Play Therapy Interventions with Children's Problems Garry L. Landreth,Dee C. Ray,Daniel S. Sweeney,Linda E. Homeyer,Geraldine J. Glover,2010-08-14 This is an easy-to-use reference to the most effective play therapy techniques and their substantiated results. Play therapy is not an approach based on guess, trial and error, or whims of the therapist at the moment. It is a well-thought-out, philosophically conceived, developmentally based, and research-supported method of helping children cope with and overcome the problems they experience in the process of living their lives. Concise digests of play therapy procedures explore the most difficult, as well as the most common problems encountered by play therapists. These digests cover play therapy approaches based on a variety of theoretical positions for dealing with a broad range of specific problems. Because they often do not have access to substantiated results, play therapists sometimes doubt themselves and the effectiveness of their work. This book, an invaluable resource, puts an end to such questioning.

Ingrid Skyberg FBI Thrillers Box Set Eva Hudson,2015-05-27 From chart-topping author Eva Hudson, a gripping crime thriller series to keep you on the edge of your seat. Ingrid Skyberg joined the FBI to bring one man to justice: the man who abducted her best friend when she was fourteen. It's been eighteen years but she's never stopped looking for him... or for the friend who has never been seen since. Now she works out the American embassy in London and when a US citizen gets into trouble, or winds up dead, Ingrid Skyberg is on their case. Tenacious, virtually indestructible and slightly out of control, Ingrid Skyberg is truly unputdownable. This deluxe edition includes three full-length novels, a novella and four short stories offering over a thousand pages of up-all-night action. Never previously available in one edition, this collection is the perfect introduction to Ingrid Skyberg's adventures. Unlock the thrills and twists of this up-all-night series, perfect for fans of gripping mysteries, strong women investigators and any reader who has ever wondered if there's a female version of Jack Reacher. There is, and her name is Ingrid Skyberg. RUN GIRL The Secretary of State's granddaughter has gone missing in London, and it falls to Ingrid to find the teenager. There's something about girls who disappear from view that gnaws at Ingrid, that makes her care more than she should, that makes her lose perspective and take unnecessary risks. It's Ingrid's first time in London—she's only in town to train the Metropolitan Police—so she needs some local knowledge. She is reluctantly paired with a suave, good-looking and arrogant secret intelligence operative who leads her through the city's back alleys and corridors of power. He's charismatic and dynamic but when his methods become dangerously unconventional, the two of them clash... in more ways than one. FRESH DOUBT Madison Faber, a brilliant psychology student at a prestigious London college, has discovered her friend's body in a pool of blood. Now she's in police custody being questioned for murder. Protesting her innocence, Faber fears the killer will target her next and persuades Ingrid to hunt him down. But the deeper Ingrid digs, the deadlier the case gets. And when she uncovers a sinister group operating within the psychology department, Ingrid is in far more danger than she realizes. Up against the clock, and disobeying strict FBI protocols, Ingrid's obsession to bring the killer to justice takes her far beyond the law. So far she may never get back. KILL PLAN A banker is found dead at his desk in the City of London. Then a heavily tattooed body washes up in the Thames. Now someone is after Ingrid. At first these crimes seem unrelated, but they are all the work of an audacious serial killer working on both sides of the Atlantic. Special Agent Ingrid Skyberg, the FBI's criminal investigator in London, is one of the toughest agents ever to come out of Quantico. She's resilient, resourceful and a bit of a renegade, but she's never been tested like this before. With no help from her colleagues at the US embassy, Ingrid is running out of time to unmask the killer before he strikes again. But she can only do that if she can stay alive. DEEP HURT Ingrid Skyberg joined the FBI to bring one man to justice: the man who abducted her best friend when she was fourteen. It's been eighteen years and she's never stopped looking for him... or for the friend who has never been seen since. Today's the day she's finally going to get some answers. The book brings us back to the time of Toronto's original horse-drawn streetcar, the construction of Maple Leaf Gardens, and other memories of Toronto, many of which show how history repeats itself, as in the gas price wars of the early 20th century or the debate in 1911 over building a bridge to Toronto island.

It also integrates adjunct therapies in environments beyond those of traditional psychotherapy, such as school, and describes how their strategies can be used effectively to augment therapy and understand dissociative children. Based on a model integrating five prominent therapeutic modalities, and underscoring the importance of attachment style, the book focuses on the neurobiology of trauma, a high co-morbidity of symptoms, specialized clinical interventions, psychopharmacology, and family intervention techniques. Also addressed are adjunct therapies in art, and EMDR. In addition, the book provides a window into the effects of traumatic events such as medical illness that may be overlooked, and safe techniques with dissociative youth who are exhibiting dangerous behaviors.
