In the words of author Dave Awl, Facebook is “the new town square”—the place where people gather to discuss the news of the day as well as share what’s going on in their lives. Plus there’s an expanded chapter on Facebook at Work – how to keep your profile professional, avoid getting in trouble, and use Facebook for job hunting. And in the etiquette department, this edition features new guidance on how to deal with conflict and avoid flame wars between Facebook friends. All in all, Facebook Me! takes you on a guided tour of everything Facebook has to offer and shows you how
