Unfollow Megan Phelps-Roper,2019-10-08 The activist and TED speaker Megan Phelps-Roper reveals her life growing up in the most hated family in America At the age of five, Megan Phelps-Roper began protesting homosexuality and other alleged vices alongside fellow members of the Westboro Baptist Church in Topeka, Kansas. Founded by her grandfather and consisting almost entirely of her extended family, the tiny group would gain worldwide notoriety for its pickets at military funerals and celebrations of death and tragedy. As Phelps-Roper grew up, she saw that church members were close companions and accomplished debaters, applying the logic of predestination and the language of the King James Bible to everyday life with aplomb—which, as the church’s Twitter spokeswoman, she learned to do with great skill. Soon, however, dialogue on Twitter caused her to begin doubting the church’s leaders and message: If humans were sinful and fallible, how could the church itself be so confident about its beliefs? As she digitally jousts with critics, she started to wonder if sometimes they had a point—and then she began exchanging messages with a man who would help change her life. A gripping memoir of escaping extremism and falling in love, Unfollow relates Phelps-Roper’s moral awakening, her departure from the church, and how she exchanged the absolutes she grew up with for new forms of warmth and community. Rich with suspense and thoughtful reflection, Phelps-Roper’s life story exposes the dangers of black-and-white thinking and the need for true humility in a time of angry polarization.

Unfollow Me Jill Louise Busby,2021-09-07 An intimate, impertinent, and incisive collection about race, progress, and hypocrisy from Jill Louise Busby, aka Jillisblack. Jill Louise Busby spent years in the nonprofit sector specializing in Diversity & Inclusion. She spoke at academic institutions, businesses, and detention centers on the topics of Race, Power, and Privilege and delivered over two-hundred workshops to nonprofit organizations all over the California Bay Area. In 2016, fed up with what passed as progressive in the Pacific Northwest, Busby uploaded a one-minute video about race, white institutions, and faux liberalism to Instagram. The video received millions of views across social platforms. As her pithy persona Jillisblack became an it-voice weighing in on all things race-based, Jill began to notice parallels between her performance of diversity in the white corporate world and her performance of wokeness for her followers. Both, she realized, were scripted. Unfollow Me is a memoir-in-essays about these scripts; it's about tokenism, micro-fame, and inhabiting spaces-real and virtual, black and white-where complicity is the price of entry. Busby's social commentary manages to be both wryly funny and achingly open-hearted as she recounts her shape-shifting moves among the subtle hierarchies of progressive communities. Unfollow Me is a sharply personal and self-questioning critique of white fragility (and other words for racism), respectability politics (and other words for shame), and all the places where fear masquerades as progress.

Unfollow Your Passion Terri Trespicio,2023-01-03 One of the Best Feel-Good Books of 2021 by The Washington Post A hilarious and honest not-quite-self-help book in the vein of Buy Yourself the F*cking Lilies and I Used to Have a Plan. Every person on the planet wants their life to mean something. The problem is that you’ve been told there’s only one way to find that meaning. In Unfollow Your Passion, Terri Trespicio—whose TEDx talk has more than six million views—questions everything you think you need: passion (fun, but fleeting), plans (flimsy at best), and a bucket list (eye roll), to name a few. Instead, she shows you how (and why) to flip society, culture, and the #patriarchy the bird so you can live life on your terms. Trespicio effortlessly guides you through her method of unhooking yourself from other people’s agendas, boning up on the skills to move you forward, and exploring your own creativity, memory, and intuition to unlock your unique path to meaning—while also confronting the challenges that stop you in your tracks, like boredom, loss, and fear. Unfollow Your Passion is a fresh and fearless “must-read for anyone looking for a more meaningful life” (Mel Robbins, author of The 5 Second Rule).

Girl on a Wire Libby Phelps, Sara Stewart, 2017-08-08 It wasn't until Libby Phelps was an adult, a twenty-five year old, that she escaped the Westboro Baptist Church. She is the granddaughter of its founder, Fred Phelps, and when she left, the church and its values were all she'd known. She didn't tell her family she was leaving. It happened in just a few minutes; she ran into her house, grabbed a bag, and fled. No goodbyes. Based in Topeka, Kansas, the Westboro Baptist Church community is one the country's most notorious evangelical groups. Its members are known for their boisterous picketing--their zealous members with anti-military, anti-Semitic, and anti-gay signs--"Thank God for Dead Soldiers," "God Hates Jews," or "Thank God for 9/11"--and their notorious catchphrase "God hates fags." Search for them online and you're directed to their website, www.godhatesfags.com. The church makes headlines in news across the country. You've driven past its picketers or seen them on TV. It has seventy members and ninety percent of them are part of Libby's family. They picket concerts, football games, other churches, and, most notoriously, the funerals of servicemen and victims of hate crimes. For its members, to question its rules is to risk going to hell--where worms eat at your body and fire shoots out of your eyeballs. In *Girl on a Wire*, Libby is candid about her experience and what's happened since her escape. On *Anderson Cooper Live*, she was confronted by the mother of a soldier whose funeral had been picketed, and had to respond. Despite it all, she cares for her family. Her grandfather's sermons were fear mongering, but she loves him. This unusual memoir presents a rare, inside look into a notorious cult, and is an astonishing story of strength, bravery, and determination.

Unfollow Vol. 3: Turn It Off Rob Williams, 2017-08-08 Writer Rob Williams and artist Michael Dowling are joined by guest artists Simon Gane and Javier Pulido to bring their provocative take on social networking to its shocking conclusion in UNFOLLOW VOL. 3: TURN IT OFF. When Internet billionaire Larry Ferrell announced that he was giving away his entire fortune to 140 random users of his Headspace app, it seemed like a dream come true. But for the people who were chosen, it soon became a nightmare. Ferrell's only condition was that if any of the 140 died, their share of the money would be immediately redistributed to those left alive. The result was carnage. The survivors--both hunters and hunted alike--scattered across the globe. Some went into hiding, some sought protection from mercenaries, and many found sanctuary in cult author Akira's secure compound on Yakushima Island. But Akira's haven became a hell on Earth when the half-sane artist unveiled his own death-fueled plan for digital immortality. In the fiery aftermath, his posthumous Akira app is poised to steal the world's attention away from Ferrell's 140 experiment. Now, two competing visions for the planet's future are about to go to war--and the last of Ferrell's unlucky winners are trapped between them. After a final bloody showdown in the jungle, the ultimate social media alpha will be revealed--but will any of the 140 escape? And if so, what kind of world will they return to? Collects issues #13-18 of the acclaimed Vertigo series.

Unfollow Linda Papadopoulos, 2016-10-06 Life is full of opportunity for young women, but it's also far more pressured than ever before. Whether it's the proliferation or the homogeneity of images of beauty and success that wallpaper our world, we know what a beautiful woman looks like - and we know what a perfect life looks like too. We live in a world that floods us with expectations about everything - from what we should weigh to what we should wear to how often we should be having sex and how much money we should be making. When we inevitably fall short, we feel anxious - we feel that we are failing and have the sense we are losing control. As a result, increasing numbers of young women are battling with issues such as anxiety, low self-esteem, bullying, perfectionism, toxic friendships and relationships, pressure to succeed or conform, and poor body image. At an age when life should be exciting, fun and relatively care-free, more and more young women are adrift and struggling. Dr Linda Papadopoulos understands the issues and has the experience to guide and support young women to help get their lives back on track so they can feel happier, more confident, more in control. *Unfollow: Living life on your own terms* offers valuable insight and practical self-help to empower women to throw off the burden of expectation and start leading the lives they want to lead.
