Alanna Wilcox

Let the Great World Spin Colum McCann, 2009-11-30
NATIONAL BOOK AWARD WINNER • Colum McCann's beloved novel inspired by Philippe Petit's daring high-wire stunt, which is also depicted in the film *The Walk* starring Joseph Gordon-Levitt. In the dawning light of a late-summer morning, the people of lower Manhattan stand hushed, staring up in disbelief at the Twin Towers. It is August 1974, and a mysterious tightrope walker is running, dancing, leaping between the towers, suspended a quarter mile above the ground. In the streets below, a slew of ordinary lives become extraordinary in bestselling novelist Colum McCann's stunningly intricate portrait of a city and its people. *Let the Great World Spin* is the critically acclaimed author's most ambitious novel yet: a dazzlingly rich vision of the pain, loveliness, mystery, and promise of New York City in the 1970s. Corrigan, a radical young Irish monk, struggles with his own demons as he lives among the prostitutes in the middle of the burning Bronx. A group of mothers gather in a Park Avenue apartment to mourn their sons who died in Vietnam, only to discover just how much divides them even in grief. A young artist finds herself at the scene of a hit-and-run that sends her own life careening sideways. Tillie, a thirty-eight-year-old grandmother, turns tricks alongside her teenage daughter, determined not only to take care of her family but to prove her own worth. Elegantly weaving together these and other seemingly disparate lives, McCann's powerful allegory comes alive in the unforgettable voices of the city's people, unexpectedly drawn together by hope, beauty, and the "artistic crime of the century." A sweeping and radical social novel, *Let the Great World Spin* captures the spirit of America in a time of transition, extraordinary promise, and, in hindsight, heartbreaking innocence. Hailed as a "fiercely

original talent” (San Francisco Chronicle), award-winning novelist McCann has delivered a triumphantly American masterpiece that awakens in us a sense of what the novel can achieve, confront, and even heal. Praise for *Let the Great World Spin* “This is a gorgeous book, multilayered and deeply felt, and it’s a damned lot of fun to read, too. Leave it to an Irishman to write one of the greatest-ever novels about New York. There’s so much passion and humor and pure life force on every page of *Let the Great World Spin* that you’ll find yourself giddy, dizzy, overwhelmed.”—Dave Eggers “Stunning . . . [an] elegiac glimpse of hope . . . It’s a novel rooted firmly in time and place. It vividly captures New York at its worst and best. But it transcends all that. In the end, it’s a novel about families—the ones we’re born into and the ones we make for ourselves.”—USA Today “The first great 9/11 novel . . . We are all dancing on the wire of history, and even on solid ground we breathe the thinnest of air.”—Esquire “Mesmerizing . . . a Joycean look at the lives of New Yorkers changed by a single act on a single day . . . Colum McCann’s marvelously rich novel . . . weaves a portrait of a city and a moment, dizzyingly satisfying to read and difficult to put down.”—The Seattle Times “Vibrantly whole . . . With a series of spare, gorgeously wrought vignettes, Colum McCann brings 1970s New York to life. . . . And as always, McCann’s heart-stoppingly simple descriptions wow.”—Entertainment Weekly “An act of pure bravado, dizzying proof that to keep your balance you need to know how to fall.”—O: The Oprah Magazine

Spin Rebecca Janni, 2017-02-21 Go for a spin up a hill—when the story of a bike ride becomes an inspirational journey. Albert Einstein once said, Life is like riding a bicycle. To keep your balance you must keep moving. Ride along up and down the hills and valleys of this bike ride.

Featuring lyrical text and vivid artwork, *Spin* shows that any mountain can be climbed. By pushing forward and pedaling around and around, anyone can spin onwards.

Spin Tom Lodziak, 2020-08-21 Table tennis is a weirdly addictive sport. All over the world, an army of amateur table tennis players compete in leagues, tournaments, pub battles, work challenges and 'friendly' family games. A 78-year-old can beat a 28-year-old. A 10-year-old can make a grown man cry. To win, you need ninja-like reflexes, the control and coordination of a tightrope-artist, and the tactical dexterity of a chess grandmaster. In this book, coach Tom Lodziak will help you improve your table tennis skills, win more points and win more matches. Tom shares tips on training, service, returning serves, winning points, tactics, playing matches and continual improvement. These are tips which work at amateur level. Tips which are achievable. Tips which will make a difference, even if you only play one hour per week. Are you ready to transform your table tennis game?

