Dr. Jen Gunter

*The Vagina Bible* Dr. Jen Gunter, 2019-08-27 Instant New York Times, USA Today, and Publishers Weekly bestseller! Boston Globe bestseller #1 Canadian Bestseller OB/GYN, writer for The New York Times, USA Today, and Self, and host of the show *Jensplaining*, Dr. Jen Gunter now delivers the definitive book on vaginal health, answering the questions you've always had but were afraid to ask—or couldn't find the right answers to. She has been called Twitter's resident gynecologist, the Internet's OB/GYN, and one of the fiercest advocates for women's health...and she's here to give you the straight talk on the topics she knows best. Does eating sugar cause yeast infections? Does pubic hair have a function? Should you have a vulvovaginal care regimen? Will your vagina shrivel up if you go without sex? What's the truth about the HPV vaccine? So many important questions, so much convincing, confusing, contradictory misinformation! In this age of click bait, pseudoscience, and celebrity-endorsed products, it's easy to be overwhelmed—whether it's websites, advice from well-meaning friends, uneducated partners, and even healthcare providers. So how do you separate facts from fiction? OB-GYN Jen Gunter, an expert on women's health—and the internet's most popular go-to doc—comes to the rescue with a book that debunks the myths and educates and empowers women. From reproductive health to the impact of antibiotics and probiotics, and the latest trends, including vaginal steaming, vaginal marijuana products, and jade eggs, Gunter takes us on a factual, fun-filled journey. Discover the truth about: • The vaginal microbiome • Genital hygiene, lubricants, and hormone myths and fallacies • How diet impacts vaginal health • Stem cells and the vagina • Cosmetic vaginal surgery • What changes to expect during pregnancy and after childbirth • What changes to expect through menopause • How medicine fails women by dismissing symptoms Plus: • Thongs vs. lace: the best underwear for vaginal health • How to select a tampon • The full glory of the clitoris and the myth of the G Spot . . . And so much more. Whether you're a twenty-six-year-old worried that her labia are “uncool” or a sixty-six-year-old dealing with painful sex, this comprehensive guide is sure to become a lifelong trusted resource.

**The Vagina: A Literary and Cultural History** Emma L. E. Rees, 2013-08-01 From South Park to Kathy Acker, and from Lars Von Trier to *Sex and the City*, women's sexual organs are demonized. Rees traces the fascinating evolution of this demonization, considering how calling the ‘c-word’ obscene both legitimates and perpetuates the fractured identities of women globally. Rees demonstrates how writers, artists, and filmmakers contend with the dilemma of the vagina's puzzlingly ‘covert visibility’. In our postmodern, porn-obsessed culture, vaginas appear to be everywhere, literally or symbolically but, crucially, they are as silenced as they are objectified. *The Vagina: A Literary and Cultural History* examines the paradox of female genitalia through five fields of artistic expression: literature, film, TV, visual, and performance art. There is a peculiar paradox – unlike any other – regarding female genitalia. Rees focuses on this paradox of what is termed the ‘covert visibility’ of the vagina and on its monstrous manifestations. That is, what happens when the female body refuses to be pathologized, eroticized, or rendered subordinate to the will or intention of another? Common, and often offensive, slang terms for the vagina can be seen as an attempt to divert attention away from the reality of women's lived sexual experiences such that we don't ‘look’ at the vagina itself – slang offers a convenient distraction to something so taboo. *The Vagina: A Literary and Cultural History* is an important contribution to the ongoing debate in understanding the feminine identity

**Vagina** Naomi Wolf, 2013-12-10 One of our bestselling and most respected cultural critics, Naomi Wolf, acclaimed author of *The Beauty Myth* and *The End of America*, brings us an astonishing work of cutting-edge science and cultural history that radically reframes how we understand the vagina—and, consequently, how we understand women. A “New Biography,” *Vagina* is at once serious, provocative, and immensely entertaining—a radical and endlessly fascinating exploration of the gateway to female consciousness from a remarkable writer and thinker at the forefront of the new feminism.

