*Discerning Grace (The White Sails Series Book 1)* Emma Lombard, 2021-02-22 Slow-burn historical women's fiction with a splash of romance—think: the love child of books like *Bridgerton* mixed with *Pirates of the Caribbean*. As the first full-length novel in The White Sails Series, *DISCERNING GRACE* captures the spirit of an independent woman whose feminine lens blows the ordered patriarchal decks of a 19th century tall ship to smithereens. Wilful Grace Baxter, will not marry old Lord Silverton with his salivary incontinence and dead-mouse stink. Discovering she is a pawn in an arrangement between slobbery Silverton and her calculating father, Grace is devastated when Silverton reveals his true callous nature. Refusing this fate, Grace resolves to stow away. Heading to the docks, disguised as a lad to ease her escape, she encounters smooth-talking naval recruiter, Gilly, who lures her aboard HMS *Discerning* with promises of freedom and exploration in South America. When Grace's big mouth lands her bare-bottomed over a cannon for insubordination, her identity is exposed. The captain wants her back in London but his orders, to chart the icy archipelago of Tierra del Fuego, forbid it. Lieutenant Seamus Fitzwilliam gallantly offers to take Grace off the fretting captain's hands by placing her under his protection. Grace must now win over the crew she betrayed with her secret, while managing her feelings towards her taciturn protector, whose obstinate chivalry stifles her new-found independence. But when Grace disregards Lieutenant Fitzwilliam's warnings about the dangers of the unexplored archipelago, it costs a friend his life and she realises she is not as free as she believes. *DISCERNING GRACE* is historical women's fiction that will appeal to fans of Claire Fraser from *Outlander* and Demelza Poldark from *Poldark*—in other words, fans of feisty historical female leads. It is a B.R.A.G. Medallion Honoree. The White Sails Series complete collection box set features one sassy heroine aboard a ship full of sailors. Prepare for historical romance full of strong alpha males with a trace of vulnerability, superstitious sailors, epic sea adventures that take you from the cobbled streets of London to a tall ship setting, and ultimately a happy ending. If you love a man in uniform, strong women who don't like being told what to do, fated mates, and happily-ever-afters, hop aboard the boxset of The White Sails Series: - *Discerning Grace* - *Grace on the Horizon* - *Grace Arising* - *Christmas at Gilly Downs* Also available as audiobooks narrated by Siobhan Waring.

**Think Again** Adam Grant, 2021-02-04 Instant #1 New York Times Bestseller Listed as a Times Self-Help Book of the Year Discover the critical art of rethinking: how questioning your opinions can position you for excellence at work and wisdom in life Intelligence is usually seen as the ability to think and learn, but in a rapidly changing world, the most crucial skill may be the ability to rethink and unlearn. Recent global and political changes have forced many of us to re-evaluate our opinions and decisions. Yet we often still favour the comfort of conviction over the discomfort of doubt, and prefer opinions that make us feel good, instead of ideas that make us think hard. Intelligence is no cure, and can even be a curse. The brighter we are, the blinder we can become to our own limitations. Adam Grant - Wharton's top-rated professor and #1 bestselling author - offers bold ideas and rigorous evidence to show how we can embrace the joy of being wrong, encourage others to rethink topics as wide-ranging as abortion and climate change, and build schools, workplaces, and communities of lifelong learners. You'll learn how an international debate champion wins arguments, a Black musician persuades white supremacists to abandon hate, and how a vaccine whisperer convinces anti-vaxxers to immunize their children. Think Again is an invitation to let go of stale opinions and prize mental flexibility, humility, and curiosity over foolish consistency. If knowledge is power, knowing what you don't know is wisdom.

**Complete Guide to Twitter Traffic** Stu Covacevick, 2021 Introduction To Twitter Profits It's likely that you've heard of Twitter, and perhaps you've even tried to become an active member of this incredibly popular information network. With Twitter, people within the community post what are referred to as 'tweets'. Tweets are short messages and updates that people send out to everyone who chooses to follow them. Each time a tweet is submitted, it shows up on the public timeline, and is pushed down as other, new tweets are circulated throughout the network. And while Twitter requires consistent activity in order to really take full advantage of its incredible resources, you can begin building a targeted list in little time, while generating a massive 'following' of those who are interested in receiving your updates. Within the twitter community, people who choose to add you as a contact are referred to as 'followers', and similar to a mailing list, each follower can be considered a 'lead'. This is yet another way that growing a twitter following is similar to building an effective mailing list. Each follower you receive should be interested in the niche market you are catering to, so building massive following bases isn't the way to go. Instead, you want to build QUALITY lists of followers that are genuinely interested in your broadcasts and likely to respond to your offers and messages. Think about twitter in a similar way as you would when building a mailing list or newsletter base. If you have 100 targeted leads who have decided to subscribe to your ezine and actively respond to your offers, and on another list you have 1,000 leads who are not genuinely interested in what you are offering, which list do you believe would produce the best results or will be easier to monetize?