Final Spin Jocko Willink, 2021-11-09 THE NATIONAL BESTSELLER #1 New York Times bestselling author Jocko Willink's fast-paced thriller *Final Spin*: a story of love, brotherhood, suffering, happiness, and sacrifice. A story about life. Johnny... Shouldn't be in a dead-end job. Shouldn't be in a dead-end bar. Shouldn't be in a dead-end life. But he is. It's a hamster wheel existence. Stocking warehouse store shelves by day, drinking too much whiskey and beer by night. In between, Johnny lives in his childhood home, making sure his alcoholic mother hasn't drunk herself to death, and looking after his idiosyncratic older brother Arty, whose world revolves around his laundromat job. Rinse and repeat. Then Johnny's monotonous life takes a tumble. The laundromat where Arty works, and the one thing that gives him happiness, is

about to be sold. Johnny doesn't want that to happen, so he takes measures into his own hands. Johnny, along with his friend, Goat, come up with a plan to get the money to buy the laundromat. But things don't always go as planned...

SPIN ,2009-09 From the concert stage to the dressing room, from the recording studio to the digital realm, SPIN surveys the modern musical landscape and the culture around it with authoritative reporting, provocative interviews, and a discerning critical ear. With dynamic photography, bold graphic design, and informed irreverence, the pages of SPIN pulsate with the energy of today's most innovative sounds. Whether covering what's new or what's next, SPIN is your monthly VIP pass to all that rocks.

No Spin Shane Warne,2019-07-02 Everyone knows the story, or thinks they do. The leg-spinner who rewrote the record books. One of Wisden's five cricketers of the twentieth century. A sporting idol across the globe. A magnet for the tabloids. But the millions of words written and spoken about Shane Warne since his explosive arrival on the Test cricket scene in 1992 have only scratched the surface. The real story has remained untold.

SPIN ,2008-04 From the concert stage to the dressing room, from the recording studio to the digital realm, SPIN surveys the modern musical landscape and the culture around it with authoritative reporting, provocative interviews, and a discerning critical ear. Spin Peter Zheutlin, 2021-06-01 Ride away on a 'round-the-world adventure of a lifetime—with only a change of clothes and a pearl-handled revolver—in this transcendent novel inspired by the life of Annie Londonderry. “Bicycling has done more to emancipate women than anything else in the world.”—Susan B. Anthony Who was Annie Londonderry? She captured the popular imagination with her daring ‘round the world trip on two wheels. It was, declared *The New York World* in October of 1895, “the most extraordinary journey ever undertaken by a woman.” But beyond the headlines, Londonderry was really Annie Cohen Kopchovsky, a young, Jewish mother of three small children, who climbed onto a 42-pound Columbia bicycle and pedaled away into history. Reportedly set in motion by

a wager between two wealthy Boston merchants, the bet required Annie not only to circle the earth by bicycle in 15 months, but to earn \$5,000 en route, as well. This was no mere test of a woman's physical endurance and mental fortitude; it was a test of a woman's ability to fend for herself in the world. Often attired in a man's riding suit, Annie turned every Victorian notion of female propriety on its head. Not only did she abandon, temporarily, her role of wife and mother (scandalous in the 1890s), she earned her way selling photographs of herself, appearing as an attraction in stores, and by turning herself into a mobile billboard. Zheutlin, a descendent of Annie, brilliantly probes the inner life and seeming boundless courage of this outlandish, brash, and charismatic woman. In a time when women could not vote and few worked outside the home, Annie was a master of public relations, a consummate self-promoter, and a skillful creator of her own myth. Yet, for more than a century her remarkable story was lost to history. In SPIN, this remarkable heroine and her marvelous, stranger-than-fiction story is vividly brought to life for a new generation.

SPIN ,2002-05 From the concert stage to the dressing room, from the recording studio to the digital realm, SPIN surveys the modern musical landscape and the culture around it with authoritative reporting, provocative interviews, and a discerning critical ear. With dynamic photography, bold graphic design, and informed irreverence, the pages of SPIN pulsate with the energy of today's most innovative sounds. Whether covering what's new or what's next, SPIN is your monthly VIP pass to all that rocks.