**Vagina** Naomi Wolf, 2012-09-11 One of our bestselling and most respected cultural critics, Naomi Wolf, acclaimed author of *The Beauty Myth* and *The End of America*, brings us an astonishing work of cutting-edge science and cultural history that radically reframes how we understand the vagina—and, consequently, how we understand women. A “New Biography,” *Vagina* is at once serious, provocative, and immensely entertaining—a radical and endlessly fascinating exploration of the gateway to female consciousness from a remarkable writer and thinker at the forefront of the new feminism.

**The Vagina Monologues** Eve Ensler, 2008 Drawing on conversations with hundreds of women about their genitalia, the author presents a collection of performance pieces from her one-woman show of the same name.

*It Hurts Down There* Christine Labuski, 2015-08-31 Tracks the medical emergence and treatment of vulvar pain conditions in order to understand why so many US women are misinformed about their sexual bodies. How does a woman describe a part of her body that much of society teaches her to never discuss? *It Hurts Down There* analyzes the largest known set of qualitative research data about vulvar pain conditions. It tells the story of one hundred women who struggled with this dilemma as they sought treatment for chronic and unexplained vulvar pain. Christine Labuski argues that the medical condition of vulvar pain cannot be adequately understood without exposing and interrogating cultural attitudes about female genitalia. The author's dual positioning as cultural anthropologist and former nurse practitioner strengthens her argument that discourses about “healthy” vulvas naturalize and reproduce heteronormative associations between genitalia, sex, and gender. Christine Labuski is Assistant Professor of Women's and Gender Studies at Virginia Polytechnic Institute and State University and the coauthor (with Nicholas Copeland) of *The World of Wal-Mart: Discounting the American Dream*.

**Vagina Obscura** Rachel E Gross, 2023-03-07 A New York Times Editors' Choice A Science Friday Best Science Book to Read This Summer A myth-busting voyage into the female body. A camera obscura reflects the world back but dimmer and inverted. Similarly, science has long viewed woman through a warped lens, one focused narrowly on her capacity for reproduction. As a result, there exists a vast knowledge gap when it comes to what we know about half of the bodies on the planet. That is finally changing. Today, a new generation of researchers is turning its gaze to the organs traditionally bound up in baby-making—the uterus, ovaries, and vagina—and illuminating them as part of a dynamic, resilient, and ever-changing whole. Welcome to *Vagina Obscura*, an odyssey into a woman's body from a fresh perspective, ushering in a whole new cast of characters. In Boston, a pair of biologists are growing artificial ovaries to counter the cascading health effects of menopause. In Melbourne, a urologist remaps the clitoris to fill in crucial gaps in female sexual anatomy. Given unparalleled access to labs and the latest research, journalist Rachel E. Gross takes readers on a scientific journey to the center of a wondrous world where the uterus regrows itself, ovaries pump out fresh eggs, and the clitoris pulses beneath the surface like a shimmering pyramid of nerves. This paradigm shift is made possible by the growing understanding that sex and gender are not binary; we all share the same universal body plan and origin in the womb. That's why insights into the vaginal microbiome, ovarian stem cells, and the biology of menstruation don't mean only a better understanding of female bodies, but a better understanding of male, non-binary, transgender, and intersex bodies—in other words, all bodies. By turns funny, lyrical, incisive, and shocking, *Vagina Obscura* is a powerful testament to how the landscape of human knowledge can be rewritten to better serve everyone.

