The DAY the PAST becomes the FUTURE Rose K.,2016-04-13 Life shows us the direction we must look in - what we see there, however, is up to us. People have grown eccentric because they have distanced themselves from their inner core and, as they are no longer in touch with themselves, they can hardly hear the cries of the environment. Apocalyptic prophecies come to pass ... It is as though we are not being punished for our sins but by them. Counselor Lilian leaves Europe for the USA on a thrilling, adventurous search for her grown daughters. Life after the catastrophe shows people the direction they needed to look in and in the crisis they discover a valuable opportunity. The Earth experiences a return to the past, but this time humankind responds in unity, harmony and respect, making their own future the best one possible - a place for exploring, learning, growing and truly loving. The stories are life-like, exciting, based on true events and filled with valuable psychological principles as well as ancient life wisdom, offering support in everyday life, ethics and self-awareness.

True Vision Joyce Lamb,2010-06-01 The author of Cold Midnight delivers a new paranormal suspense trilogy... A newspaper reporter is living an ordinary life, until witnessing a fatal hit-and-run accident gives her an intense psychic power she has no clue how to handle-and brings a Chicago police detective to her doorstep.

Your Deepest Dream Joseph Castleberry,2014-02-27 Everyone wants to live a rich, satisfying life, but according to author Joseph Castleberry, the only way for that to happen is for us to discover and live out our deepest dreams. Many books on personal fulfillment help people identify their goals and objectives, but Your Deepest Dream goes beyond that to explain how developing godly character, having a strong moral center, and growing a vital relationship with God are all key to realizing our dreams. Put your spiritual gifts into action as you discover how the

Holy Spirit can help you live in joy and creativity. Action points and exercises are included in each chapter.

True Vision 4 Success Bob Natoli,2011-10-01 Techniques and examples of success which can be learned by anyone to reach their own goals, such as how to: identify and create winning habits ; avoid short-term gains for long-term losses ; acquire positive accurate perceptions of yourself and others ; focus your willpower like a laser beam to create total focus ; how to put yourself in that winning frame of mind.

True Vision L.K. Ludwig,2011-02-09 Featuring the artwork of over 25 leading artists with name recognition As art journaling grows in popularity (even attracting a new breed of scrapbookers who call themselves life artists), there is a movement afoot toward creating more authentic, personal, what some people call raw journals. These journals are filled with not just attractive, well-composed pages, but pages that are filled with personal, meaningful content. True Visions is focused on ways to bring authenticity and meaning into one's art journaling. The book will examine themes and topics common to all while offering activities and exercises to create rich meaningful content. Each chapter will highlight familiar subject areas such as life events, spirituality, childhood, and even an artist's favorite writings. Within each topic, readers are given guided activities and exercises for developing content, provided one or two artistic techniques, and are shown inspiring examples of work by a variety of talented art journal artists.

My True Vision of Poetry John Williams,2022-08-01 Here in My True Vision of Poetry is the opinion of Poet Laureate John A. Williams and twenty-eight poems about love, passion, greed, hate, birth, envy, prayers, blessings, and even death. John derives great satisfaction from writing poems. Some of these poems made famous by the International Society of Poets. Poetry is putting words and ideas together to express feelings or emotions symbolically, metaphorically, ironically, or through personification,

alliteration, and many other figures of speech. A great poem can live in the mind of the reader and assist an individual to have a positive and successful life.

The Power of Vision George Barna,2018-06-05 According to George Barna, uncovering God's vision for your ministry is not an option. It's essential for the most productive ministry that will accomplish God's goals for building his kingdom. Ministry leaders with a clear picture from God of where they are headed are much more likely to experience a successful journey. In this book, Barna uncovers how God has shared his vision throughout history, how vision is different from mission, common practices and beliefs that inhibit true vision, practical steps toward experiencing and carrying out God's unique vision for them, and ways to share and promote congregational ownership of the vision.The Power of Vision

Infinite Vision Pavithra K. Mehta,Suchitra Shenoy,2011 The Aravind Eye Hospital, based in India, is the world's largest provider of high-quality eye care. It is also one of the world's most incredible and revolutionary organizations - delivering surgical outcomes equal to or exceeding those in the developedworld at less than one percent of the cost, treating more than half of its

patients free of charge, and taking no grants or donations. Aravind's success is so perplexing it has been the subject of a popular Harvard Business School case study. This is thefirst book to explore Aravind's history and the distinctive philosophies, practices, and commitments that are the keys to its success. Mehta and Shenoy share incredible stories about how Aravind grew from humble beginnings--founded by a retired ophthalmologist with no money or prior entrepre-neurial experience--to the world-class organization it is today. They explain the mysteries of a model that integrates innovation with empathy, service with business principles, and inner change with outer transformation. And they show how choices that seem foolish and unworkable can, when executed with compassion and integrity, yield powerful results - results that literally light the eyes of millions.--Provided by publisher.
