

Vulva

Shawn "Painta" Lindsay

The Vulva and Vaginal Manual Graeme Dennerstein,James Scurry,John Brennan,David Allen,Maria-Grazia Marin,2023-06-16 This is a new book on the integrated management of vulvovaginal disease. The authors come from a variety of backgrounds - gynaecology, dermatology, pathology and psychology - and describe a multidisciplinary approach to these conditions. The book has the most complete classification of vulvovaginal disease published, based on the etiology of 275 conditions; coverage includes benign, malignant, and functional (including psychosexual) diseases. Each disease has a descriptive summary, pathological features, and treatment guidelines. The book is illustrated in full color throughout.

The Vulva Miranda A. Farage,Howard I. Maibach,2016-04-19 Addressing common misconceptions concerning the dermatologic composition and assessment of vulvular skin, this book is a unique compilation of current research and information on the anatomy, physiology, toxicology, microbiology, and diagnosis of the vulva and surrounding anatomical structures. A must-have source for anyone treating female patients, this source considers age and ethnicity factors and analyzes a wide range of symptoms, skin conditions, and diseases that physicians may encounter when caring for female patients.

It Hurts Down There Christine Labuski,2015-08-31 Tracks the medical emergence and treatment of vulvar pain conditions in order to understand why so many US women are misinformed about their sexual bodies. How does a woman describe a part of her body that much of society teaches her to never discuss? *It Hurts Down There* analyzes the largest known set of qualitative research data about vulvar pain conditions. It tells the story of one hundred women who struggled with this dilemma as they sought treatment for chronic and unexplained vulvar pain. Christine Labuski argues that the medical condition of vulvar pain cannot be adequately understood without exposing and interrogating cultural attitudes about female genitalia. The author's dual positioning as cultural anthropologist and former nurse practitioner strengthens her argument that discourses about "healthy" vulvas naturalize and reproduce heteronormative associations between genitalia, sex, and gender. Christine Labuski is Assistant Professor of Women's and Gender Studies at Virginia Polytechnic Institute and State University and the coauthor (with Nicholas Copeland) of *The World of Wal-Mart: Discounting the American Dream*.

The Vulva Miranda A. Farage,Howard I. Maibach,2017-03-27 A unique compilation of expertise on anatomy, physiology, clinical issues, and current research, this textbook analyzes the range of presentation with age, ethnicity, symptoms, disorders, diagnoses, and toxicity. The second edition of this essential resource for anyone taking care of female patients has been doubled in scope to include additional chapters. All physicians, whether dermatologists or gynaecologists, as well as those researching the scientific evidence and symptoms, will benefit from the experience of the expert contributors and editors gathered here.

The Vagina Bible Dr. Jen Gunter,2019-08-27 Instant New York Times, USA Today, and Publishers Weekly bestseller! Boston Globe bestseller #1 Canadian Bestseller OB/GYN, The New York Times columnist, host of the show *Jensplaining*, and internationally bestselling author Dr. Jen Gunter now delivers the definitive book on vaginal health, answering the questions you've always had but were afraid to ask—or couldn't find the right answers to. She has been called Twitter's resident gynecologist, the Internet's OB/GYN, and one of the fiercest advocates for women's health...and she's here to give you the straight talk on the topics she knows best. Does eating sugar cause yeast infections? Does pubic hair have a function? Should you have a vulvovaginal care regimen? Will your vagina shrivel up if you go without sex? What's the truth about the HPV vaccine? So many important questions, so much convincing, confusing, contradictory misinformation! In this age of click bait, pseudoscience, and celebrity-endorsed products, it's easy to be overwhelmed—whether it's websites, advice from well-meaning friends, uneducated partners, and even healthcare providers. So how do you separate facts from fiction? OB-GYN Jen Gunter, an expert on women's health—and the internet's most popular go-to doc—comes to the rescue with a book that debunks the myths and educates and empowers women. From reproductive health to the impact of antibiotics and probiotics, and the latest trends, including vaginal steaming, vaginal marijuana products, and jade eggs, Gunter takes us on a factual, fun-filled journey. Discover the truth about:

- The vaginal microbiome
- Genital hygiene, lubricants, and hormone myths and fallacies
- How diet impacts vaginal health
- Stem cells and the vagina
- Cosmetic vaginal surgery
- What changes to expect during pregnancy and after childbirth
- What changes to expect through menopause
- How medicine fails women by dismissing symptoms

Plus:

- Thongs vs. lace: the best underwear for vaginal health
- How to select a tampon
- The full glory of the clitoris and the myth of the G Spot . . . And so much more.

Whether you're a twenty-six-year-old worried that her labia are "uncool" or a sixty-six-year-old dealing with painful sex, this comprehensive guide is sure to become a lifelong trusted resource.

