### **The Complete Book of Ghosts** Paul Roland, 2018-10-26

Ghosts and spirits populate the world around us. We just need to be sensitive or psychic enough to hear and see them. In this book, author Paul Roland examines a fascinating assortment of recorded sightings from as far back in history as Roman times. This serious look at ghosts presents them not as chain-rattling spooks or clouds of cold, swirling mist, but as entities with which we share a greater reality. A comprehensive exploration of the realm of the supernatural, from ghost ships and poltergeists to out-of-body experiences and the idea of spirits as the manifestation of people still living, *The Complete Book of Ghosts* will challenge your beliefs and preconceptions as never before.
