The Far Pavilions M. M. Kaye, 2015-12-01 This sweeping epic set in 19th-century India begins in the foothills of the towering Himalayas and follows a young Indian-born orphan as he's raised in England and later returns to India where he falls in love with an Indian princess and struggles with cultural divides. The Far Pavilions is itself a Himalayan achievement, a book we hate to see come to an end. It is a passionate, triumphant story that excites us, fills us with joy, move us to tears, satisfies us deeply, and helps us remember just what it is we want most from a novel. M.M. Kaye's masterwork is a vast, rich and vibrant tapestry of love and war that ranks with the greatest panoramic sagas of modern fiction, moving the famed literary critic Edmond Fuller to write: Were Miss Kaye to produce no other book, The Far Pavilions might stand as a lasting accomplishment in a single work comparable to Margaret Mitchell's achievement in *Gone With the Wind*.

**Why Go All the Way to Fulton, Louisiana?** David Holcombe, 2016-07-16 WHY GO ALL THE WAY TO FULTON, LOUISIANA? is a collection of short plays by Dr. David J. Holcombe, MD. Most are ten-minute plays, but several are considerably longer and more complex. The subjects range from medical (Ebola mania and Sex Ed and the Superintendent) to political (Removing the Equestrian Statue and Painting the Ghetto.) The plays all have limited cast and set requirements, thus making them ideal for ten-minute or one-act play presentations by professionals or students. One of these plays has made its stage debut in Alexandria, Louisiana by Spectral Sisters Productions (Teds Head), but the others await their world premieres by those with a bit of courage and considerable vision. While written plays have limited public appeal, these works truly come alive on the stage. Share in the fun and the drama with these undiscovered gems from a most unlikely source, someone sometimes referred to locally as the Chekhov on the Bayou.

**You Only Hurt the Ones You Love** David J. Holcombe, 2019-01-14 You Only Hurt the Ones You Love is a collection of short plays by David J. Holcombe. The subject matter varies from food poisoning to Czech folk dancing, with lots of odd topics in between. The common denominator remains a keen sense of social observation and a desire to translate those findings into meaningful theater. While it is understood that many people want to be entertained rather than educated or harangued, most of these plays deal with weighty and sometimes controversial topics, often approached with humor. Artists have the responsibility to translate our world, so chaotic, disturbing, or even repulsive, into something concise, poignant, and beautiful, a far cry from simply entertaining. If you can learn something, so much the better.

**Infinite Bandwidth** Eugene Gan, 2010 Franciscan University of Steubenville Professor Eugene Gan authors this first-of-its-kind Catholic roadmap for the digital age: *Infinite Bandwidth: Encountering Christ in the Media*. He navigates you faithfully through the digital world, encouraging frustrated parents not to throw out cell phones, ban the Internet, chuck computers, or pitch portable media devices. That would be a mistake and believe it or not would be going against more than seven decades of Catholic teaching. From Church documents on social

communications, Gan extracts seven principles or media keys of how to approach and use media. The Church and Gan say that we must enter into the modern day Areopagus, the social and intellectual hub of ancient Athens where Paul preached to pagans, and use the media tools God has given us to make truth known and serve mankind. Cardinal John Patrick Foley says, Frankly, I wish that such a book had existed when I was president of the Pontifical Council for Social Communications as a text which I could have recommended. The important thing, however, is that it exists now to provide a text, context, and challenge for those who wish to bring both Christian principles and professional excellence to their work in the media. Gan offers chapter after chapter of real-life experience of how to assess movies, games, and gadgets for you and your teens. Of how to judge the merits of a film like Saving Private Ryan, and what sets it apart from Nightmare on Elm Street. Can the one be acceptable viewing and the other not? Definitely. And Gan details why. Infinite Bandwidth: Encountering Christ in the Media is way out front of the newest gizmo and will stay there thanks to its timeless principles that can be applied in all digital terrain, now and the future. Parents, educators, and students will put this book down with an entirely different attitude about the relationship between faith and media use.

