The Teacher's Awesome App Guide 1.5 John F. OSullivan,2014-10-25

The Techno Play-Along ,2005 General Reference

Music Video FX Gr. 6-8 Doug Sylvester,1995-01-01 Teach essential music concepts through the making of videos. Let your students explore in detail the exciting advertising medium of videos and the components to make effective videos. As well, examine the techniques used in making videos while placing emphasis on critical thinking and valuing skills. Activities are designed so that students are able to state an opinion on a subject and give reasons that support their views; as well, provided are a choice of video topics for flexibility that demonstrate each concept. Included are notes suitable for hand-outs or on a projection device. This Music lesson provides a teacher and student section with a variety of reading passages, activities, word search, exam and answer key to create a well-rounded lesson plan.

Music Education Clint Randles,2014-09-19 Education involving music is a multifaceted and ever-altering challenge. As new media, technologies, and pedagogies are developed, academics and practitioners must make sure that they are aware of current trends and where they might lead. This book features studies on the future of music education from emerging scholars in the field. These studies are then supplemented by commentaries from established leaders of the music education community. Music Education covers topics such as music and leisure, new forms of media in music teaching and learning, the role of technology in music learning, popular music tuition in the expansion of curricular offering, and assessment of music education research. As such, it is an excellent reference for scholars and teachers as well as guide to the future of the discipline.

Mastering the Nikon D850 Darrell Young,2018-06-27 *Mastering the Nikon D850* by Darrell Young provides a wealth of experience-based information and insights for owners of the new D850 camera. Darrell is determined to help the user navigate past the confusion that often comes with complex and powerful professional camera equipment.

This book explores the features and capabilities of the camera in a way that far surpasses the user's manual. It guides readers through the camera features with step-by-step setting adjustments; color illustrations; and detailed how, when, and why explanations for each option. Every button, dial, switch, and menu configuration setting is explored in a user-friendly manner, with suggestions for setup according to various shooting styles.

Darrell's friendly and informative writing style allows readers to easily follow directions, while feeling as if a friend dropped in to share his knowledge. The information in this book goes beyond the camera itself and also covers basic photography technique.

Digital Culture & Society (DCS) Ramón Reichert,Annika Richterich,Pablo Abend,Mathias Fuchs,Karin Wenz,2016-12-31 »Digital Culture & Society« is a refereed, international journal, fostering discussion about the ways in which digital technologies, platforms and applications reconfigure daily lives and practices. It offers a forum for critical analysis and inquiries into digital media theory and provides a publication environment for interdisciplinary research approaches, contemporary theory developments and methodological innovation. The third issue »Politics of Big Data« edited by Mark Coté, Paolo Gerbaudo, and Jennifer Pybus, critically examines the political and economic dimensions of Big Data and thus details its contestation. The contributions focus on the materialities and processes which manifest Big Data and explore forms of value beyond the state and capital. These range from open data initiatives, social media metrics, machine learning algorithms, data visualisation to data dashboards, critical data analysis, and new modes of data action research and practice.
