True or False Cindy L. Otis, 2020-07-28 If I could pick one book to hand to every teen-and adult-on earth, this is the one. True or False is accessible, thorough, and searingly honest, and we desperately needed it. -Becky Albertalli, author of Simon vs. the Homo Sapiens Agenda A former CIA analyst unveils the true history of fake news and gives readers tips on how to avoid falling victim to it in this highly designed informative YA nonfiction title. Fake news is a term you've probably heard a lot in the last few years, but it's not a new phenomenon. From the ancient Egyptians to the French Revolution to Jack the Ripper and the founding fathers, fake news has been around as long as human civilization. But that doesn't mean that we should just give up on the idea of finding the truth. In True or False, former CIA analyst Cindy Otis will take readers through the history and impact of misinformation over the centuries, sharing stories from the past and insights that readers today can gain from them. Then, she shares lessons learned in over a decade working for the CIA, including actionable tips on how to spot fake news, how to make sense of the information we receive each day, and, perhaps most importantly, how to understand and see past our own information biases, so that we can think critically about important issues and put events happening around us into context. True or False includes a wealth of photo illustrations, informative inserts, and sidebars containing interesting facts and trivia sure to engage readers in critical thinking and analysis. This title has common core connections.

Fake News, True Story JP. Lindsley, 2018-09-25 An insider's true story of how Fox News and the conservative media conspired to undermine facts and lay the groundwork for Trump's election.

The True Story of Fake News Mark Dice, 2017-11 The author, a media analyst, presents his analysis and perspective on the evolution of today's news platforms, from the expansion into social media as well as his thoughts on the underlying methods and motivations of today's news and information sources and distributors.

Bad News on the Doorstep Joseph Rocco Cervasio, 2004-05-24 The Greatest Generation was in full bloom during the enigmatic decade of the fifties. In northern New Jersey, The Newark Star Ledger on the doorstep every morning was bringing changing news as that pastoral period came to an end. A blue-collar ethnic family saga evolves that takes you on an epic journey through unfulfilled dreams, with spiritual forks in every road. In the shadows lurk glamorous alternatives of gangland activities and the allure of the entertainment business. But it was a legendary high school football game that truly signaled winds of change would be rushing in. An outstanding athlete and young man, Frank Bonaducci made a decision in that rivalry that would affect peoples lives forever. Surrounding him is his family, as well as a menagerie of unforgettable characters from Bloomfield Avenue in Newark, to the Silver Lake section of Belleville, to Nutleys Park Oval. They roam the pages of this touching story, teaching life-long lessons. Their roles craft a tapestry of life, creating a yearning in our hearts for these days gone by. Every one should have an uncle like Petee 5 Corners and an Aunt Bella who danced across imaginary stages as Bella LaStarr. Each chapter reads like a short story that will touch your heart and soul. The book depicts frustrations of coming of age and traditional rights of passage that honor family traditions . . . more than the family members themselves. It wont take long to learn . . . that when you look back, . . . you should glance, not stare. In his first novel, Joseph Rocco Cervasio escorts us through New Jerseys fabled Essex County in a way that will make Bad News on the Door Step . . . the good news you are seeking. A demanded public speaker, Cervasio has tested throughout the country the stories that have evolved into the tales of this fiction. And you will react the same way his audiences have over the years--youll laugh and cry and say, . . . no way. Writing with compassion and spiritual discernment that penetrate the wonder of these times, Cervasio takes you from 1959 to the present. From

an Italian American feast during New Years Eve at Grandpa Joes, to the end zone of a football field, to Rahway State Prison, to a hot autumn afternoon at the Five Corners of Fifth Street and Bloomfield Avenue, to the glamor of Havana; you are bound to find a familiar character or even family member, . . . particularly if you are from Jersey! When Buddy Holley, Ritchie Valens, and the Big Bopper crashed in a snow-covered cornfield in Iowa on February 3, 1959, they became the final ingredient to launch the Bonaducci family into a trek every reader will cherish. Witness the battle between self-sacrifice and selfish lusts, as the kingdoms of modest middle class living and mob affiliation collide headon. Ten years in the making, *Bad News on the Door Step* is a labor of love that introduces Joseph Rocco Cervasio as a consummate storyteller, passionate about changing peoples lives for the better.

Tell It True John Pruitt, 2022-10-04 An African American serviceman is gunned down on a rural Georgia road in July 1964. This shocking murder ensnares a wide range of characters including the journalists who cover it, the lawmen who must solve it, the civil rights leaders who capitalize upon it, the politicians who exploit it, and the Atlanta magnate who fears its impact on the New South image he desperately wants to protect. TV news cameraman Gil Matthews and AP reporter Mindy Williams team up to follow the twists and turns of the murder investigation as rural, state, and federal lawmen clash, a civil rights leader fends off a black power challenger, and voters take sides in a governor's race pitting virulent racist Roscoe Pike against moderate underdog Harrison Parker. Focusing on the challenges faced by journalists as they covered a societal revolution and brought the dramatic and sometimes violent scenes to TV screens around the world, *TELL IT TRUE* takes us to a time when the future of the South hung in the balance.