SPIN ,2007-03 From the concert stage to the dressing room, from the recording studio to the digital realm, SPIN surveys the modern musical landscape and the culture

around it with authoritative reporting, provocative interviews, and a discerning critical ear. With dynamic photography, bold graphic design, and informed irreverence, the pages of SPIN pulsate with the energy of today's most innovative sounds. Whether covering what's new or what's next, SPIN is your monthly VIP pass to all that rocks.

Roving Grace Shalom Hopkins, 2017-09 The first fibre you spun was roving or combed top. You've got memories of mistakes and triumphs. It's the foundation of your craft. Because it's the basis of most of your projects, especially the practical ones, it can feel repetitive and monotonous in your hands. You've lost the spark you used to feel about roving. However, you can easily get out of that roving rut and regain your enthusiasm. ROVING will empower you to shift your perspective and discover how easy it is to manipulate roving and combed top into truly exciting, dynamic, yarns. ROVING isn't a spinning textbook, it's filled with vivid photography, detailed step by step written instructions and hundreds of unique variations. Each technique is specifically chosen because of its ability to result in thousands of different outcomes with even the smallest tweak. Techniques can be layered, implemented on other fibres, spun thick and thin, the possibilities are endless. You will learn: - How colour presents in your yarn, how to self-stripe, how to fractal, how to gradient, etc. - How to transform an ugly colourway into something beautiful. - How to blend and combine colour without entering the technicolour granny zone. - It's okay to ditch measurements and weights. - How to better make the fibre in your hands become the yarn in your mind's eye. - How to collaborate with the dyer rather than let her choices control yours. Each technique is broken down into the six sections that make it easy to follow step by step at the

wheel. -What is this technique? -What type of fibre is best suited to this technique? -How do you prep it? -How do you spin it? -What are some variations of this technique I could try? -What are some ways I could use this yarn?

SPIN ,2007-09 From the concert stage to the dressing room, from the recording studio to the digital realm, SPIN surveys the modern musical landscape and the culture around it with authoritative reporting, provocative interviews, and a discerning critical ear. Whether covering what's new or what's next, SPIN is your monthly VIP pass to all that rocks.

How to Spin Beth Smith,2016-03-08 Expert Beth Smith teaches you everything you need to know to spin your own yarn, from choosing a spinning wheel to every stage of preparing your fiber, plying, winding off, and finishing. Fully illustrated step-by-step instructions make it simple and easy!

SPIN ,1989-12 From the concert stage to the dressing room, from the recording studio to the digital realm, SPIN surveys the modern musical landscape and the culture around it with authoritative reporting, provocative interviews, and a discerning critical ear. With dynamic photography, bold graphic design, and informed irreverence, the pages of SPIN pulsate with the energy of today's most innovative sounds. Whether covering what's new or what's next, SPIN is your monthly VIP pass to all that rocks.

A New Spin On Color Alanna Wilcox,2017-07-01 Have you ever tried spinning hand painted top or dyed rovings only to be disappointed with the color outcomes in your yarns or finished projects? This book clearly and artfully

walks you through understanding color theory making it less intimidating for both novice and expert spinners alike. Never before has a book presented the same dyed top worked up into 20+ different approaches accompanied by easy to follow directions. You will be able to see how the techniques look in both a skein and a knitted swatch. Plus there are photos of finished products accompanying the techniques to make envisioning the spinning applications even easier. After reading this book you will be inspired to delve into your stash with excitement and colorful confidence in your spinning.

Spin to Weave Sara Lamb, 2013-08-26 For spinners and weavers alike! Get in-depth information on fiber properties and color choices, as well as beautifully photographed samples. *Spin to Weave* is not simply a how-to-spin book, but a how-to-spin-exactly-what-you-want book. Weavers who spin their own yarns have the ability to choose fiber type, method of twist insertion (woolen, worsted), twist amount and/or direction, finishing methods, and grist. Author Sara Lamb focuses on the process of spinning for specific results, providing detailed instructions, a sampling of projects, variations, and a gallery of pieces by other spinners. Sara takes the reader to the very source of woven fabric-introducing the thought processes and concepts related to choosing fibers and how to spin them with finished fabric in mind.

SPIN, 1993-12 From the concert stage to the dressing room, from the recording studio to the digital realm, *SPIN* surveys the modern musical landscape and the culture around it with authoritative reporting, provocative interviews, and a discerning critical ear.
