### **Enabling Consumer and Entrepreneurial Literacy in Subsistence Marketplaces**

Madhubalan Viswanathan,S. Gajendiran,R. Venkatesan,2008-06-01 In a groundbreaking text that will inspire literacy educators, the authors here describe research on low-literate, poor buyers and sellers in subsistence marketplaces. *Contemporary Research in Adult and Lifelong Learning of Mathematics* Katherine Safford-Ramus,Jürgen Maaß,Evelyn Süß-Stepancik,2018-08-17 This book is a selection of 15 papers developed by participants in ICME 13 held in Hamburg , presenting insights from the latest research on the andragogy of adult and lifelong learning of mathematics. It also investigates open questions, such as numeracy and mathematics skills, social and psychological influences on learning environments, as well as economic and political demands. The chapters offer examples, while at the same time highlighting important directions for further research. The book is divided into four parts: The first section provides an overview on the concept of “numeracy”, and the second focuses on adult students who are learning mathematics; the third part presents a teachers’ focus and the final part covers overarching themes. The book is of interest to classroom teachers, university teacher educators, and professional development providers.

**Kalki** Gowri Ramnarayan,2000-10-14 ‘Kalki’ R. Krishnamurthy, one of the pioneering giants of the Tamil press in the tumultuous times of the nationalist movement, was a versatile and prolific writer, inscribing the urgencies of his time in his fiction. This collection brings together the best of Kalki’s short stories, which contain some of his most colourful and enduring characters and themes of Tamil popular fiction of the nineteen thirties and forties. There is in these stories the heady urgency of the freedom struggle, the piquant humour of the parodied Tamil gothic and devastating social satire. In her sensitive translations, Gowri Ramnarayan has succeeded in capturing the nuances of the gently mordant wit that made Kalki’s stories the highlight of the magazines they were originally published in, creating for themselves a dedicated following that flourishes undiminished to this day. Coinciding with the centenary of Kalki’s birth, this volume is a well-deserved tribute to a writer whose breadth of vision and genius imagined and served a new India.

**South Asian Pornographies** Darshana Sreedhar Mini,Anirban K. Baishya,2024-06-21 South Asian Pornographies is the first consolidated volume that explores the relationships between pornography, obscenity, law and desire in South Asia. Focusing on case studies from India, Sri Lanka and Bangladesh while gesturing towards other countries in South Asia, the authors of this volume come from fields as varied as history, literature, media and communication, and the visual arts. The book proposes that as a geo-political location, South Asia has a unique relationship to pornography, given the multiplicity of cultural and legal-censorial regimes that define the obscene and the permissible. South Asian case studies can demonstrate how pornography in the region is often defined in oblique terms, finding reflection in various modes of popular (and sometimes underground) culture, bypassing legal and censorial constraints. Like questions of identity that can only be answered in the plural (identities rather than identity), this book demonstrates how a range of pornographies constitutes the force field of sexualized media in South Asia. It will be of interest to researchers and advanced students of Communication Studies, Cultural Studies, Film Studies, History, Sociology, and Social and Cultural Anthropology. The chapters in this book were originally published in the journal Porn Studies.

Be honest-haven't you felt them around you? Haven't you been surprised by movement in the corner of your vision? By stirring shadows or a faint rustling in the dark? The specimens in this exhibit of monsters from the Indian subcontinent have been hand-picked from musty old encyclopedias, murky urban legends, earthy folk tales and the white-hot bowels of mythology. Some have been stuffed to restore verisimilitude, but none were washed, painted or otherwise altered.
