*No One Will Let Her Live* Claire Snell-Rood,2015-06-23 The inequalities that structure

relationships in Delhi's urban slums have left the health of women living there chronically vulnerable. Yet for women living in slums, there is no other option than to depend on someone. Based on fourteen months of intensive fieldwork with ten families in a Delhi slum, *No One Will Let Her Live* argues that women rely on moral strategies to confront the poverty and unstable relationships that threaten their well-being. Claire Snell-Rood breaks new ground by delineating the complex ways in which women set boundaries, maintain their independence, and develop a nuanced sense of selfhood that draws on endurance, asceticism, mobility, and citizenship.

Shapes of clay. Some ante-mortem epitaphs. The scrap heap Ambrose Bierce, 1910

*Poetry* Ambrose Bierce, 2022-09-26T19:15:51Z While better known for his short stories and his satirical *The Devil's Dictionary*, American journalist Ambrose Bierce was also a prolific writer of serious, comic, sentimental, and satirical poetry, verse, and epigrams. Bierce's poetry contains similar

themes as much of his other work. His bitter cynicism on human nature is exemplified in “Montefiore,” “Incurable,” and “The Man Born Blind.” Echoes of the American Civil War, in which Bierce fought for the Union, appear in works such as “At a ‘National Encampment,’ ” “The Death of Grant,” and “The Hesitating Veteran.” Religion is not spared, and he addresses it in “The Lord’s Prayer on a Coin,” “Religion,” and “Theosophistry.” He even wrote several short satirical dramas in verse, addressing, among other topics, Prohibition (“Metempsychosis”), the railroads (“The Birth of the Rail”), and Chinese expulsion in California (“ ‘Peaceful Expulsion’ ”). His poems such as “A Vision of Doom,” “Avalon,” “The Passing Show,” and “Invocation” (one of his most well-known poems) capture his metaphysical outlook and pessimism. He even pens a fine elegy to his cat in “In Memoriam.” This comprehensive collection contains much of Bierce’s poetical work from multiple sources: his early poems and epigrams published in *The Fiend’s Delight* under his pseudonym “Dod Grile”; his poetry collections *Shapes of Clay* and *Black Beetles in Amber*, as edited and revised by him in his *Collected Works*; his various “ante-mortem” epitaphs on individuals who had not yet died (“On Stone”); his

collection of hundreds of epigrams, also published in his Collected Works; and several uncollected poems, published in various newspapers. This book is part of the Standard Ebooks project, which produces free public domain ebooks.
