Eastern European Music Industries and Policies after the Fall of Communism Patryk Galuszka,2021-04-06 During the last thirty years Eastern Europe has been a place of radical political, economic, and social transformation, and these changes have affected the cultural industries of its countries. This volume consists of twelve chapters by leading international researchers. Stories are documented of various organisations that once dominated the ‘communist music industries’ — such as state-owned record companies, music festivals, and collecting societies. The strategies employed by artists and industries to join international music markets after the fall of communism are explained and evaluated. Political and economic transformations that coincided with the advent of digitalisation and the Internet intensified the changes. All these issues posed challenges both to record labels and artists who, after adjusting to the rules of the free-market economy, were faced with the falling record sales of records caused by the advent of new communication technologies. This book examines how these processes have all affected the music scene, industries, and markets in various Eastern European countries.

Streaming Music Sofia Johansson,Ann Werner,Patrik Åker,Greg Goldenzwaig,2017-08-24 Streaming Music examines how the Internet has become integrated in contemporary music use, by focusing on streaming as a practice and a technology for music consumption. The backdrop to this enquiry is the digitization of society and culture, where the music industry has undergone profound disruptions, and where music streaming has altered listening modes and meanings of music in everyday life. The objective of Streaming Music is to shed light on what these transformations mean for listeners, by looking at their adaptation in specific cultural contexts, but also by considering how online music platforms and streaming services guide music listeners in specific ways. Drawing on case studies from Moscow and Stockholm, and providing analysis of Spotify, VK and YouTube as popular but distinct sites for music, Streaming Music discusses, through a qualitative, cross-cultural, study, questions around music and value, music sharing, modes of engaging with music, and the way that contemporary music listening is increasingly part of mobile, automated and computational processes. Offering a nuanced perspective on these issues, it adds to research about music and digital media, shedding new light on music cultures as they appear today. As such, this volume will appeal to scholars of media, sociology and music with interests in digital technologies.

New Critical Perspectives on Martin Walser Frank Pilipp,1994 Critical essays on contemporary German novelist. Martin Walser (born 1927) is one of the most prolific contemporary German novelists, and one with a place in world literature. His work provides an astute critical commentary in novelistic form on postwar Germany. The present volume comprises essays by eleven Walser experts on various aspects of his writings, with concentration on the novels of the last 15 years, books such as Runaway Horse (1978), The Inner Man (1979), The Swan Villa(1980), Letter to Lord Liszt (1982), and In Defense of Childhood (1991). Parallels and influences discussed in these studies include Schiller, Richardson, Hofmannsthal, Kafka, Thomas Mann, Marcel Proust, Updike, Brecht, and Walter Kempowski.

Smart Education and e-Learning 2021 Vladimir L. Uskov,Robert J. Howlett,Lakhmi C. Jain,2021-06-05 This book contains the contributions presented at the 8th International KES Conference on Smart Education and e-Learning (KES SEEL 2021), which being held as a virtual conference on June 14–16, 2021. It contains high-quality peer-reviewed papers that are grouped into several interconnected parts: smart education; smart e-learning; smart education: systems and technology; smart education: case studies and research; digital education and economics in smart university, smart university development: organizational, managerial and social Issues; smart universities and their Impact on students with disabilities. This book serves as a useful source of research data and valuable information on current research projects, best practices, and case studies for faculty, scholars, Ph.D. students, administrators, and practitioners— all those who are interested in smart education and smart e-learning.

AKASHVANI All India Radio (AIR), New Delhi ,1980-12-28 Akashvani (English) is a programme journal of ALL INDIA RADIO, it was formerly known as The Indian Listener. It used to serve the listener as a bradshaw of broadcasting ,and give listener the useful information in an interesting manner about programmes, who writes them, take part in them and produce them along with photographs of performing artists. It also contains the information of major changes in the policy and service of the organisation. The Indian Listener (fortnightly programme journal of AIR in English) published by The Indian State Broadcasting Service, Bombay, started on 22 December, 1935 and was the successor to the Indian Radio Times in English, which was published beginning in July 16 of 1927. From 22 August ,1937 onwards, it used to published by All India Radio, New Delhi. From 1950,it was turned into a weekly journal. Later, The Indian listener became Akashvani (English) w.e.f. January 5, 1958. It was made fortnightly journal again w.e.f July 1,1983. NAME OF THE JOURNAL: AKASHVANI LANGUAGE OF THE JOURNAL: English DATE, MONTH & YEAR OF PUBLICATION: 28 DECEMBER, 1980 PERIODICITY OF THE JOURNAL: Weekly NUMBER OF PAGES: 61 VOLUME NUMBER: Vol. XLV, No. 52 BROADCAST PROGRAMME SCHEDULE PUBLISHED (PAGE NOS): 18-57 ARTICLE: 1.Conserving for Survival: Quality of Environment 2.The Challenge of The Eighties: Drinking Water 3.Integration is Possible Through Languages 4. Hindi Film Songs and the Cinema Anna Morcom,2017-07-05 Since their beginnings in the 1930s, Hindi films and film songs have dominated Indian public culture in India, and have also made their presence felt strongly in many global contexts. Hindi film songs have been described on the one hand as highly standardized and on the other as highly eclectic. Anna Morcom addresses many of the paradoxes eccentricities and myths of not just Hindi film songs but also of Hindi cinema by analysing film songs in cinematic context. While the presence of songs in Hindi films is commonly dismissed as purely commercial this book demonstrates that in terms of the production process, musical style, and commercial life, it is most powerfully the parent film that shapes and defines the film songs and their success rather than the other way round. While they constitute India’s still foremost genre of popular music, film songs are also situational, dramatic sequences, inherently multi-media in style and conception. This book is uniquely grounded in detailed musical and visual analysis of Hindi film songs, song sequences and films as well as a wealth of ethnographic material from the Hindi film and music industries. Its findings lead to highly novel ways of viewing Hindi film songs, their key role in Hindi cinema, and how this affects their wider life in India and across the globe. It will be indispensable to scholars seeking to understand both Hindi film songs and Hindi cinema. It also forms a major contribution to popular music, popular culture, film music studies and ethnomusicology, tackling pertinent issues of cultural production, (multi-)media, and the cross-cultural use of music in Hindi cinema. The book caters for both music specialists as well as a wider audience.