The Vulva Gayle Fischer,Jennifer Bradford,2016-11-17 This practical handbook reviews the important, but complex, area of vulval disease and will help busy clinicians help their patients. The authors have a fresh and evidence-based approach to dealing with everything from common to rare vulval conditions. Their take on vulvodynia and dyspareunia represents an important breakthrough in the understanding of vulval pain. The first edition of this book appeared in 2010, at a time when there was very little published evidence on vulval disease. The entire text has been updated in line with modern practice. A reading list and references are included at the end of each chapter. There is further information on management, particularly in the field of long-term treatment of lichen sclerosus and on newly described conditions. The text is designed for gynaecologists and dermatologists but will also be readily understandable to primary care and family practice physicians, nurse practitioners and others working in women's health.

The V Book Elizabeth G. Stewart, M.D.,Paula Spencer,2008-12-10 The Groundbreaking Guide Every Woman Needs With *The V Book*, women will learn everything they need to know about the basics of vulvovaginal—or "V"—health, an essential yet often overlooked area of women's health. Dr. Elizabeth G. Stewart, the nation's foremost expert in vulvovaginal care and sexual-pain disorders, answers the questions about the all too common "V" ailments that women are embarrassed to discuss even with their doctors. Drawing upon the latest medical research and two decades of experience treating thousands of women in her specialized gynecological practice, Dr. Stewart has compiled a wealth of information and advice. This comprehensive and authoritative guide for women of all ages includes:

- How your vulvovaginal concerns change throughout the life cycle, from your teens through menopause and beyond
- How to pick a good gynecologist, and how to ask the right questions
- Dos and don'ts of V hygiene—and why sometimes less is better
- The safest use of tampons, pads, and pantliners
- How to handle common symptoms, such as redness, itching, dryness, and discharge
- Which medical tests you should insist upon from your doctor
- Tips for safe and pleasurable sex, and what to do when sexual intercourse is painful
- The latest research on vulvodynia, the vaginal pain syndrome that won't go away
- Diagnosing and treating yeast infections, allergies, and other ailments
- What to do if your doctor detects cancer or precancer cells

And much, much more...

Vulvar Disease Jacob Bornstein,2019-04-13 This book offers comprehensive information on modern approaches to vulvar lesions, taking into account recent management recommendations and employing the consensus terminology of the International Society for the Study of Vulvovaginal Disease (ISSVD). Further, it breaks with past misconceptions and myths, and explains in detail the modern approach. The aim is to help clinicians perform the differential diagnosis of vulvar conditions and implement the new recommended treatments. The core chapters of the book are arranged in accordance with lesion presentation: red lesions, white lesions, patches and plaques, papules and nodules, erosions and ulcers, blisters, etc. For each lesion, the multidisciplinary management is fully explained, including clarifications of the role of gynecologists, dermatologists, physical therapists, pain specialists, sex therapists, and others. Clinical case presentations and numerous illustrations of treatment procedures are included, supplemented by informative online videos. A separate chapter is devoted to vulvar pain, which is increasingly becoming recognized as a growing problem. Here, again the past approaches are replaced with new paradigms. All of the authors are acknowledged experts in the field and the editor is a past president of the ISSVD. The book will be of value for all vulvar specialists and a wide range of other clinicians.

Pathology of the Vulva and Vagina Laurence Brown,2012-09-29 Doctors and the general public are increasingly recognising diseases of the vulva and vagina as a cause of sexual dysfunction, morbidity and death, yet the wide but sometimes rare range of conditions involving this area are poorly represented in most textbooks of pathology. As the first volume in the *Essentials of Diagnostic Gynecological Pathology* series sponsored by the British Association of Gynecological Pathologists, *Pathology of the Vulva and Vagina* is one of the very few dealing wholly with this subject.

Pathology of the Vulva and Vagina introduces the topic with a stylishly illustrated description of the embryology and development which is fundamental to understanding the pathogenesis and symptomatology. Subsequent chapters cover infections and non-infectious dermatoses, specifying those that can predispose to cancer. The precancerous conditions of vulval intraepithelial neoplasia, melanocytic proliferations and extra-mammary Paget's disease are integrated respectively with accounts of human papilloma virus, malignant melanoma and recent awareness of ano-genital mammary-like glands. Advances in the recognition of potentially confusing benign conditions, prognosis and staging update the pathology of squamous and adenocarcinoma in these organs. The difficulties of sentinel node biopsy are explored and a comprehensive chapter clearly highlights the difficult differential diagnosis of mesenchymal lesions. As most histopathology departments receive many gynecological specimens, Pathology of the Vulva and Vagina has been written to be useful diagnostically to general as well as specialist gynecological histopathologists and pathologists in training. Gynecologists, oncologists, dermatologists, genitourinary physicians and cancer nurse specialists will find expert insights here that will help in treatment and counselling of their patients.