*Women and Vagina Research* Judy Jacobs Hallcrest, 1991

*The Vagina Monologues* Eve Ensler, 2018-01-09 A landmark in women's empowerment—as relevant as ever in the age of #MeToo—that honors female sexuality in all its complexity It's been more than twenty years since Eve Ensler's international sensation *The Vagina Monologues* gave birth to V-Day, the radical, global grassroots movement to end violence against women and girls. This special edition features six never-before-published monologues, a new foreword by National Book Award winner Jacqueline Woodson, a new introduction by the author, and a new afterword by One Billion Rising director Monique Wilson on the stage phenomenon's global impact. Witty and irreverent, compassionate and wise, this award-winning masterpiece gives voice to real women's deepest fantasies,

fears, anger, and pleasure, and calls for a world where all women are safe, equal, free, and alive in their bodies. Praise for *The Vagina Monologues* “Probably the most important piece of political theater of the last decade.”—The New York Times “This play changed the world. Seeing it changed my soul. Performing in it changed my life. I am forever indebted to Eve Ensler and the transformative legacy of this play.”—Kerry Washington “Spellbinding, funny, and almost unbearably moving . . . both a work of art and an incisive piece of cultural history, a poem and a polemic, a performance and a balm and a benediction.”—Variety “Often wrenching, frequently riotous. . . . Ensler is an impassioned wit.”—Los Angeles Times “Extraordinary . . . a compelling rhapsody of the female essence.”—Chicago Tribune

**Women's Health Vagina University** Editors of Women's Health Maga, Sheila Curry Oakes, 2018-05-15 Class is in session! From IUDs to UTIs, periods to pregnancy, and menstrual cups to cervical caps, Women's Health Vagina University teaches the modern woman everything you need to know about your most intimate parts—even if you are uncomfortable saying vagina out loud. Women's Health Vagina University challenges stigmas directed at women's bodies and sexuality, offers advice and support, and explains how your vagina's health can impact your overall health. It also includes: • A quick overview of all things anatomical and biological that you learned in health class in middle school. The birds and the bees haven't changed, but even the teacher's pet can use a refresher! • Information on choosing the right gynecologist, birth control, period solution, and anything else a woman might have to choose in any circumstance. It is her right, after all. • Eye-opening and entertaining facts about the history of women's healthcare and vagina-related issues all over the world. • Straightforward guide to all the signs and symptoms that show up when there is something wrong down there and a trip to the OB-GYN is just what the doctor ordered. • Body- and sex-positive discussions about consent, pleasure in its many forms, and achieving the all-important O in a world filled with stereotypes and misinformation. • Myth-busting truth-bombs that separate the cold, hard facts from the old wives tales, distortions, and misleading political rhetoric. Women's Health Vagina University aims to dispel the myths, unpack the lies, explain laws, and define words that confuse and limit women, and empower you to take full control of your health, your bodies, and your futures.

**The Vulva and Vaginal Manual** Graeme Dennerstein, James Scurry, John Brennan, David Allen, Maria-Grazia Marin, 2023-06-16 This is a new book on the integrated management of vulvovaginal disease. The authors come from a variety of backgrounds - gynaecology, dermatology, pathology and psychology - and describe a multidisciplinary approach to these conditions. The book has the most complete classification of vulvovaginal disease published, based on the etiology of 275 conditions; coverage includes benign, malignant, and functional (including psychosexual) diseases. Each disease has a descriptive summary, pathological features, and treatment guidelines. The book is illustrated in full color throughout.

*The History and Technique of the Vaginal Radical Operation* Leopold Landau, Theodor Landau, 1900

**Colpoperineorrhaphy and the Structures Involved** Byron Robinson, 1899

**Atlas of Vaginal Reconstructive Surgery** Schlomo Raz, 2015-09-21 This volume provides a comprehensive, step by step description of the surgical techniques that the author has used in more than 13,000 vaginal reconstructive procedures. Chapters cover surgery for incontinence, prolapse, urethral diverticula, vaginal fistula, reconstruction, surgery for urethral obstruction and vaginal cysts and masses, and lastly, complications of vaginal surgery. Each surgical chapter covers a succinct summary of diagnosis, indications for surgery, and the surgical procedure itself. Sequential operative photographs, drawings, and videos guide are also included to guide the reader through the procedural steps. The Atlas of Vaginal Reconstructive Surgery will serve as a valuable resource for urologists, gynecologists and other specialists with an interest in vaginal reconstructive surgery.

