Intra-Muslim Polemics in South India Nandagopal R. Menon, 2024-03-14 How do we understand differences and disputes among various branches of Islam? This book places intimacies, rather than radical incompatibilities, at the centre of its in-depth ethnographic account of mass-publicized theological polemics among Sunni Muslims in the south Indian state of Kerala. What unites Muslims of different Sunni groups also divides them and incites polemics? Islam as a shared system of knowledge and practices, bonds of kinship and other social relations, and the common condition of being a beleaguered religious minority in a Hindu majoritarian democracy. Diverging from works that have focused on how Islamic practices like ritual prayers facilitate the fashioning of theologically grounded pious selves, the book argues that intra-Muslim polemics marginalize theology and have little to do with cultivating piety. Instead, polemics constitute inter- and intra-religious socialities, enable Muslims to articulate their connections to India and other imaginaries, and produce Islam as a public religion in a secular nation-state.

Guía de auxiliares de conversación en Canadá 2019-2020 , El programa de auxiliares de conversación españoles en Canadá persigue una doble finalidad: por una parte, integrar a españoles en centros docentes para ayudar al profesor en la clase de español y, por otra, facilitar a los auxiliares de conversación el perfeccionamiento de la lengua y cultura de este país, así como la de adquirir experiencia docente en un sistema diferente al español. Vivir y trabajar en un país extranjero es una experiencia extraordinariamente enriquecedora una vez superado el periodo de adaptación. Las recompensas profesionales y personales son tantas que hacen que las dificultades iniciales merezcan la pena. Los auxiliares participantes deben tener en cuenta que para tratar de paliar las dificultades inherentes al proceso de adaptación, es necesario tener una actitud flexible y una disposición positiva y abierta ante el reto que representa trabajar y vivir en un contexto nuevo, con otra cultura y otro sistema de valores. Esa disposición es crucial por tratarse de un puesto en el que el trato humano con los alumnos, compañeros o personas con las que se conviva, es el componente más importante del trabajo diario. Dicha actitud implica saber escuchar, saber ponerse en el lugar de los demás y estar dispuesto a aprender y a adaptarse. El éxito está asegurado si el auxiliar tiene además la motivación y el entusiasmo que siempre son esenciales en los profesionales de la educación.

A Literary Smorgasbord Migel Jayasinghe, 2019 There was no question that this author looked up to the United Kingdom as his mother country, where he emigrated to, at the age of 26. Although Ceylon, his actual birthplace gained independence from the British Empire when he was just 12 years old (1948). At secondary school he regularly won the class prize for English and contributed stories and essays not only to the college magazine, but also to the children's pages of local daily newspapers. Under the title 'Rudderless Living' the author paints a succinct autobiographical picture of the main events of his nomadic life. 'Overland' describes not only a trio's trip by car to Mumbai, India, starting from Cambridge, UK, but also refers to important background events in the author's life. Over the years he had been writing short stories merely as a hobby, and the reader can expect a wide variety of real life events, as well as futuristic fables, in this collection. His poems were mostly written after he retired to Spain, and reflects his daily life there. A few of his poems won recognition as 'Honorable Mentions' at various competitions. 'A Literary Smorgasbord' is the product of his literary heritage exhibiting an undoubted mastery of the English language. Although he did not succeed in attending the then one and only University of Ceylon, he later gained academic qualifications from the University of London, and worked as an occupational psychologist until retirement age. As assessed by British Mensa he has an IQ falling within the top 3% of the population. There is no question that this is reflected in the essays, stories and poems so uniquely presented in this volume, 'A Literary Smorgasbord'. A worthy read. (c. 280 words)

Solace in Verse Migel Jayasinghe, 2013-06 Solace in Verse was penned by the author in the last few years after he retired and while living in Costa Blanca, Spain. The majority of Migel Jayasinghe's poems are his response to this new environment, while others hark back to his origins in Sri Lanka. A few touch on contemplative and philosophical themes. One critic commented that these pages reflect an imagination that is at times playful and at others serious, but always expressed with the utmost clarity and accuracy. Migel Jayasinghe grew up in British Ceylon (now Sri Lanka) and was educated in English since the age of seven. At the age of 26, he left his position as a sub-inspector of police and emigrated to the United Kingdom. Eventually, he found his vocation as an occupational psychologist after acquiring two university degrees over a period of time. Since retirement, he has devoted himself to creative writing.