They All Played Ragtime - The True Story of an American Music Rudi Blesh,2013-04-16 Blesh published They All Played Ragtime as first major scholarly work on ragtime music in 1950, which sparked a ragtime revival. He founded Circle Records in 1946, which recorded new material from aging early jazz musicians as well as the Library of Congress recordings of Jelly Roll Morton. He sparked renewed interest in the music of Joseph Lamb, James P. Johnson, and Eubie Blake, among others.

The Red Web Andrei Soldatov,Irina Borogan,2015-09-08 A Library Journal Best Book of 2015 A NPR Great Read of 2015 The Internet in Russia is either the most efficient totalitarian tool or the device by which totalitarianism will be overthrown. Perhaps both. On the eighth floor of an ordinary-looking building in an otherwise residential district of southwest Moscow, in a room occupied by the Federal Security Service (FSB), is a box the size of a VHS player marked SORM. The Russian government's front line in the battle for the future of the Internet, SORM is the world's most intrusive listening device, monitoring e-mails, Internet usage, Skype, and all social networks. But for every hacker subcontracted by the FSB to interfere with Russia's antagonists abroad -- such as those who, in a massive denial-of-service attack, overwhelmed the entire Internet in neighboring Estonia -- there is a radical or an opportunist who is using the web to chip away at the power of the state at home. Drawing from scores of interviews personally conducted with numerous prominent officials in the Ministry of Communications and web-savvy activists challenging the state, Andrei Soldatov and Irina Borogan peel back the history of advanced surveillance systems in Russia. From research laboratories in Soviet-era labor camps, to the legalization of government monitoring of all telephone and Internet communications in the 1990s, to the present day, their incisive and alarming investigation into the Kremlin's massive online-surveillance state exposes just how easily a free global exchange can be coerced into becoming a tool of repression and geopolitical warfare. Dissidents, oligarchs, and some of the world's most dangerous hackers collide in the uniquely Russian virtual world of The Red Web.

The Oxford Handbook of Music and Queerness Fred Everett Maus,Sheila Whiteley,2022-01-28 Music and queerness interact in many different ways. The Oxford Handbook of Music and Queerness brings together many topics and scholarly disciplines, reflecting the diversity of current research and methodology. Each of the book's six sections exemplifies a particular rhetoric of queer music studies. The section Kinds of Music explores queer interactions with specific musics such as EDM, hip hop, and country. Versions explores queer meanings that emerge in the creation of a version of a pre-existing text, for instance in musical settings of Biblical texts or practices of karaoke. Voices and Sounds turns in various ways to the materiality of music and sound. Lives focuses on interactions of people's lives with music and queerness. Histories addresses moments in the past, beginning with times when present conceptualizations of sexuality had not yet developed and moving to cases studies of more recent history, including the creation of pop songs in response to HIV/AIDS and the Eurovision song contest. The final section, Cross-cultural Queerness, asks how to understand gender and sexuality in locations where recent Euro-American concepts may not be appropriate.

Music in the Madness Rae Tina,2018-08-03 Kahli's life changes forever when she joins her friend's band. Will the music that pounds in her heart find an answering song, or will it leave her shattered? Kahlani Grey has spent most of her adult life behind a bar. When her older brother comes to visit for the summer, he convinces her to support her best friend's dream of starting a band, and Kahli agrees to take a leap of faith. But the revelation of a startling family secret forces Kahli to rethink her views on life, love, and music. Being in a band with four guys presents its own set of problems. One of the men has been a part of Kahli's life since she was young, one for several years, and two are new to her. Can Kahli hold the group together, or will jealousy be their undoing? Take this journey with Kahli and her guys as they work to navigate the madness of life to find the heart of the music.

the family next door the heartbreaking imprisonment of - Oct 06 2023
web the family next door is hard to review i feel
like it s safe to say we all remember what went
on in the turpin family so i m not going to talk
about the abuse they suffered at the hands of
their parents instead i m going to talk about
how brave these kids were jordan was 17 years
old when she made the 911 call that ultimately
saved them
the family next door ebook by john glatt rakuten kobo - Dec 28 2022
web synopsis from new york times bestselling
true crime author john glatt comes the
devastating story of the turpins a seemingly
normal family whose dark secrets would shock
and captivate the world on january 14 2018 a
seventeen year old girl climbed out of the
window of her perris california home and dialed
911 on a borrowed cell phone
