Bulk Vending - Hit the Quarter Jackpot Frank Lacy,Cecelia Lacy,2007-05-01 Bulk Vending - Hit The Quarter Jackpot documents our first years in bulk vending. We experienced and learned a lot in our first years in bulk vending: buying new and used machines, using location services and buying existing routes. We hope that what we have learned will help anyone with any level of experience in bulk vending. We explain how we got into bulk vending, our purchases of new and used machines and purchasing existing routes. We go into how we service machines and the schedule we ended up with and why. For each subject we go into we talk about what we did right and what we did wrong and talk about what we learned. We have had machines in numerous locations and Appendix A of Bulk Vending reviews all of the businesses we have had machines in, how the machines did, what we thought of the business type and if we would go into that type of business again.