America's Good News Almanac Bill Bailey, 1996 Local heroes, good deeds, rescued children, medical advances, foiled crooks, optimistic statistics, and lots of other heartwarming current events too often ignored by the media are gathered in this one delightful volume. This book contrasts sharply with hyped-up stories about political

scandal, trials of the century, or celebrity bad boys. These stories are written from the heart.

True Enough Farhad Manjoo, 2011-02-17 Why has punditry lately overtaken news? Why do lies seem to linger so long in the cultural subconscious even after they've been thoroughly discredited? And why, when more people than ever before are documenting the truth with laptops and digital cameras, does fact-free spin and propaganda seem to work so well? True Enough explores leading controversies of national politics, foreign affairs, science, and business, explaining how Americans have begun to organize themselves into echo chambers that harbor diametrically different facts—not merely opinions—from those of the larger culture.

No Time To Think Howard Rosenberg, Charles S. Feldman, 2008-10-01 An eviscerating look at the state of journalism in the age of the 24 hour news cycle by a Pulitzer Prize-winning television critic and a veteran news correspondent. No Time To Think focuses on the insidious and increasing portion of the news media that, due to the dangerously extreme speed at which it is produced, is only half thought out, half true, and lazily repeated from anonymous sources interested in selling opinion and wild speculation as news. These news item can easily gain exposure today, assuming a life of their own while making a mockery of journalism and creating casualties of cool deliberation and thoughtful discourse. Much of it is picked up gratuitously and given resonance online or through CNN, Fox News, MSNBC and other networks, which must, in this age of the 24-hour news cycle, feed the beast. In dissecting this frantic news blur, No Time to Think breaks down a number of speed-driven blunders from the insider perspective of Charles Feldman, who spent 20 years as a CNN correspondent, as well as the outsider perspective of Howard Rosenberg, who covered the coverage for 25 years as TV critic for The Los Angeles Times. No Time to Think demonstrates how today's media blitz scrambles the public's perspective in ways that potentially shape how we think, act and react as a global society. The end result effects not only the media and the public, but also the government leaders we trust to make carefully considered decisions on our behalf. Featuring interviews ranging from former NBC News anchor Tom Brokaw to internet doyenne Arianna Huffington to PBS stalwart Jim Lehrer to CNN chief Jonathan Klein to a host of former presidential press secretaries and other keen-eyed media watchers, this incisive work measures lasting fallout from the 24-hour news cycle beginning in 1980 with the arrival of CNN, right up to the present.

I appreciate and thank Larry for his efforts in our search for answers in the disappearance of my daughter, Natalee! ?Dave Holloway, co-author, *Aruba* with R. Stephanie Good and Larry Garrison Larry Garrison has been there for all the big cases?from Robert Blake to Natalee Holloway and Michael Jackson, he gets the scoop every time! The NewsBreaker is the ultimate ride for fans of high-profile criminal trials and anyone else who wants the story behind the story! ?Wendy J. Murphy, New England School of Law, CBS News Legal Analyst Larry has the nose and tenacity of a bulldog for finding controversial stories some might not want told, and others wish they could find. His story is a treasure trove of dazzling anecdotes and compelling tales that promise to grab your attention. ?Theresa Coffino, Executive producer, EXTRA Knowing Larry since my days with the White House Press Office, and working with him on major sweeps stories on Larry King Live has proven that he is a true journalist and a fine executive producer. ?Edward Lozzi, Beverly Hills Public Relations Executive, Former White House Aide

Lincoln's Lie Elizabeth Mitchell, 2020-10-06 This "delicious, suspenseful . . . and cleverly written romp through a dramatic and forgotten moment in American history" reveals how Lincoln manipulated the media during the Civil War—shining new light on the current 'fake news' crisis (Elizabeth Gilbert) In 1864, during the bloodiest days of the Civil War, two newspapers published a call, allegedly authored by President Lincoln, for the immediate conscription of 400,000 more Union soldiers. New York streets erupted in pandemonium. Wall Street markets went wild. When Lincoln sent troops to seize the newspaper presses and arrest the editors, it became clear: The proclamation was a lie. Who put out this fake news? Was it a Confederate spy hoping to incite another draft riot? A political enemy out to ruin the president in an election year? Or was there some truth to the proclamation—far more truth than anyone suspected? Unpacking this overlooked historical mystery for the first time, journalist Elizabeth Mitchell takes readers on a dramatic journey from newspaper offices filled with heroes and charlatans to the haunted White House confinement of Mary Todd Lincoln, from the packed pews of the celebrated preacher Reverend Henry Ward Beecher's Plymouth Church to the War Department offices in the nation's capital and a Grand Jury trial. In *Lincoln's Lie*, Mitchell brings to life the remarkable story of the manipulators of the news and why they

decided to play such a dangerous game during a critical period of American history. Her account of Lincoln's troubled relationship to the press and its role in the Civil War is one that speaks powerfully to our current political crises: fake news, profiteering, Constitutional conflict, and a president at war with the press.
