It was a chance in a lifetime when she was offered the job of being the photographer of a rock band, which entailed touring with the band for 6 months and taking photographs for their collection. Every young girl's fantasy is to fall in love with a rock star and be swept off their feet in glitz and glamour. It started out as an infatuation on the lead singer, Chris but as time goes by, she began to develop strong feelings for him. He was involved with another girl at first and paid her minimal attention but her kindness and patience paid off in the end when he broke off with

his girlfriend and started a relationship with her. However, Stephe has a secret that will tear their relationship apart. Will Chris ever forgive Stephe when he finds out and will their love survive the different curveballs thrown their way? Only time will tell.