**Colopoeirineorrhaphy and the Structures Involved** Byron Robinson, 2015-08-21 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

**Colopoeirineorrhaphy and the Structures Involved: The Vagina and Perineum and How to Mend Them (1899)** Byron

Robinson, 2008-06-01 This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high quality, modern editions that are true to the original work.

**The Vulva** Constance Marjorie Ridley, 1975

**The Wonder Down Under** Nina Brochmann, Ellen Stokken Dahl, 2019-02-05 'The Wonder Down Under is set to do for the vagina what Guilia Enders' Gut did for our digestive system a few years ago.' - Stylist 'This new guide should be on every woman's shelf' - Emerald Street 'A vital publication - it deserves to be a hit' - The Press Association 'Tells you everything you need to know' - Fabulous The Wonder Down Under explains everything you ever wanted to know about the vagina but didn't dare ask. Learn the truth about the clitoris' inner life, the menstrual hormone dance and whether the vaginal orgasm really exists. The book helps you understand how different types of contraception work in the body, what a normal vulva looks like and how wearing socks can change your sex life. Medical students and sex educators Nina Brochmann and Ellen Stokken Dahl draw on their medical expertise to bring vagina enlightenment to the world. Their no-nonsense approach, written with great humour, makes this a must-read for women (and men!) of all ages. Say goodbye to the myths and misconceptions surrounding female anatomy, this is a timely and empowering book that will inspire women to make informed choices about their sexual health. Listen to Nina and Ellen on BBC Radio 4's Woman's Hour here: [bbc.in/2D3Svjh](http://bbc.in/2D3Svjh) Or watch their myth-busting TED talk 'The virginity fraud':

**Atlas of Vulvovaginal Disease in Darker Skin Types** Nina Madnani, 2023-05-30 There is a significant increase in cross-migration of women from various ethnicities, cultures, and with varying skin color. With publications focused mainly on Fitz Skin types 1–4, accurate vulvar disease diagnosis in darker skin types may be compromised, resulting in suboptimal therapeutic outcomes. Diseases look quite different as the color disguises much of the erythema, which is prominently seen in the Caucasian population. This book is focused on female genital dermatoses and fills in those gaps for healthcare workers looking to accurately diagnose and manage such patients. Key features: Provides inclusive and consolidated contents on disorders of female genital skin and mucosa. Features more than 300 high-quality illustrations and impressive treatment algorithms, making it a ready reckoner for dermatologists, gynecologists, and general physicians. Facilitates diagnosis and further management of vulvar disease in the darker skin types, thus optimizing patient care. Features collective contributions from experts across the country. Simplifies the patient consult by providing ready answers to frequently asked questions.

**I Want My Vagina Back Journal** Pamela Love Manning, 2011-10-12 This journal is a supplement to the book by the same author, titled I Want My Vagina Back. It includes questions from the book and additional questions designed to help women be empowered to make values driven decisions when it comes to their sexual activities. It is a great tool for initiating conversations, identifying ways to

minimize personal regrets, and increasing relationship satisfaction.

**Vigina Introduction**

Vigina Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Vigina Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Vigina : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Vigina : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free

downloadable books. Free-eBooks Vigina Offers a diverse range of free eBooks across various genres. Vigina Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Vigina Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Vigina, especially related to Vigina, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Vigina, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Vigina books or magazines might include. Look for these in online stores or libraries. Remember that while Vigina, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Vigina eBooks for free, including popular titles.Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books.Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Vigina full book , it can give you a taste of the authors writing style.Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Vigina eBooks, including some popular titles.

**FAQs About Vigina Books**

- 1. Where can I buy Vigina books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
- 2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
- 3. How do I choose a Vigina book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
- 4. How do I take care of Vigina books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
- 5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
- 6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
- 7. What are Vigina audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of

audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Vigina books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