*Kabul Beauty School* Deborah Rodriguez, Kristin Ohlson, 2007-04-10 Soon after the fall of the Taliban, in 2001, Deborah Rodriguez went to Afghanistan as part of a group offering humanitarian aid to this war-torn nation. Surrounded by men and women whose skills—as doctors, nurses, and therapists—seemed eminently more practical than her own, Rodriguez, a hairdresser and mother of two from Michigan, despaired of being of any real use. Yet she soon found she had a gift for befriending Afghans, and once her profession became known she was eagerly sought out by Westerners desperate for a good haircut and by Afghan women, who have a long and proud tradition of running their own beauty salons. Thus an idea was born. With the help of corporate and international sponsors, the Kabul Beauty School welcomed its first class in 2003. Well meaning but sometimes brazen, Rodriguez stumbled through language barriers, overstepped cultural customs, and constantly juggled the challenges of a postwar nation even as she learned how to empower her students to become their families' breadwinners by learning the fundamentals of coloring techniques, haircutting, and makeup. Yet within the small haven of the beauty school, the line between teacher and student quickly blurred as these vibrant women shared with Rodriguez their stories and their hearts: the newlywed who faked her virginity on her wedding night, the twelve-year-old bride sold into marriage to pay her

family's debts, the Taliban member's wife who pursued her training despite her husband's constant beatings. Through these and other stories, Rodriguez found the strength to leave her own unhealthy marriage and allow herself to love again, Afghan style. With warmth and humor, Rodriguez details the lushness of a seemingly desolate region and reveals the magnificence behind the burqa. *Kabul Beauty School* is a remarkable tale of an extraordinary community of women who come together and learn the arts of perms, friendship, and freedom.

*Many Thousand Gone* Virginia Hamilton, 1995-12-12 For use in schools and libraries only. Recounts the journey of slaves to freedom via the Underground Railroad, an extended group of people who helped fugitive slaves in many ways.

**The Red Leather Diary** Lily Koppel, 2009-10-13 "A world straight from the pages of an F. Scott Fitzgerald novel . . . An extraordinary story about coming of age . . . and discovering who you are." –Parade Rescued from a Dumpster on the Upper West Side of Manhattan, a discarded diary brings to life the glamorous, forgotten world of an extraordinary young woman . . . Opening the tarnished brass lock of a red leather diary found in the basement of a New York City apartment building, New York Times writer Lily Koppel embarked on a journey into the past. Compelled by the hopes and heartaches captured in the pages, Koppel set out to find the diary's owner, a 90-year old woman named Florence. Eventually reunited with her diary, Florence ventured back to the girl she once was, rediscovering a lost self that burned with artistic fervor. Joining intimate interviews with original diary entries, *The Red Leather Diary* is an evocative and entrancing work that recreates the romance and glitter, sophistication and promise, of 1930s New York, bringing to life the true story of a precocious young woman who dared to follow her dreams. "Melds three life-affirming subjects—Florence Wolfson's journal of life in 1930s Manhattan, Koppel's discovery of it in a Dumpster decades later, and the meeting of the two women—into one enchanting memoir." –Elle "[An] amazing story . . . A highbrow fairy tale . . . Much of the book's emotional power derives from the drama of an old woman reclaiming a past that was almost lost to her . . . Koppel writes with flair." –Chicago Tribune

**Can I Go Now?** Brian Kellow, 2015-09-08 "To call Sue Mengers a 'character' is an understatement, unless the word is written in all-caps, followed by an exclamation point and modified by an expletive. And based on Brian Kellow's assessment in his thoroughly researched *Can I Go Now?* even that description may be playing down her personality a bit." –Jen Chaney, *The Washington Post* • A NY Times Culture Bestseller • An Entertainment Weekly Best Pop Culture Book of 2015 • A Booklist Top Ten Arts Book of 2015 • A lively and colorful biography of Hollywood's first superagent—one of the most outrageous showbiz characters of the 1960s and 1970s whose clients included Barbra Streisand, Ryan O'Neal, Faye Dunaway, Michael Caine, and Candice Bergen Before Sue Mengers hit the scene in the mid-1960s, talent agents remained quietly in the background. But staying in the background was not possible for Mengers. Irrepressible and loaded with chutzpah, she became a driving force of Creative Management Associates (which later became ICM) handling the era's preeminent stars. A true original with a gift for making the biggest stars in Hollywood listen to hard truths about their careers and personal lives, Mengers became a force to be reckoned with. Her salesmanship never stopped. In 1979, she was on a plane that was commandeered by a hijacker,

who wanted Charlton Heston to deliver a message on television. Mengers was incensed, wondering why the hijacker wanted Heston, when she could get him Barbra Streisand. Acclaimed biographer Brian Kellow spins an irresistible tale, exhaustively researched and filled with anecdotes about and interviews more than two hundred show-business luminaries. A riveting biography of a powerful woman that charts show business as it evolved from New York City in the 1950s through Hollywood in the early 1980s, *Can I Go Now?* will mesmerize anyone who loves cinema's most fruitful period.
