element, A Frozen Woman, one of Ernaux's early works, concentrates the spotlight piercingly on Annie herself. Mixing affection, rage and bitterness, A Frozen Woman shows us Ernaux's developing art when she still relied on traditional narrative, before the shortened form emerged that has since become her trademark.

A Girl's Story Annie Ernaux, 2020-04-07 WINNER OF THE 2022 NOBEL PRIZE IN LITERATURE Another masterpiece of remembering from Annie Ernaux, the Man Booker International Prize-shortlisted author of The Years. In A Girl's Story, Annie Ernaux revisits the season 50 years earlier when she found herself overpowered by another's will and desire. In the summer of 1958, 18-year-old Ernaux submits her will to a man's, and then he moves on, leaving her without a "master," bereft. Now, 50 years later, she realizes she can obliterate the intervening years and return to consider this young woman that she wanted to forget completely. And to discover that here, submerged in shame, humiliation, and betrayal, but also in self-discovery and self-reliance, lies the origin of her writing life.

The Sixth Station Linda Stasi, 2013-12-01 Some say Demiel ben Yusef is the world's most dangerous terrorist, personally responsible for bombings and riots that have claimed the lives of thousands. Others insist he is a man of peace, a miracle worker, and possibly even the Son of God. His trial in New York City for crimes against humanity attracts scores of protestors, as well as media and religious leaders from around the world. Cynical reporter Alessandra Russo heads to the UN hoping for a piece of the action, but soon becomes entangled in controversy and suspicion when ben Yusef singles her out for attention among all other reporters. As Alessandra begins digging into ben Yusef's past, she is already in more danger than she knows—and when she is falsely accused of murder during her investigation, she is forced to flee New York. On the run from unknown enemies, Alessandra finds herself on the trail of a global conspiracy and a story that could shake the world to its foundations. Is Demiel ben Yusef the Second Coming or the Antichrist? The truth may lie in the secret history of the Holy Family, a group of Templars who defied the church, and a mysterious relic stained with the sacred blood of Christ Himself.

Le Théâtre Du Soleil Béatrice Picon-Vallin, 2020 Le Théâtre du Soleil traces the company's history from a group of young, barely trained actors, directors and designers struggling to match their political commitment to a creative strategy, to their grappling with the concerns of migration, separation and exile in the early decades of the 21st century. Béatrice Picon-Vallin recounts how, in the fifty-five years since their founding, Théâtre du Soleil have established themselves as one of the foremost names in modern theatre. Ariane Mnouchkine and her collaborators have developed a unique and ever-evolving style that combines a piercing richness of shape, colour, and texture with precision choreography, innovative musical accompaniment, and multi-layered, metaphorical dreamscapes. This rich, storied history is illustrated by a wealth of spectacular rehearsal and production photos from the company's own archive and interviews with dozens of past and present members, including Mnouchkine herself. Judith G. Miller's timely translation of the first comprehensive history and analysis of a remarkable, award-winning company is a compelling read for both students and teachers of Drama and Theatre Studies.

Apocalypse Jacques Ellul, 2020-05-05 "There has never been a book provoking more delirium, foolishness and irrational movements, without any relationship to Jesus Christ [than the Book of Revelation]." —Jacques Ellul, Introduction Known for his trenchant critique of modernity and of those Christians who celebrate their captivity to it, Ellul here cuts to the heart of the theological intention of the Book of Revelation, and thereby reveals the liberating gospel in all its offensiveness. Neither an exhaustive commentary nor a work of historical-exegetical analysis, Apocalypse is a provocative, independent interpretation. Ellul seeks to rescue Revelation from the reassuring and orthodox banality to which commentators often reduce it. The goal is to perceive the totality of the book in its movement and structure. "Architecture in movement" is the key to understanding Revelation's puzzling but simple message. This edition also comes with a new foreword by Jacob Marques Rollison who provides an essential aid for guiding readers through Ellul's thorough engagement with Revelation.