100 Questions & Answers About Vulvar Cancer and Other Diseases of the Vulva and Vagina Debra S Heller,Lara J Burrows,2009-03-05
EMPOWER YOURSELF! Whether you're a newly diagnosed patient or are a friend or loved one of someone suffering from a vulva/vaginal disease, this book offers help. The only text available to provide both the doctor's and patient's views, 100 Questions & Answers About Vulvar Cancer and Other Diseases of the Vulva and Vagina provides practical, authoritative answers to 100 of the most common questions asked by women diagnosed with cancer of the vulva/vagina and related gynecologic diseases. Written by an expert medical pathologist, with actual patient commentary, this book is an invaluable resource for anyone coping with the physical and emotional turmoil of this frightening disease.

Benign Diseases of the Vulva and Vagina Raymond H. Kaufman,Sebastian Faro,Dale Brown (M.D.),2005 Covers all aspects of the pathophysiology, diagnosis, and treatment of benign disease of the lower genital tract for all physicians who deal with sexually transmitted diseases. The new edition has been updated to reflect the current thinking in the field of vulvovaginal diseases. It also includes updated information on current therapeutic approaches to the many disease entities covered.

V Florence Schechter,2023-03-02 Florence Schechter, creator of the world's first Vagina Museum, is here to take you on a journey towards celebrating, understanding and appreciating your vagina. And once you set off, you'll never look back. By the end of this empowering and inclusive book, you will be ready to talk about the vulva shame-free. You will discover art that admires the vulva. You will learn how our ancestors believed in the power of periods. And you will bust myths, feel confident in your body and find your Big V Energy! Because, if the word is taboo, how can you talk about your vagina's health? If you can't label the vulva, how can you fight for its rights? And if you don't know how extraordinary the vulva and vagina really are, you'll never realise the incredible power between your legs. With fascinating contributions from leading activists and experts. Suitable for ages 14+

The Vulva Constance Marjorie Ridley,1975
Vulvar Disease Eduard G. Friedrich,1983
Ridley's The Vulva Sallie Neill,Fiona Lewis,2009-07-06 Bridging the gap between dermatology and gynaecology in the studyof vulval diseases, this new edition is an exceptional referencetext, offering the most up-to-date guidance on diagnosis andmanagement. The last 10 years have seen an enormous increase in interest ingenital skin disease along with a much needed expansion in thenumber of clinics dedicated to the diagnosis and treatment ofvulval disorders. This new third edition of Marjorie Ridley'sThe Vulva contains all the topics covered in the originalbook, but now includes the many advances that have been made sincethe last publication. Now entitled Ridley's The Vulva, this is acomprehensive textbook that specialises in the diagnosis andmanagement of this wide-ranging area. Many chapters have beenextensively revised, and illustrations are all now in full colour,significantly enhancing some of the detail of both the clinical andhistological appearances.
The Vulva Magazine Lauren H. Collins,2016-10-03 A magazine which documents the Felt Vulva Project. An awareness project to bring loving awareness around the vulva, vagina and pelvis of survivors of sexual assault and domestic violence. A portion of proceeds will be donated to Vital Self Healing, Inc., a non-profit to provide healing resources to survivors of sexual assault and domestic violence.
The V Book Elizabeth Gunther Stewart,Paula Spencer,2002 The most female parts of a woman's anatomy are still shrouded in mystery, ignorance and misinformation. The V Book is the first book to frankly and thoroughly explain basic anatomy, analyse lifestyle issues and provide a guide to common health and sexual problems and how to avoid them.
The Vulva Book Shawn "Painta" Lindsay,2016-02-03 The Vulva Art Book started in 2012 when I had a desk job. In between tasks and answering phones I drew. I got the idea to draw a vulva on my iPad for lol's and likes to post to the Internet. It happen to receive a lot of likes, way more than I expected. So I drew another, it got even more likes and some interesting comments. Mainly females left comments like beautiful, never seen one like this, mine doesn't look like this, and even ew! After that I started to draw them from reference. I began to realize they were not only beautiful, they were confronting and a bit empowering.

Vulva Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Vulva free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Vulva free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Vulva free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF

versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Vulva. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Vulva any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Vulva Books

1. Where can I buy Vulva books?
Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available?
Hardcover: Sturdy and durable, usually more expensive.
Paperback: Cheaper, lighter, and more portable than hardcovers.
E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Vulva book to read?
Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations.
Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Vulva books?
Storage: Keep them away from direct sunlight and in a dry environment.
Handling: Avoid folding pages, use bookmarks, and handle them with clean hands.
Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them?
Public Libraries: Local libraries offer a wide range of books for borrowing.
Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection?
Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections.
Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Vulva audiobooks, and where can I find them?
Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking.
Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
