**The Garbage Times/White Ibis** Sam Pink,2018-05-01 "I love the pulse of Sam Pink's sentences, the way they can hold the gorgeous and the grisly and the hilarious all at the same time. The Garbage Times/White Ibis thrilled me and messed me up, left me feeling a little dazed and a lot changed." —Laura van den Berg, author of *The Third Hotel* and *Find Me* From the freezing alleys of Chicago to the dew-blanketed bayou of Florida. From bouncing drunks and cleaning up puke to biking through the swamp laughing at peacocks. Freeze to thaw. Filth and broken glass and black water backed up in showers; lizards and Girl Scouts and themed birthday parties. A baby rat freed from the bottom of a dumpster becomes a white ibis wandering the wet driveway after a storm. Goodbye, hello, goodbye. It was the garbage times; it was time for something else. A tale of two tales, connected by a mysterious sunlit portal. The edition is designed with tête-bêche binding as a single volume.

**3-2-1** J.J. Parker,2009-07-31 3-2-1 -- three plays. Three genres. Three experiences. Like Shakespeare, J.J. Parker

realizes that all the world's a stage, but it's stocked with humor, drama, longing, and tragedy. So is this book. From the frustrated cell of the characters shanghaied into The Waiting Room, to the goofball humor of the lazy layabout cousins Tom and John, to the searing boxing ring proving ground of The Prizefighters, Parker has again served up generous helpings of imaginary grub that will compel attention, and fill an otherwise lonely evening. Here's three reasons to read that've been plucked from an imaginary need -- so savor the fruits of one man's seminal seed.... Ponder the fate of the prodigal quartet; laugh at the deranged strategems of the dopey duo; duck life's punches with the adversarial father and son. Read ... and bleed in your insides, for the human condition is a balance between fate and luck, blended with ingenuity and pluck. Vitality began with your DNA conception ... a fresh understanding of life begins on page one....

*The 3 Ms of Fearless Digital Parenting* Carrie Rogers-Whitehead, 2021-08-03 How can we protect our kids online—and teach them to protect themselves? Do you feel overwhelmed with technology in your home? Do headlines about this app or that website make you feel anxious and undecided as a parent? Do you get advice from many experts—but still feel unclear on what to do? This book unpacks the “3 Ms” of parenting in the digital age, a proven approach used with thousands of parents through the work of Digital Respons-Ability and its founder, Carrie Rogers-Whitehead. When Carrie first started working in the field of digital citizenship, she found significant gaps in how digital

parenting was taught. Not only were parents not informed enough around technology, they also didn't understand child developmental stages. Parents' expectations for their children were unrealistic because they didn't know how online responsibility changes at different ages, as children's brains change. From this realization, Carrie developed the 3 Ms—three approaches to digital parenting, based on specific age ranges: Model (ages 0-8) Manage (ages 8-13) Monitor (ages 13-18) By teaching parents how to change their approach to digital responsibility based on the developmental stage of their child, she has seen significant success in fostering happier and healthier relationships between parents and kids, as well as safer tech use by kids at all ages. This book presents Carrie's approach in an accessible, easy-to-implement manner, giving all parents the opportunity to develop better tech use in their own homes and families, and to parent confidently and without fear.

Half My Life Joseph Lim, 2022-11-03 Jordan is a loving, intelligent, and energetic boy who, at a very young age, was diagnosed with autism spectrum disorder. As a result, he is significantly limited in communication skills, social development, and academic progress. Additionally, Jordan and his family sometimes have to contend with those who are either not receptive to or not well-informed about special-needs individuals. Despite his condition, Jordan's family loves him unceasingly. Together, they persevere through the challenges that accompany the autism and do all they can to obtain the best services and benefits available for Jordan. As time goes by and the family adjusts to their unique struggles, they are hit with another huge blow. Just prior to reaching adolescence, Jordan is diagnosed with type 1 diabetes. All of a sudden, Jordan is dealing with more than just social and developmental issues but also a major physical health scare. Yet amid the devastating news and extremely difficult process overall, the family's faith remains strong, and Jordan continues to persevere like the champion that he is. This memoir Half My Life: Special in Many Ways is a follow on to the initial work entitled Half My Life: The Testimony of a Father and His

Special-Needs Child. It is essentially a peek into the lives of a family with a special-needs child, chronicling the experiences and adventures, including the ups and downs, highlights and struggles, triumphs and setbacks, as told from the perspective of one of Jordan's biggest fans--his dad. The author will donate a portion of the proceeds to selected charities related to special needs.
