**A Fulfulde (Maasina) - English - French Lexicon** Donald W. Osborn,David J. Dwyer,Joseph I. Donohoe,2012-01-01 The Lexicon brings together lexical material from a wide range of published and non-published sources to create an extensive compilation of the vocabulary of Fulfulde as it is spoken in that part of central Mali known as Masina (in Fulfulde, Maasina). The Lexicon is intended primarily for non-Fulfulde speakers who are learning the language at the intermediate or advanced levels and who need access to a comprehensive reference source on Fulfulde vocabulary. Scholars, development workers, and others whose research or fieldwork involves use of the Fulfulde of Masina may find it helpful as well in clarifying nuances of meaning and standardized spelling for the less familiar terms they might encounter. It is also intended that the present work, beyond the matter of organizing vocabulary, will contribute significantly to the expanding lexicographical and linguistic investigations of Fulfulde.

*Making Copyright Work for the Asian Pacific* Susan Corbett,Jessica Lai,2018-10-22 This book provides a contemporary overview of developing areas of copyright law in the Asian Pacific region. While noting the tendency towards harmonisation through free trade agreements, the book takes the perspective that there is a significant amount of potential for the nations of the Asian Pacific region to work together, find common ground and shift international bargaining power. Moreover, in so doing, the region can tailor any regional agreements to suit local needs. The book addresses the development of norms in the region and the ways in which this can occur in light of the specific nature of the creator-owner-user paradigm in the region and the common interests of Indigenous peoples.
