Ad Dudink,Nicolas Standaert

Extra-story Witches Michael Lincolnhol, I am a tree lover, born on a snowy December day on top of Phu Lung mountain. A year ago, I opened a pastry shop in a city called Vong Xuyen. The shop has an odd name - Don't Stop. As a shop owner, I like to drink tea with special guests. The cup of tea called Phu Sinh is a special drink owned by Non-Stop shop. Green tea water is as clear as jade, pure aroma, bitter before sweet after. On sunny afternoons, or starlit nights, I sit across from the guests, watching them drink this cup of tea, listening to them slowly tell their stories, love and hate, love and hate. floating, all presented in the span of a cup of tea.

Shanghai Telephone Directory [and Buyer's Guide] ,1947

Dong Cung Michael Lincolnhol, Me and Li Cheng Ngan just had an argument. After each quarrel between the two of them, he always seemed to ignore me, and also forbade outsiders to talk to me. How boring and tasteless I felt, when I had the opportunity, I sneaked out to play. A Do still follows me, she is always next to me like a picture and a shadow, no matter where she goes, she can never escape. Well, I don't hate this A Do, except for being a little stubborn, everything is good, and she also knows martial arts, which can help me chase bad guys. We went to the tea shop to listen to the lecture, the teacher preached the letter about foaming at the mouth, next to the part where the Fairy Sword cut off a person's head from a distance of a thousand miles, I asked A Do: Hey, do you believe in the world? Does this have a Fairy Sword?"

Forgive Us Our Sins Ad Dudink,Nicolas Standaert,2023-05-31 Confession in early modern Europe has been the subject of several studies. But what happened to the confessional practice when it moved to other cultures? This is the major research question of the present book as applied to late Ming and early Qing China. The origin of this research can be traced back to the Handbook of Christianity in China: Volume One (635-1800) (Leiden 2000) compiled by researchers of the K.U. Leuven, in collaboration with an international team of circa twenty scholars. As a reference work, the Handbook comprehensively presents many different aspects of Christianity in China, including sciences, arts and crafts. But there was one major absentee: ritual, which is often considered essential for understanding China. A first step in filling this gap was the organisation of an international workshop on Chinese and Christian Rituality in Late Imperial China (Leuven, June 2004). The present volume includes the revised contributions by Eugenio Menegon and Erik Zürcher and a reworked version of an article by Liam Brockey as well as the edition of the primary source he used for his article, a confessional manual composed by Jose Monteiro S.J. (1646-1720). These articles portray

from different angles one of the sacramental rituals, viz. that of confession.

MiGs Over North Vietnam Roger Boniface, 2010 Until now, the day-to-day operations of the Vietnam People's Air Force have remained relatively unknown. In MiGs over North Vietnam, Roger Boniface relies largely on interviews with the participants to describe fighter combat above Vietnam from 1965 to 1975, giving voice to North Vietnamese pilots whose stories have never been told, from deadly dogfights between MiGs and American F-4s to persistent efforts to shoot down B-52 bombers. This is the air war in Vietnam as seen by the other side.--Back cover.

The Tunnels of Cu Chi Tom Mangold,2013-05-08 At the height of the Vietnam conflict, a complex
system of secret underground tunnels sprawled from Cu Chi Province to the edge of Saigon. In these
burrows, the Viet Cong cached their weapons, tended their wounded, and prepared to strike. They had
only one enemy: U.S. soldiers small and wiry enough to maneuver through the guerrillas' narrow
domain. The brave souls who descended into these hellholes were known as "tunnel rats." Armed
with only pistols and K-bar knives, these men inched their way through the steamy darkness where
any number of horrors could be awaiting them—bullets, booby traps, a tossed grenade. Using firsthand
accounts from men and women on both sides who fought and killed in these underground battles,
authors Tom Mangold and John Penycate provide a gripping inside look at this fearsome combat. The
Tunnels of Cu Chi is a war classic of unbearable tension and unforgettable heroes. Praise for The
Tunnels of Cu Chi "A claustrophobic but fascinating tale."—The Wall Street Journal "Chilling . . . what
war really was and how it was fought."—The New York Times "Gripping . . . highly
recommended."—The Philadelphia Inquirer "Remarkable."—The Washington Post
